(1) KRS 383.505 to 383.715 shall be liberally construed and applied to promote its underlying purposes and policies.

(2) Underlying purposes and policies of KRS 383.505 to 383.715 are:

(a) To encourage landlords and tenants to maintain and improve the quality of housing; and

(b) To make uniform the law with respect to the subject of KRS 383.505 to 383.715 among those states which enact it.

SECTION 2. KRS 383.510 IS REPEALED AND REENACTED.

Unless displaced by the provisions of KRS 383.505 to 383.715, the principles of law and equity, including the law relating to capacity to contract, mutuality of obligations, principal and agent, real property, public health, safety and fire prevention, estoppel, fraud, misrepresentation, duress, coercion, mistake, bankruptcy, or other validating or invalidating cause supplement its provisions.

SECTION 3. KRS 383.515 IS REPEALED AND REENACTED.

KRS 383.505 to 383.715 being a general act intended as a unified coverage of its subject matter, no part of it is to be construed as impliedly repealed by subsequent legislation if that construction can reasonably be avoided.

SECTION 4. KRS 383.520 IS REPEALED AND REENACTED.

(1) The remedies provided by KRS 383.505 to 383.715 shall be so administered that an aggrieved party

SECTION 7. KRS 383.535 IS REPEALED AND REENACTED.

In addition to any other method provided by rule or by statute, personal jurisdiction over a landlord or tenant may be acquired in a civil action or proceeding instituted in the court by the service of process in the manner provided by this section.

(2) If a landlord is not a resident of this state or is a corporation not authorized to do business in this state and engages in any conduct in this state governed by KRS 383.505 to 383.715, or engages in a transaction subject to KRS 383.505 to 383.715, he may designate an agent upon whom service of process may be made in this state. If no designation is made and filed or if process cannot be served in this state upon the designated agent, process may be served upon the Secretary of State, but service upon him is not effective unless the plaintiff or petitioner forthwith mails a copy of the process and pleading by registered or certified mail to the defendant or respondent at his last reasonably ascertainable address. An affidavit of compliance with this section shall be filed with the clerk of the court on or before the return day of the process, if any, or within any further time the court allows.

SECTION 26. KRS 383.630 IS REPEALED AND REENACTED.

(1) If the landlord fails to deliver possession of the dwelling unit to the tenant as provided in KRS 383.590, rent abates until possession is delivered and the tenant may:

(a) Terminate the rental agreement upon at least five (5) days' written notice to the landlord and upon termination the landlord shall return all prepaid rent and damage fee; or

(b) Demand performance of the rental agreement by the landlord and, if the tenant elects, maintain an action for possession of the dwelling unit against the landlord or any person wrongfully in possession and recover the damages sustained by him.

(2) If a person's failure to deliver possession is willful and not in good faith, an aggrieved person may recover from that person an amount not more than three (3) months' periodic rent or threefold the actual damages sustained, whichever is greater, and reasonable attorney's fees.

In that event the court from time to time may order the tenant to pay into court all or part of the rent accrued and thereafter accruing, and shall determine the amount due to each party. The party to whom a net amount is owed shall be paid first from the money paid into court, and the balance by the other party. If no rent remains due after application of this section, judgment shall be entered for the tenant in the action for possession. If the defense or counterclaim by the tenant is without merit and is not raised in good faith, the landlord may recover reasonable attorney's fees.

(2) If the rental agreement is terminated under provision of this section the landlord shall return all the unused portion of the prepaid rent. Accounting for rent in the event of termination or apportionment shall be made as of the date of the casualty.

SECTION 31. KRS 383.655 IS REPEALED AND REENACTED.

If a landlord unlawfully removes or excludes the tenant from the premises or willfully diminishes services to the tenant by interrupting or causing the interruption of heat, running water, hot water, electric, gas, or other essential service, the tenant may recover possession or terminate the rental agreement and, in either case, recover an amount not more than three (3) months periodic rent and a reasonable attorney's fee.

If the rental agreement is terminated, the landlord shall return all prepaid rent.

(1) Except as provided in KRS 383.505 to 383.715, if there is a material noncompliance by the tenant with the rental agreement or a material noncompliance with KRS 383.605 or 383.610, the landlord may deliver a written notice to the tenant specifying the acts and omissions constituting the breach and that the rental agreement will terminate upon a date not less than fourteen (14) days after receipt of the notice. If the breach is not remedied in fifteen (15) days, the rental agreement shall terminate as provided in the notice subject to the following. If the breach is remediable by repairs or the payment of damages or otherwise and the tenant adequately remedies the breach before the date specified in the notice, the rental agreement shall not terminate. If substantially the same act or omission which constituted a prior noncompliance of which notice was given recurs within six (6) months, the landlord may terminate the rental agreement upon at least fourteen (14) days' written notice specifying the breach and the date of termination of the rental agreement.

(2) If rent is unpaid when due and the tenant fails to pay rent within seven (7) days after written notice by the landlord of nonpayment and his intention to terminate the rental agreement if the rent is not paid within that period, the landlord may terminate the rental agreement.

(3) Except as provided in KRS 383.505 to 383.715, the landlord may recover damages and obtain injunctive relief for any noncompliance by the tenant with the rental agreement or KRS 383.605 or 383.610. If the tenant's noncompliance is willful the landlord may recover actual damages and reasonable attorney's fees.

SECTION 33. KRS 383.665 IS REPEALED AND REENACTED.

If there is noncompliance by the tenant with KRS 383.605 or 383.610 materially affecting health and safety that can be remedied by repair, replacement of a damaged item or cleaning, and the tenant fails to comply as promptly as conditions require in case of emergency or within fourteen (14) days after written notice by the landlord specifying the breach and requesting that the tenant remedy it within that period of time, the landlord may enter the dwelling unit and cause the work to be done in a workmanlike manner and submit the itemized bill for the actual and reasonable cost or the fair and reasonable value thereof as rent on the next date periodic rent is due, or if the rental agreement has terminated, for immediate payment.

SECTION 34. KRS 383.670 IS REPEALED AND REENACTED.

(2) During any absence of the tenant in excess of seven (7) days, the landlord may enter the dwelling unit at times reasonably necessary.

(3) If the tenant abandons the dwelling unit, the landlord shall make reasonable efforts to rent it at a fair rental. If the landlord rents the dwelling unit for a term beginning before the expiration of the rental agreement, it terminates as of the date of the new tenancy. If the landlord fails to use reasonable efforts to rent the dwelling unit at a fair rental or if the landlord accepts the abandonment as a surrender, the rental agreement is deemed to be terminated by the landlord as of the date the landlord has notice of the abandonment. If the tenancy is from month-to-month or week-to-week, the term of the rental agreement for this purpose is deemed to be a month or a week, as the case may be.

SECTION 35. KRS 383.675 IS REPEALED AND REENACTED.

Acceptance of rent with knowledge of a default by the tenant or acceptance of performance by him that varies from the terms of the rental agreement constitutes a waiver of the landlord's right to terminate the rental agreement for that breach, unless otherwise agreed after the breach has occurred.

SECTION 36. KRS 383.680 IS REPEALED, REENACTED AND AMENDED TO READ AS FOLLOWS:

(1) A lien or security interest on behalf of the landlord in the tenant's household goods is not enforceable unless perfected before August 1, *1984* [~~1974~~].

(4) If the tenant remains in possession without the landlord's consent after expiration of the term of the rental agreement or its termination, the landlord may bring an action for possession and if the tenant's holdover is willful and not in good faith the landlord may also recover an amount not more than three (3) months' periodic rent or threefold the actual damages sustained by him, whichever is greater, and reasonable attorney's fees. If the landlord consents to the tenant's continued occupancy, KRS 383.565(3) applies.

SECTION 40. KRS 383.700 IS REPEALED AND REENACTED.

(1) If the tenant refuses to allow lawful access, the landlord may obtain injunctive relief to compel access, or terminate the rental agreement. In either case the landlord may recover actual damages and reasonable attorney's fee.

(2) If the landlord makes an unlawful entry or a lawful entry in an unreasonable manner or makes repeated demands for entry otherwise lawful but which have the effect of unreasonably harassing the tenant, the tenant may obtain injunctive relief to prevent the reoccurrence of the conduct or terminate the rental agreement. In either case the tenant may recover actual damages and reasonable attorney's fees.

(1) Except as provided in this section, a landlord may not retaliate by increasing rent or decreasing services or by bringing or threatening to bring an action for possession after:

(a) The tenant has complained to a governmental agency charged with responsibility for enforcement of a building or housing code of a violation applicable to the premises materially affecting health and safety;

(b) The tenant has complained to the landlord of a violation under KRS 383.595;

(c) The tenant has organized or become a member of a tenant's union or similar organization.

(2) If the landlord acts in violation of subsection (1) of this section, the tenant is entitled to the remedies provided in KRS 383.655 and has a defense in any retaliatory action against him for possession. In an action by or against the tenant, evidence of a complaint within one year before the alleged act of retaliation creates a presumption that the landlord's conduct was in retaliation. The presumption does not arise if the tenant made the complaint after notice of a proposed rent increase or diminution of services. "Presumption" means that the trier of fact must find the existence of the fact presumed unless and until evidence is introduced which would support a finding of its nonexistence.

(3) Notwithstanding subsections (1) and (2) of this section, a landlord may bring an action for possession if:

(a) The violation of the applicable building or housing code was caused primarily by lack of reasonable care by the tenant or other person in his household or upon the premises with his consent;

(b) The tenant is in default in rent; or

(c) Compliance with the applicable building or housing code requires alteration, remodeling, or demolition which would effectively deprive the tenant of use of the dwelling unit.

(4) The maintenance of an action under subsection (3) of this section does not release the landlord from liability under KRS 383.625(2).

SECTION 42. KRS 383.710 IS REPEALED, REENACTED AND AMENDED TO READ AS FOLLOWS:

Unless displaced by the provisions of KRS 383.505 to 383.715, the principles of law and equity, including the law relating to capacity to contract, mutuality of obligations, principal and agent, real property, public health, safety and fire prevention, estoppel, fraud, misrepresentation, duress, coercion, mistake, bankruptcy, or other validating or invalidating cause supplement its provisions.

SECTION 4. KRS 383.515 IS REPEALED AND REENACTED.

KRS 383.505 to 383.715 being a general act intended as a unified coverage of its subject matter, no part of it is to be construed as impliedly repealed by subsequent legislation if that construction can reasonably be avoided.

SECTION 5. KRS 383.520 IS REPEALED AND REENACTED.

(1) The remedies provided by KRS 383.505 to 383.715 shall be so administered that an aggrieved party may recover appropriate damages. The aggrieved party has a duty to mitigate damages.

(3) The landlord and tenant of a single family residence may agree in writing that the tenant perform the landlord's duties specified in paragraph (e) of subsection (1) and also specified repairs, maintenance tasks, alterations, and remodeling, but only if the transaction is entered into in good faith and not for the purpose of evading the obligations of the landlord.

(b) It is reasonably related to the purpose for which it is adopted;

(c) It applies to all tenants in the premises in a fair manner;

(d) It is sufficiently explicit in its prohibition, direction, or limitation of the tenant's conduct to fairly inform him of what he must or must not do to comply;

(e) It is not for the purpose of evading the obligations of the landlord; and

(f) The tenant has notice of it at the time he enters into the rental agreement, or when it is adopted.

(2) If a rule or regulation is adopted after the tenant enters into the rental agreement that works a substantial modification of his bargain it is not valid unless the tenant consents to it in writing.

SECTION 23. KRS 383.615 IS REPEALED AND REENACTED.

(1) A tenant shall not unreasonably withhold consent to the landlord to enter into the dwelling unit in order to inspect the premises, make necessary or agreed repairs, decorations, alterations, or improvements, supply necessary or agreed services, or exhibit the dwelling unit to prospective or actual purchasers, mortgagees, tenants, workmen, or contractors.

(2) A landlord may enter the dwelling unit without consent of the tenant in case of emergency.

(3) A landlord shall not abuse the right of access or use it to harass the tenant. Except in case of emergency or unless it is impracticable to do so, the landlord shall give the tenant at least two days' notice of his intent to enter and may enter only at reasonable times.

(4) A landlord has no other right of access except:

(a) Pursuant to court order;

(b) As permitted by KRS 383.665 and 383.670(2); or

(1) Except as provided in KRS 383.505 to 383.715, if there is a material noncompliance by the landlord

with the rental agreement or a noncompliance with KRS 383.595 materially affecting health and safety, the tenant may deliver a written notice to the landlord specifying the acts and omissions constituting the breach and that the rental agreement will terminate upon a date not less than thirty (30) days after receipt of the notice if the breach is not remedied in fourteen (14) days, and the rental agreement shall terminate as provided in the notice subject to the following:

(a) If the breach is remediable by repairs, the payment of damages or otherwise and the landlord adequately remedies the breach before the date specified in the notice, the rental agreement shall not terminate by reason of the breach.

(b) If substantially the same act or ommission which constituted a prior noncompliance covered by subsection (1) of which notice was given recurs within six (6) months, the tenant may terminate the rental agreement upon at least fourteen (14) days written notice specifying the breach and the date of termination of the rental agreement.

(c) The tenant may not terminate for a condition caused by the deliberate or negligent act or omission of the tenant, a member of his family, or other person on the premises with his consent.

(3) The remedy provided in subsection (2) is in addition to any right of the tenant arising under subsection (1) of this section.

(a) Terminate the rental agreement upon at least five (5) days' written notice to the landlord and upon termination the landlord shall return all prepaid rent and damage fee; or

(b) Demand performance of the rental agreement by the landlord and, if the tenant elects, maintain an action for possession of the dwelling unit against the landlord or any person wrongfully in possession and recover the damages sustained by him.

(2) If a person's failure to deliver possession is willful and not in good faith, an aggrieved person may recover from that person an amount not more than three (3) months' periodic rent or threefold the actual damages sustained, whichever is greater, and reasonable attorney's fees.

SECTION 27. KRS 383.635 IS REPEALED AND REENACTED.

If the landlord willfully fails to comply within fourteen (14) days after being notified by the tenant in writing or as promptly as conditions require in case of emergency, the tenant may cause the work to be done in a workmanlike manner and, after submitting to the landlord an itemized statement for the work actually done and for which the tenant has paid in full, deduct from his rent the actual and reasonable cost or the fair and reasonable value of the work, not exceeding the amount specified in this subsection.

(2) A tenant may not repair at the landlord's expense if the condition was caused by the deliberate or negligent act or omission of the tenant, a member of his family, or other person on the premises with his consent.

SECTION 28. KRS 383.640 IS REPEALED AND REENACTED.

(1) If, contrary to the rental agreement of KRS 383.595, the landlord willfully fails to supply heat, running water, hot water, electric, gas, or other essential service, the tenant may give written notice to the landlord specifying the breach and may:

(b) Recover damages based upon the diminution in the fair rental value of the dwelling unit; or

(c) Procure reasonable substitute housing during the period of the landlord's noncompliance, in which case the tenant is excused from paying rent for the period of the landlord's noncompliance.

(2) In addition to a remedy provided in paragraph (c) of subsection (1) the tenant may recover reasonable attorney's fees.

(3) If the tenant proceeds under this section, he may not proceed under KRS 383.625 or 383.635 as to that breach.

(4) Rights of the tenant under this section do not arise until he has given notice to the landlord or if the condition was caused by the deliberate or negligent act or omission of the tenant, a member of his family, or other person on the premises with his consent.

SECTION 29. KRS 383.645 IS REPEALED AND REENACTED.

(1) In an action for possession based upon nonpayment of the rent or in an action for rent when the

tenant is in possession, the tenant may counterclaim for any amount he may recover under the rental agreement of KRS 383.565. In that event the court from time to time may order the tenant to pay into court all or part of the rent accrued and thereafter accruing, and shall determine the amount due to each party. The party to whom a net amount is owed shall be paid first from the money paid into court, and the balance by the other party. If no rent remains due after application of this section, judgment shall be entered for the tenant in the action for possession. If the defense or counterclaim by the tenant is without merit and is not raised in good faith, the landlord may recover reasonable attorney's fees.

(2) In an action for rent when the tenant is not in possession, he may counterclaim as provided in subsection (1) but is not required to pay any rent into court.

SECTION 30. KRS 383.650 IS REPEALED AND REENACTED.

(1) If the dwelling unit or premises are damaged or destroyed by fire or casualty or so injured by the elements, act of God, or other cause to an extent that enjoyment of the dwelling unit is substantially impaired, the tenant or the landlord may terminate the rental agreement upon fourteen (14) days notice; however, the tenant may immediately vacate the premises.

(2) If the rental agreement is terminated under provision of this section the landlord shall return all the unused portion of the prepaid rent. Accounting for rent in the event of termination or apportionment shall be made as of the date of the casualty.

SECTION 31. KRS 383.655 IS REPEALED AND REENACTED.

If a landlord unlawfully removes or excludes the tenant from the premises or willfully diminishes services to the tenant by interrupting or causing the interruption of heat, running water, hot water, electric, gas, or other essential service, the tenant may recover possession or terminate the rental agreement and, in either case, recover an amount not more than three (3) months periodic rent and a reasonable attorney's fee. If the rental agreement is terminated, the landlord shall return all prepaid rent.

SECTION 32. KRS 383.660 IS REPEALED AND REENACTED.

(1) Except as provided in KRS 383.505 to 383.715, if there is a material noncompliance by the tenant with the rental agreement or a material noncompliance with KRS 383.605 or 383.610, the landlord may deliver a written notice to the tenant specifying the acts and omissions constituting the breach and that the rental agreement will terminate upon a date not less than fourteen (14) days after receipt of the notice. If the breach is not remedied in fifteen (15) days, the rental agreement shall terminate as provided in the notice subject to the following. If the breach is remediable by repairs or the payment of damages or otherwise and the tenant adequately remedies the breach before the date specified in the notice, the rental agreement shall not terminate. If substantially the same act or omission which constituted a prior noncompliance of which notice was given recurs within six (6) months, the landlord may terminate the rental agreement upon at least fourteen (14) days' written notice specifying the breach and the date of termination of the rental agreement.

(2) If rent is unpaid when due and the tenant fails to pay rent within seven (7) days after written notice by the landlord of nonpayment and his intention to terminate the rental agreement if the rent is not paid within that period, the landlord may terminate the rental agreement.

(3) Except as provided in KRS 383.505 to 383.715, the landlord may recover damages and obtain injunctive relief for any noncompliance by the tenant with the rental agreement or KRS 383.605 or 383.610. If the tenant's noncompliance is willful the landlord may recover actual damages and reasonable attorney's fees.

SECTION 33. KRS 383.665 IS REPEALED AND REENACTED.

If there is noncompliance by the tenant with KRS 383.605 or 383.610 materially affecting health and safety that can be remedied by repair, replacement of a damaged item or cleaning, and the tenant fails to comply as promptly as conditions require in case of emergency or within fourteen (14) days after written notice by the landlord specifying the breach and requesting that the tenant remedy it within that period of time, the landlord may enter the dwelling unit and cause the work to be done in a workmanlike manner and submit the itemized bill for the actual and reasonable cost or the fair and reasonable value thereof as rent on the next date periodic rent is due, or if the rental agreement has terminated, for immediate payment.

SECTION 34. KRS 383.670 IS REPEALED AND REENACTED.

(1) If the rental agreement requires the tenant to give notice to the landlord of an anticipated extended absence in excess of seven (7) days as required in KRS 383.620 and the tenant willfully fails to do so, the landlord may recover actual damages from the tenant.

(2) During any absence of the tenant in excess of seven (7) days, the landlord may enter the dwelling unit at times reasonably necessary.

(3) If the tenant abandons the dwelling unit, the landlord shall make reasonable efforts to rent it at a fair rental. If the landlord rents the dwelling unit for a term beginning before the expiration of the rental agreement, it terminates as of the date of the new tenancy. If the landlord fails to use reasonable efforts to rent the dwelling unit at a fair rental or if the landlord accepts the abandonment as a surrender, the rental agreement is deemed to be terminated by the landlord as of the date the landlord has notice of the abandonment. If the tenancy is from month-to-month or week-to-week, the term of the rental agreement for this purpose is deemed to be a month or a week, as the case may be.

SECTION 35. KRS 383.675 IS REPEALED AND REENACTED.

Acceptance of rent with knowledge of a default by the tenant or acceptance of performance by him that varies from the terms of the rental agreement constitutes a waiver of the landlord's right to terminate the rental agreement for that breach, unless otherwise agreed after the breach has occurred.

SECTION 36. KRS 383.680 IS REPEALED, REENACTED AND AMENDED TO READ AS FOLLOWS:

(1) A lien or security interest on behalf of the landlord in the tenant's household goods is not enforceable unless perfected before August 1, *1984* [~~1974~~].

(2) Distraint for rent is abolished.

SECTION 37. KRS 383.685 IS REPEALED AND REENACTED.

If the rental agreement is terminated, the landlord may have a claim for possession and for rent and a separate claim for actual damages for breach of the rental agreement and reasonable attorney's fees as provided in KRS 383.660(3).

SECTION 38. KRS 383.690 IS REPEALED AND REENACTED.

A landlord may not recover or take possession of the dwelling unit by action or otherwise, including willful diminution of services to the tenant by interrupting or causing the interruption of heat, electric, running water, hot water, gas, or other essential service to the tenant, except in case of abandonment, surrender, or as permitted in KRS 383.505 to 383.715.

SECTION 39. KRS 383.695 IS REPEALED AND REENACTED.

(1) The landlord or the tenant may terminate a week-to-week tenancy by a written notice given to the other at least seven (7) days before the termination date specified in the notice.

(2) The landlord or the tenant may terminate a month-to-month tenancy by a written notice given to the other at least thirty (30) days before the periodic rental date specified in the notice.

(3) The landlord or the tenant may terminate a tenancy begun upon the termination of a written lease by written notice given to the other at least ten (10) days before the termination date specified in the notice, except that if the tenant fails to pay rent within ten (10) days after the day it becomes due, the landlord may terminate the tenancy at any time without notice.

(4) If the tenant remains in possession without the landlord's consent after expiration of the term of the rental agreement or its termination, the landlord may bring an action for possession and if the tenant's holdover is willful and not in good faith the landlord may also recover an amount not more than three (3) months' periodic rent or threefold the actual damages sustained by him, whichever is greater, and reasonable attorney's fees. If the landlord consents to the tenant's continued occupancy, KRS 383.565(3) applies.

SECTION 40. KRS 383.700 IS REPEALED AND REENACTED.

(1) If the tenant refuses to allow lawful access, the landlord may obtain injunctive relief to compel access, or terminate the rental agreement. In either case the landlord may recover actual damages and reasonable attorney's fee.

(2) If the landlord makes an unlawful entry or a lawful entry in an unreasonable manner or makes repeated demands for entry otherwise lawful but which have the effect of unreasonably harassing the tenant, the tenant may obtain injunctive relief to prevent the reoccurrence of the conduct or terminate the rental agreement. In either case the tenant may recover actual damages and reasonable attorney's fees.

SECTION 41. KRS 383.705 IS REPEALED AND REENACTED.

(1) Except as provided in this section, a landlord may not retaliate by increasing rent or decreasing services or by bringing or threatening to bring an action for possession after:

(a) The tenant has complained to a governmental agency charged with responsibility for enforcement of a building or housing code of a violation applicable to the premises materially affecting health and safety;

(b) The tenant has complained to the landlord of a violation under KRS 383.595;

(c) The tenant has organized or become a member of a tenant's union or similar organization.

(2) If the landlord acts in violation of subsection (1) of this section, the tenant is entitled to the remedies provided in KRS 383.655 and has a defense in any retaliatory action against him for possession. In an action by or against the tenant, evidence of a complaint within one year before the alleged act of retaliation creates a presumption that the landlord's conduct was in retaliation. The presumption does not arise if the tenant made the complaint after notice of a proposed rent increase or diminution of services. "Presumption" means that the trier of fact must find the existence of the fact presumed unless and until evidence is introduced which would support a finding of its nonexistence.

(3) Notwithstanding subsections (1) and (2) of this section, a landlord may bring an action for possession if:

(a) The violation of the applicable building or housing code was caused primarily by lack of reasonable care by the tenant or other person in his household or upon the premises with his consent;

(b) The tenant is in default in rent; or

(c) Compliance with the applicable building or housing code requires alteration, remodeling, or demolition which would effectively deprive the tenant of use of the dwelling unit.

(4) The maintenance of an action under subsection (3) of this section does not release the landlord

from liability under KRS 383.625(2).

SECTION 42. KRS 383.715 IS REPEALED, REENACTED AND AMENDED TO READ AS FOLLOWS:

[~~(1) The provisions of KRS 383.505 to 383.715 shall apply only to Counties containing cities of the First Class and Urban-County Governments.~~

~~(2)~~] KRS 383.505 to *383.710* [~~383.715~~] shall be known and may be cited as the "Uniform Residential Landlord and Tenant Act."

Section 43. The following KRS sections are repealed:
383.530 Territorial application.
383.710 Validity of existing transactions.

HJR 17, A RESOLUTION continuing the Kentucky Water Management Task Force.

WHEREAS, the General Assembly realizes the extreme importance of the state's water resource to the health and welfare of all Kentuckians; and

WHEREAS, the 1982 General Assembly created the Kentucky Water Management Task Force to assist the Natural Resources and Environmental Protection Cabinet "... in the development of a plan for the total management of the state's water resource;" and

WHEREAS, the task force created by the 1982 General Assembly has worked hard to accomplish its mission and has recommended legislation for introduction in the 1984 session; and

WHEREAS, the General Assembly is aware that the proper planning for the wisest utilization of the state's water resource is complex and time consuming and requires additional fact-findings;

NOW, THEREFORE,

Be it resolved by the General Assembly of the Commonwealth of Kentucky:

Section 1. That the Legislative Research Commission, intending to obtain information and determine the facts about the management of Kentucky's water resource, shall appoint members to serve on the reconstituted Kentucky Water Management Task Force. The task force shall consist of the following members: two members of the House of Representatives, one member of the Senate; and one each from the Natural Resources and Environmental Protection Cabinet, Kentucky Geological Survey, the Kentucky Department of Agriculture, the Commerce Cabinet, the Kentucky Association of Counties, the Kentucky Rural Water Association, Inc., the Kentucky Rivers Coalition, and the Society of Professional Engineers. The member from the Commerce Cabinet shall be experienced in economic development. The member from the Society of Professional Engineers shall be experienced in water-related projects. One of the three members of the General Assembly appointed to the task force shall be chairperson.

Section 2. The Kentucky Water Management Task Force shall obtain information from any source for the purpose of determining the facts in relation to the following:

(1) Development and implementation of state government's plan for the management of the Commonwealth's water as provided in KRS Chapters 146, 151 and 224.

(2) Revising the state law on the issuance of permits to withdraw water from surface and groundwater sources, the allocation of water, and the coordination of the state's water management plan with the issuance of water withdrawal permits.

Section 3. That state agencies shall report information to the task force as requested.

Section 4. That each of the state agencies having a member on the task force shall assign a staff person to work with the task force to assure that the task force can accomplish its purpose. The role of the

Legislative Research Commission staff shall be to coordinate the staff assigned by the state agencies.

Section 5. That the members of the task force shall be reimbursed their expenses in attending meetings. It is estimated that the operation of the task force will cost approximately $24,000, such monies to be provided from the regular budget of the Legislative Research Commission.

Section 6. That the task force shall report its findings, conclusions, recommendations, and legislative proposals to the Legislative Research Commission by September 1, 1985.

SECTION 1. A NEW SECTION OF KRS CHAPTER 179 IS CREATED TO READ AS FOLLOWS:

(1) Upon a finding by the fiscal court that there exists an unabated dust nuisance on a county road resulting from the transportation of natural resources by truck, said court may require the producers of the natural resources that are being hauled on said road to treat said road to control dust. The cost of treatment shall be apportioned among all producers of natural resources using said road. If a producer does not pay his proportionate share within sixty (60) days of the mailing of the bill, the fiscal court may prohibit the movement of the producer's natural resources on county roads until the charges are paid.

(2) The proportionate share of costs of any producer shall be determined as the percentage which the tonnage of natural resources hauled by or for the producer over county roads bears to the total tonnage of natural resources hauled on the county roads. The fiscal court shall consult with producers to devise an equitable method for determining proportionate cost shares before instituting charges, but the fiscal court shall be the final authority in determining proportionate costs.

(3) Treatment of county roads for dust pursuant to this section shall not include paving, or laying of rock.

(1) The following rights shall be afforded police officers employed by a city of the first class:

(a) Any complaint taken from any individual alleging misconduct on the part of any police officer, shall be taken under oath in the form of an affidavit, signed, and sworn to by the complainant and duly notarized.

(b) No threats, promises, or coercions shall be used at any time against any police officer while he or she is a suspect in a criminal or departmental matter. Suspension from duty with or without pay, or reassignment to other than an officer's regular duties during such period shall not be deemed coercion.

(c) No police officer shall be subjected to interrogation in a departmental matter involving alleged misconduct on his or her part, until forty-eight (48) hours have expired from the time the request for interrogation is made to the accused officer, in writing; however, such police officer may be required to submit a written report of the alleged incident no later than the end of the tour of duty in which the incident is alleged to have occurred.

(d) If a police officer is under arrest, or likely to be arrested, or a suspect in any criminal investigation he or she shall be afforded the same constitutional due process rights that are accorded to any civilian, including, but not limited to the right to remain silent, the right to counsel, and shall be notified of those rights before any questioning commences. Nothing in this section shall prevent the suspension with or without pay or reassignment of such police officer pending disposition of such charges.

(e) Any charge involving violation of any city rule or regulation shall be made in writing with sufficient specificity so as to fully inform the police officer of the nature and circumstances of the alleged violation in order that he or she may be able to properly defend himself or herself. Said charge shall be served on the police officer in writing.

(f) When a police officer has been charged with a violation of departmental rules or regulations, no public statements shall be made concerning the alleged violation by any person or persons of the city or the police officer so charged, until final disposition of the charges.

(g) No police officer as a condition of continued employment by the city shall be compelled to speak or testify or be questioned by any person or body of a non-governmental nature.

(2) If, in a city of the first class, an officer has the right to a hearing conducted by the appointing authority or the civil service board pursuant to KRS 90.190, the following administrative due process rights shall be recognized and these shall be the minimum rights afforded any police officer:

(a) The accused police officer shall have been given at least seventy-two (72) hours notice of any hearing.

(b) Copies of any sworn statements or affidavits to be considered by the hearing authority shall be furnished to the police officer no less than twenty-four (24) hours prior to the time of the hearing.

(c) If the hearing is based upon a complaint of an individual, the individual shall be notified to appear at the time and place of the hearing by certified mail, return receipt requested.

(d) If the return receipt, as hereinabove referred to, has been returned unsigned, or the individual does not appear, except where due to circumstances beyond his control he cannot appear, at the time and place of the hearing, any charge made by that individual shall not be considered by the hearing authority and shall be dismissed with prejudice.

(e) The accused police officer shall have the right and opportunity to obtain and have counsel present, and to be represented by the counsel.

(f) The accused police officer shall be allowed to have presented witnesses and any documentary evidence the police officer wishes to provide to the hearing authority, and shall have the right to cross-examination of any and all witnesses called by the charging party.

(g) If a police officer entitled to a hearing pursuant to KRS 90.190(1) is not given a hearing within sixty (60) days of the written demand, unless justifiable cause is given for the continuance, the charges shall be dismissed with prejudice and not be considered by any administrative adjudicating body; however, a police officer who has appealed a disciplinary action may agree to a continuance to a date certain.

(3) As the provisions of this section relate to a minimum system of professional conduct, nothing herein shall be construed as limiting or in any way affecting any rights previously afforded to police officers in a city of the first class by statute, ordinance or working agreement.

The department of libraries and archives in recommending persons to the county judge/executive for appointment to the board shall recommend twice as many persons for each county as the county is entitled to have members appointed, and the county judge/executive shall immediately, with the approval of the fiscal court, make his selection from those recommended. Where the district consists of one (1) county, the county judge/executive shall appoint five (5) persons from that county as members. The department of libraries and archives shall prescribe by regulation the number of board members when the district consists of more than one (1) county, provided that the board shall consist of not less than one (1) nor more than four (4) members from each county, each county having such number of members as the proportion of its population bears to the total population in the district, and that the total membership of the board consists of not less than five (5) members. Where a county joins an already established district, the department of library and archives shall, *from among the signers of the petition,* recommend to the county judge/executive of each county included in the new district *for the first time* twice as many persons for appointment to the board as the county is entitled to have appointed, and the county judge/executive shall select the members for his county from this list. HB 417, AN ACT relating to abortion.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 311.723 is amended to read as follows:

(1) No abortion shall be performed except by a physician after either:

(a) He determines that, in his best clinical judgment, the abortion is necessary; or

(b) He receives what he reasonably believes to be a written statement signed by another physician, hereinafter called the "referring physician," certifying that in the referring physician's best clinical judgment the abortion is necessary, and, in addition, he receives a copy of the report form required by KRS 213.055.

(2) No abortion shall be performed except in compliance with regulations which the *cabinet* [~~department~~] shall issue to assure that:

(a) Before the abortion is performed, the pregnant woman shall have a private medical consultation either with the physician who is to perform the abortion or with the referring physician in a place, at a time and of a duration reasonably sufficient to enable the physician to determine whether, based upon his best clinical judgment, the abortion is necessary;

(b) The physician who is to perform the abortion or the referring physician will describe the basis for his best clinical judgment that the abortion is necessary on a form prescribed by the *cabinet* [~~department~~] as required by KRS 213.055; and

(c) Paragraph (a) of this subsection shall not apply when, in the medical judgment of the attending physician based on the particular facts of the case before him, there exists a medical emergency. In such a case, the physician shall describe the basis of his medical judgment that an emergency exists on a form prescribed by the *cabinet* [~~department~~] as required by KRS 213.055.

(3) *No abortion of a viable unborn child shall be performed unless necessary to preserve the life or health of the woman. Before a physician may perform an abortion upon a pregnant woman after her unborn child has become viable, the physician shall first certify on a form prescribed by the cabinet as required by KRS 213.055 that the abortion is necessary to preserve the life or health of the woman and the medical indications for such abortion and the probable health consequences.*

(4) Notwithstanding any statute to the contrary, nothing in this chapter shall be construed as prohibiting a physician from prescribing or a woman from using birth control methods or devices, including, but not limited to, intrauterine devices, oral contraceptives, or any other birth control method or device.

Section 2. KRS 311.780 is amended to read as follows:

(1) No abortion shall be performed or prescribed knowingly after the unborn child may reasonably be expected to have reached viability, except when necessary to preserve the life or health of the woman. In those instances where an abortion is performed under this section, the person performing the abortion shall take all reasonable steps in keeping with reasonable medical practices to preserve the life and health of the child, including but not limited to KRS 311.760(2).

(2) Any physician who performs an abortion upon a woman carrying a viable unborn child shall utilize the available method or technique of abortion most likely to preserve the life and health of the unborn child. In cases where this would present a greater risk to the life and health of the woman than another available method or technique, the physician may utilize the other method or technique. In all cases where the physician performs an abortion upon a viable unborn child, the physician shall certify on a form prescribed by the cabinet as required by KRS 213.055 the available method or techniques considered and the reasons for choosing the method or technique employed.

(3) An abortion of a viable unborn child shall be performed or induced only when there is in attendance a physician other than the physician performing or inducing the abortion who shall take control of and provide immediate medical care for a child born as a result of the abortion. During the performance of the abortion, the physician performing it, and subsequent to the abortion, the attending physician shall take all reasonable steps in keeping with good medical practice, consistent with the procedure used, to preserve the life and health of the viable unborn child; provided that it does not pose an increased risk to the life or health of the woman.

(4) Subsection (3) shall not apply when, in the medical judgment of the performing physician based on the particular facts of the case before him, there exists a medical emergency. In such a case, the physician shall describe the basis of his medical judgment that an emergency exists on a form prescribed by the cabinet as required by KRS 213.055.

(1) Recognizing the necessity for grouping related functions of organizational units and administrative bodies in order to promote greater economy, efficiency and improved administration, the governor *and other elected state executive officers* may propose to the general assembly, for its approval, changes in the state government organizational structure which may include the creation, alteration or abolition of any organizational unit or administrative body and the transfer of functions, personnel, funds, equipment, facilities and records from one (1) organizational unit or administrative body to another.

this section the presiding co-chairman of the legislative research commission shall determine which interim joint legislative committee has appropriate jurisdiction and shall refer the plan to such committee within ten (10) days after the director of the legislative research commission receives the proposal. Should the employer elect not to make the additional payment, then the employe may make the lump sum payment in his own behalf. If neither the employer nor employe makes the payment, the service prior to hazardous coverage shall remain nonhazardous.

(4) The normal retirement age, retirement allowance and other benefits, eligibility requirements, rights and responsibilities of a member in a hazardous position, as prescribed by subsections (1), (2) and (3) of this section, and the responsibilities, rights and requirements of his employer shall be as prescribed for a member and employer participating in the state police retirement system as provided for by KRS 16.510 to 16.652, except the mandatory retirement provisions of KRS 16.576(1) and the maximum employment age in KRS 16.520(2) shall not be applicable.

(5) Any person employed in a hazardous position after July 1, 1972 shall be required to undergo a thorough medical examination by a licensed physician, and a copy of the medical report of the physician shall be retained on file by the employe's department or county and made available to the board upon request.

Section 9. KRS 61.607 is amended to read as follows:

Notwithstanding any other provisions of KRS 16.505 to 16.652 or 61.510 to 61.692 or 78.510 to 78.852 a maximum disability benefit is hereby established which shall apply, upon disability retirement, to any disabled employes' account to which service credit is added to determine disability benefits or in any case where disability benefits are determined by computing a percentage of the disabled employe's final monthly rate of pay. The maximum disability benefit shall be determined by the following formula:

(a) Add the monthly benefit payable to the disabled employe from the retirement system, using the monthly disability retirement allowance (not optional plan) but excluding dependent children's allowances, if any, to his monthly benefit, if any, from social security, even though these payments may not begin for a period of time as required for qualification under the federal social security law, excluding spouse or dependent benefits, and his monthly benefit, if any, from workmen's compensation, even though these payments may not have begun as of the date the disabled member applies for disability retirement benefits, excluding spouse or dependent children's allowances, from workmen's compensation, to arrive at a projected combined monthly benefit.

(b) If the projected combined monthly benefit exceeds one hundred percent (100%) of the disabled employe's final rate of pay or his final compensation, whichever is greater, his disability retirement allowance from the retirement system shall be reduced to an amount which would cause his projected combined monthly benefit to equal one hundred percent (100%) of his final [~~monthly~~] rate of pay or his final compensation, whichever is greater; however, the disability retirement allowance shall not be reduced below an amount which would result from a computation of his disability retirement allowance from the retirement system using the disabled employe's actual total service.

(c) The board is hereby authorized to pay estimated benefits to a disabled employe, upon qualification for disability retirement, based on an estimate of his social security and workmen's compensation benefits until such amounts are actually determined, at which time a final calculation of the member's actual benefits shall be determined and his account corrected retroactive to his effective retirement date.

(d) Any increase in social security benefits or workmen's compensation benefits which becomes law (regardless of their effective date) subsequent to the disabled employe's effective retirement date shall not be considered in determination of the maximum benefit payable, as the maximum benefit payable is based on the amount of combined benefits under these programs as of the disabled employe's effective retirement date.

(e) Any disabled recipient whose potential payments from the system where reduced as provided for in this section shall advise the board if his payments under the federal social security act or workmen's compensation act cease at any time subsequent to his effective retirement date. Upon investigation, should the board determine that such disabled recipient continues to be eligible for disability benefits, the board may increase his retirement allowance by adding to his payment an amount equal to the reduction applied upon the effective retirement date in accordance with subsection (b) of this section.

Section 10. KRS 61.665 is amended to read as follows:

(1) The board shall employ at least three (3) physicians, practicing in the state and not members of the system, upon such terms and conditions as it may prescribe, whose duty it shall be to pass upon all medical examinations required under KRS 61.510 to 61.705 and 16.505 to 16.652 and 78.510 to 78.852 or by the

(2) (a) Each employe requesting disability retirement shall furnish the retirement office with the names and addresses of two (2) or more physicians who have the necessary information to report the employe's physical and mental condition.

(b) The board shall prescribe forms upon which medical evidence shall be recorded. The forms shall be sent to the employe's physicians with the request that the documents be filed with the board.

(c) The cost of a medical examination shall be paid by the employe. The physicians shall be paid a reasonable amount by the retirement system for the filing of the medical report with the retirement office.

(d) The board shall select two (2) medical examiners who shall evaluate the medical evidence submitted by the employe's physician. The examiners shall recommend that disability retirement be approved, or that disability retirement be denied. A third medical examiner shall review the medical evidence when necessary to provide a consensus if the recommendations of the first two (2) medical examiners do not agree.

(e) If the medical examiners recommend that the employe be approved for disability retirement, the general manager shall proceed to make retirement payments in accordance with the retirement plan selected by the employe.

(f) If the medical examiners recommend that the employe be denied disability retirement, the general manager shall notify the board and the employe of this recommendation. HR 24, A RESOLUTION relating to the Kentucky Public Employes Deferred Compensation System and directing an investigation of the management of funds deducted for investment thereby.

WHEREAS, delays in the processing of payroll deductions by the Treasury Department, the administrators of the Deferred Compensation Plan, or both continue to occur despite repeated interim legislative inquiries; and

That the Chairman of the House Committee on State Government shall be and is hereby directed to appoint a Subcommittee of said Committee to investigate the processing, investment and reporting of funds contributed by payroll deduction to the Kentucky Public Employes Deferred Compensation System.

WHEREAS, the private, non-profit child care sector in Kentucky provides primary residential care and treatment facilities for the Commonwealth's dependent, neglected, abused and status-offense children; and

WHEREAS, the predominant number of children served by private non-profit child-caring agencies are committed to the Cabinet for Human Resources and the Cabinet is therefore responsible for the cost of their care; and

WHEREAS, the system of reimbursement established by the Cabinet for Human Resources reimburses only a small portion of agency services rendered even when such services are mandated by state licensure regulations; and

WHEREAS, it has been determined there is no realistic parity between Kentucky's Cabinet for Human Resources aforementioned reimbursement system and those of the surrounding states or southeastern states; and

WHEREAS, such reimbursement system should serve as an incentive and an enabling process for the development of quality child care programs;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

Section 1. The Legislative Program Review and Investigations Committee is directed to study the Cabinet for Human Resources' reimbursement system for services rendered to dependent, neglected, abused, and status-offense children by private, non-profit child-caring agencies.

Section 2. The study should include an analysis of costs of services rendered based on level of care, a comparative analysis of costs of services rendered by state operated and by private, non-profit child-caring programs, and a comparative study of similar reimbursement systems in other southeastern states.

Section 3. The Legislative Program Review and Investigations Committee shall report its findings and recommendations as to a fair and appropriate system of reimbursement to the Kentucky General Assembly no later than January 1, 1985.

SJR 1, A JOINT RESOLUTION declaring August 2nd as "Handicapped Day" throughout the Commonwealth.

WHEREAS, many of our fellow Kentuckians are disabled or physically or mentally handicapped; and

WHEREAS, our society far too often fails to recognize and appreciate the talents and contributions of disabled and handicapped persons; and

WHEREAS, this honorable body is proud to commend each and every disabled and handicapped person in the state as an exemplary representative of the Commonwealth;

NOW, THEREFORE,

Be it resolved by the General Assembly of the Commonwealth of Kentucky:

That August 2nd of each year is named and declared to be "Handicapped Day" throughout the Commonwealth.

SCR 6, A CONCURRENT RESOLUTION establishing a commission on financing health care for the medically indigent.

WHEREAS, it is widely acknowledged that rising health care costs, and high rates of unemployment and poverty have resulted in at least 15% of all Kentuckians being uninsured or underinsured for health expenses; and

WHEREAS, the lack of adequate health insurance coverage often results in a lack of access to quality health care services; and

WHEREAS, recent changes in Medicaid and Medicare payment policies have resulted in a curtailment of services, higher levels of unreimbursed care by health providers, and certain disincentives to treating those without financial resources; and

WHEREAS, eligibility restrictions under the Kentucky Medical Assistance Program disqualify many persons who are without adequate personal resources to pay for needed care; and

WHEREAS, the Commonwealth of Kentucky has undertaken to subsidize health care for the medically indigent through appropriations to state university teaching hospitals, specialized perinatal programs in regional hospitals, public health programs, the Kentucky Medical Assistance Program and various other programs; and

WHEREAS, the Congress of the United States is actively considering legislation to provide health insurance coverage to the unemployed; and

WHEREAS, study of the financing of health care for the medically indigent will enable members of the General Assembly to assess the extent and seriousness of the problem, and to determine whether previous appropriations are being expended in a cost-effective manner;

NOW, THEREFORE,

Be it resolved by the Senate of the General Assembly of the Commonwealth of Kentucky, the House of Representatives concurring therein:

The Commission shall develop a report to the Legislative Research Commission on financing health care for the medically indigent and make recommendations on the optimal use and distribution of state funds for this purpose, and on other steps the General Assembly might take to insure that reasonable levels of medical care are available to all the citizens of the Commonwealth, regardless of their ability to pay.

The petition shall state the grounds upon which the review is asked and shall pray that the order of the board be modified or set aside in whole or in part. A copy of such petition shall be forthwith served upon any member of the board and thereupon the board shall certify and file in the court a transcript of the record upon which the order complained of was entered. No new or additional evidence shall be introduced in the Franklin Circuit Court except as to fraud or misconduct affecting the outcome of the case, but the court shall otherwise hear the case upon the record as attested by the executive *director* [~~secretary~~] of the accountancy board, and shall in all respects dispose of the appeal in a summary manner. (2) The restrictions and limitations of this section shall not extend or apply to *automobile,* life, health, accident or disability insurance, or where those groups are engaged in a joint venture or a common construction or demolition project.

HB 494, AN ACT relating to manufactured homes.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 360.150 is amended to read as follows:

(1) As used in this section, unless the context otherwise requires:

(a) "Lender" means a person regularly engaged in the business of selling or financing manufactured homes*:*

1. Who is an arranger of credit*;* [~~,~~] or

2. Who regularly extends consumer credit that is subject to a finance charge or is payable by written agreement in more than four (4) installments (not including a down payment) and to whom the obligation is initially payable, either on the face of the note or contract, or by agreement when there is no note or contract*;*[~~.~~]

(b) "Interest" means finance charge expressed as an annual percentage rate. The finance charge is the cost of consumer credit as a dollar amount. It includes any charge payable directly or indirectly by the lender as an incident to or a condition of the extension of credit*;*[~~.~~]

(c) "Manufactured home" means a *moveable dwelling unit, designed and constructed for permanent occupancy by a single family, which dwelling contains permanent eating, cooking, sleeping, and sanitary facilities; or a* prefabricated dwelling that is manufactured in one (1) or more modules at a location other than a homesite and which is designed to be used as a residence when the modules are transported to the homesite, and the modules are joined together and installed on a permanent foundation system. The term includes the plumbing, heating, air conditioning, and electrical systems contained in the structure*; and*[~~.~~]

(d) "Manufactured home financing transaction" shall include both the credit sale of a manufactured home and a direct loan used to finance the purchase of a manufactured home.

(2) A manufactured home financing transaction may provide for a fixed rate of interest payable in substantially equal successive installments over a fixed term, or may provide that the rate of interest may be adjusted at certain regular intervals. In this latter event, the manufactured home financing transaction shall be subject to the provisions in this section.

(3) Adjustments in the interest rate charged must be based on changes in a specific index, as set forth in the financing agreement. The index may be only:

(a) The monthly average yield on United States treasury securities adjusted to a constant maturity of five (5) years; or

(b) An index approved by the federal home loan bank board or by the office of the comptroller of the currency, department of the treasury, for adjustable or variable interest rates on residential mortgage loans.

(4) The rate of interest shall not increase or decrease during the six-month period beginning with the date of execution of the financing agreement, and at least six (6) months shall elapse between changes.

(5) Adjustments, either up or down, to the rate of interest on each adjustment date shall, for the initial adjustment, be equal to the difference between the index value in effect on the first day of the second calendar month preceding the adjustment date and the value in effect on the first day of the month in which the financing agreement is executed. For adjustments after the initial adjustment, adjustments shall be equal to the difference between the index value in effect on the first day of the second month preceding the adjustment date and the index value in effect on the first day of the second month preceding the date of the immediately preceding rate adjustment.

(6) Where the stated regular interval between rate adjustments is six (6) months, an adjustment to the interest rate may not result in a rate of interest which is more than one (1) percentage point greater or less than the interest rate in effect prior to such adjustment. If the stated regular interval between rate adjustments exceeds six (6) months, then the maximum adjustment either up or down shall be one (1) percentage point

multiplied by the number of whole consecutive six (6) month periods in the interval between rate adjustments.

(7) Any increase in the rate of interest permitted by this section shall be optional with the creditor. Decreases in the rate of interest shall be mandatory whenever the total decrease in the index value equals or exceeds one-quarter (1/4) of one (1) percentage point.

(8) If the creditor agrees to impose limitations on interest rate changes that are more restrictive than the limitations specified in this section, then such limitations shall apply to both increases and decreases.

(9) Any changes in the index which are not reflected in a rate adjustment may, by agreement of the parties, be carried over to subsequent rate adjustment periods, and be implemented to the extent not offset by opposite movement in the index.

(10) By agreement of the parties, adjustments to the rate of interest may result in changes in the amount of regular installment payments due under the financing agreement, or in changes in the term of the financing agreement, or in a combination of such changes in amount and term. Adjustments to the amount of installment payments may be made less frequently than adjustments to the interest rate.

(11) For all manufactured home financing transactions under this section, the creditor shall comply with all applicable requirements and disclosures pursuant to Part I of the Consumer Protection Act (Truth-In-Lending Act) 15 USC sec. 1601, et. seq., as amended, and as implemented by Regulation Z promulgated by the board of governors of the federal reserve system.

(12) The creditor shall send written notification of any rate adjustment, by first class mail, postage prepaid, at least one (1) month before the date that the new rate of interest shall take effect.

(13) Notwithstanding any of the requirements and limitations set forth by subsections (3) through (12) of this section, the parties may agree on any terms or provisions in the manufactured housing financing agreement as may be authorized or permitted in any program for residential mortgage loans by the federal home loan bank board or by the office of the comptroller of the currency, department of the treasury, or any other federal department, agency or board. In such event, the creditor shall comply with all applicable limitations, requirements and disclosures of the agency that relate thereto.

(2)[~~(3)~~] Each public board, institution or agency, as listed in KRS 161.220(4)(a) through (f) shall, solely for the purpose of compliance with Section 414(h) of the United States Internal Revenue Code, pick up the employe contributions required by this section for all compensation earned after August 1, 1982, and the contributions so picked up shall be treated as employer contributions in determining tax treatment under the United States Internal Revenue Code and KRS 141.010(9). However, each public board, institution or agency shall continue to withhold federal and state income taxes based upon these contributions and hold them in a separate account until the Internal Revenue Service or the federal courts rule that, pursuant to Section 414(h) of the United States Internal Revenue Code, these contributions shall not be included as gross income of the employe until such time as the contributions are distributed or made available to the employe. The picked up employe contribution shall satisfy all obligations to the retirement system satisfied prior to August 1, 1982 by the employe contribution, and the picked up employe contribution shall be in lieu of an employe contribution. Each employer shall pay these picked up employe contributions from the same source of funds which is used to pay earnings to the employe. The employe shall have no option to receive the contributed amounts directly instead of having them paid by the employer to the system. Employe contributions picked up after August 1, 1982 shall be treated for all purposes of KRS 161.220 to 161.714 in the same manner and to the same extent as employe contributions made prior to August 1, 1982.

Section 3. KRS 161.507 is amended to read as follows:

(1) An active contributing member of the teachers' retirement system may receive credit for active service rendered in the armed forces of the United States subject to regulations established by the board of trustees. Such service may be credited only if discharge was other than dishonorable. Service shall be considered as Kentucky teaching service, except that it may not be used for meeting the service requirements set forth in KRS 161.600(1)(a) or 161.661(1). A maximum of six (6) years of such service may be credited but in no case a greater number of years than the actual years of contributing service in Kentucky.

(2) A member having twenty (20) years or more of active duty in the military service, and who is qualified for regular federal retirement benefits based on such service, may not receive credit for any such service in the teachers' retirement system. This subsection shall apply to service presented for credit on July 1, 1975, and thereafter.

(3) A member receiving retirement credit for active duty in the armed services of the United States

shall contribute to the retirement system an amount equal to thirty-five percent (35%) of the actuarial cost for each year of service so credited. Such contributions shall not be picked up, as described in KRS 161.540*(2)*[~~(4)~~]. In purchasing retirement credit for active duty in the armed services the latest years of service shall be considered first in allowing credit toward retirement. The board of trustees shall adopt a table of actuarial factors to be used in calculating the amount of contribution required for crediting such service.

Section 4. KRS 161.515 is amended to read as follows:

(1) For the purposes of this section, "out-of-state service" shall mean service in any state in a comparable position, which would be covered if in Kentucky.

(2)(a) A member in active contributing status who has been a contributing member of the retirement system for at least one (1) full scholastic year, subsequent to the latest out-of-state service, may present for credit, service rendered out-of-state, not to exceed eight (8) such years actually taught as a certified or licensed teacher, provided such member pays to the retirement system an amount equal to the current member contribution to the retirement system based on the first Kentucky salary of the member subsequent to the out-of-state service and in addition thereto interest at a rate to be set by the board of trustees on each annual contribution from the last day of the scholastic year in which the service was rendered to date of payment to the retirement system. Such payments shall not be picked up as described in KRS 161.540*(2)*[~~(4)~~]. For each year of which the retirement system shall accept the contribution and interest, one (1) year of service credit shall be given. Such credit may not be used to meet the service requirements of KRS 161.525, 161.600 or 161.661 except as provided in subsection (2)(c) of this section. No credit shall be granted for service which has been or will be used in qualifying for annuity benefit payments from another retirement system financed wholly or in part by public funds.

(b) A member of the retirement system having teaching service in the elementary or secondary schools operated by the United States overseas or in this country, or in a public college or university in Kentucky, not included in the teachers' retirement system of the state of Kentucky may present such service for credit in the retirement system on the same basis as provided above for out-of-state service credit, however, no such service may be presented which shall be used as a basis for retirement benefits in any program supported wholly or in part by such public institution or governmental agency. Such service when added to service credited under subsection (2)(a) of this section shall not exceed a total of eight (8) years service credit.

(c) A member having service referred to in subsection (2)(a) or (2)(b) of this section may elect to use such service for meeting the requirements of KRS 161.600(1)(b) by making an additional contribution to the state accumulation fund equal to the regular member contributions for each year so used. Such payments shall not be picked up as described in KRS 161.540*(2)*[~~(4)~~]. The salary base to be used in determining this additional contribution shall be the final average salary which is used in calculating the member's regular retirement annuity.

(3) Members entering the teachers' retirement system for the first time, July 1, 1976, and thereafter, shall not receive credit for service defined in subsections (2)(a) and (2)(c) above in excess of one (1) year of credit for each two (2) years of Kentucky service in a covered position or eight (8) years, whichever is the lesser number.

Section 5. KRS 161.545 is amended to read as follows:

Members may make contributions and receive service credit for substitute, part-time or any service other than regular full time teaching as provided in the rules and regulations of the board of trustees. Members placed on leave of absence may make contributions and receive service credit for such leave as provided in rules and regulations adopted by the board of trustees. Contributions permitted after August 1, 1982 shall be picked up pursuant to KRS 161.540*(2)*[~~(4)~~].

Section 6. KRS 161.560 is amended to read as follows:

Each agency employing members of the retirement system shall deduct from the compensation of each member for each payroll period subsequent to the date upon which the teacher became a member such percentage of his earnable compensation as is due under the rates prescribed in KRS 161.540. No later than fifteen (15) days following the end of each payroll period the agency shall forward all amounts so deducted to the teachers' retirement system. The retirement system shall charge the employing agency interest at an annual rate not to exceed twelve percent (12%) for deductions not remitted within the specified fifteen (15) days. Such payroll reports, contributions lists, and other data as may be required by regulation of the board of trustees shall be submitted. The deductions shall be made notwithstanding the fact that the salary as a result may be less than the minimum compensation provided by law. Every member shall be deemed to consent and agree to the deductions and the deductions shall be considered as having been paid to the member. After August 1, 1982, employe contributions shall be picked up by the agency pursuant to KRS 161.540*(2)*[~~(4)~~].

Section 7. KRS 161.565 is amended to read as follows:

Notwithstanding any other provisions of KRS Chapter 161, the contribution of university faculty members may be reduced by amounts up to two and two hundred fifteen thousandths percent (2 215/1000%) if amounts sufficient to replace the reduction are authorized and contributed to the teachers' retirement system by the board of regents of the employing university. After August 1, 1982, any contribution by a university faculty member shall be picked up by the employing university pursuant to KRS 161.540*(2)*[~~(4)~~].

Section 8. KRS 161.595 is amended to read as follows:

(1) Upon service retirement, a member of the teachers' retirement system may obtain credit for all or any part of the service otherwise creditable under the Kentucky employes' retirement system, the county employes' retirement system, or in the service of the United States government for which service credit is not otherwise given, upon the payment by the member of such amount or amounts as are actuarially determined to be equal to the increased liability of the teachers' retirement system by virtue of such additional service credit. Such payments shall not be picked up, as described in KRS 161.540*(2)*[~~(4)~~].

(2) The amount paid under this section shall be considered as accumulated contributions of the individual member.

(3) No person shall be allowed credit for the same period of service in more than one (1) of these three (3) retirement systems.

Section 9. KRS 161.705 is amended to read as follows:

Any member of the teachers' retirement system, or the employer of member, or both, may make voluntary contributions of four percent (4%) or more of the member's annual compensation to the retirement system for the benefit of the member. Such contributions shall not be picked up, as described in KRS 161.540*(2)*[~~(4)~~]. Such contributions shall be invested as provided in KRS 161.430. Separate member accounts shall be maintained for voluntary contributions under rules and regulations enacted by the board of trustees.

(3) If the court determines that probable cause exists, it shall then determine if it is in the best interest of the child and the community to order such a transfer based upon the seriousness of the alleged offense; whether the offense was against person or property, with greater weight being given to offenses against persons; the maturity of the child as determined by his environment; the child's prior record; and the prospects for adequate protection of the public and the likelihood of reasonable rehabilitation of the child by the use of procedures, services, and facilities currently available to the juvenile justice system.

(4) If, following completion of the transfer hearing, the court is of the opinion that the best interest of the child and of the public would be protected by such transfer, the order of transfer shall state the reason for such transfer.

(5) When the juvenile session of district court so transfers a case to the circuit court:

(a) If a grand jury considers the case and is satisfied there is sufficient evidence to indict the child, it shall be instructed that it may either return an indictment or may return a written report to the circuit court recommending that the child be transferred to the juvenile session of district court. If the court believes that such transfer would be proper, it may order the child transferred to the juvenile session of district court.

(b) If an indictment is returned, the court may in its discretion order the case transferred to the juvenile session of district court.

(c) If an indictment is returned and the court does not transfer the case to juvenile session of district court, the child shall be tried as any other defendant.

(d) While under the jurisdiction of the circuit court, the child shall be subject to bail the same as an adult.

SECTION 2. A NEW SECTION OF KRS CHAPTER 61.872 TO 61.884 IS CREATED TO READ AS FOLLOWS:

Section 1. KRS 351.177 is amended to read as follows:

The commissioner shall have the following authority to appoint a special task force to investigate illegal mining relative to violations of KRS Chapters 351 and 352:

(1) A sufficient number of mine inspectors and support personnel shall be assigned for the purpose of this section. Such inspectors shall be responsible for enforcement of the provisions of KRS Chapters 351 and 352 relating to criminal offenses.

(2) To assist with the enforcement of the duties of this section, the department *may* [~~shall~~] contract with the Kentucky state police for services of a sufficient number of police officers who possess adequate training and who shall be empowered to arrest any person either violating or in violation of the provisions of KRS Chapters 351 or 352 that constitute criminal offenses.

(3) In addition to penalties prescribed in KRS 351.990, authorized representatives of the special task force for illegal mining established by this section shall be empowered with the authority to seize and take possession of any equipment being used for the purpose of illegal mining of coal without a valid mine license as required by KRS 351.175.

(4) Upon conviction of any person for violation of mining of coal without a valid mine license as required by KRS 351.175, the court shall order any equipment used in the crime forfeited and sold by sealed bids. Proceeds from such sale shall be deposited in the illegal mining fund as established in subsection (9) of this section.

(5) All property seized under this section shall be subject to the right of any owner or lienor, whose lien is valid and recorded, to intervene and, upon trial or special hearing held for that purpose before the court, establish his rights in the property by proving that the property was being used in connection with mining without a *license* [~~permit~~] without the knowledge, consent or approval of the owner or lienor. If the owner of the property does so prove, the court may order the property restored to him. If the lienor so proves, the court may order a sale of the property by sealed bid with the lienor receiving from such sale the amount of his outstanding lien. However, the department shall deliver any seized property to a lienor whose claim has been established by order of a court of competent jurisdiction upon payment to the department of the difference between the fair market value of the property so seized and the recorded claim of the lienor.

(6) If the defendant is acquitted, all property seized in connection with the arrest of the defendant shall be ordered returned to the rightful owner unless previously returned under subsection (5) of this section.

(7) All expenses associated with the seizure, storing, and if applicable, sale of such property shall be the responsibility of the defendant if he is convicted.

(8) It shall be the duty of all peace officers and other public officers or officials having knowledge of the lawful owner or claimant of property subject to forfeiture to report the same to the court before the act of forfeiture occurs.

(9) There is established a special fund to be known as the "illegal mining fund" which shall be under the control of the department.

(10) The fund shall consist of all moneys from the court ordered sale or forfeiture of said equipment.

(11) Moneys contained in the illegal mining fund shall be deemed a trust and agency account and shall be used solely for the purpose of enforcement of KRS Chapters 351 and 352 by the department.

(12) The department shall have access to and control of the moneys held in the illegal mining fund, but shall expend such moneys only for the purpose set forth in subsection (11) of this section.

When any well is unused for more than thirty (30) days, the operator of such well shall either place the well into its permitted use, obtain a temporary abandonment permit from the department or plug the well.

Section 5. KRS 353.590 is amended to read as follows:

(1) Any person, seeking a permit required by KRS 353.570, shall submit to the department a written application in such form as may be prescribed by the department.

(2) Each application shall be accompanied by a specified fee as follows:

(a) The fee shall be one hundred dollars ($100) for each well to be drilled, deepened or reopened for any purpose relating to the production, repressuring or storage of oil or gas, and for each water supply well, observation well, and geological or structure test hole. *The fee shall not be refunded if the application is processed and found not acceptable. The resubmittal of a rejected application shall be accompanied by a new fee.*

(b) If the department receives delegation of authority for administration of the underground injection control program under Section 1425 of the Safe Drinking Water Act (Public Law 93-523 as amended), the department may, by regulation, establish a fee or schedule of fees in an amount not to exceed fifty dollars ($50.00) per well, in addition to the fees imposed by paragraph (a) of this subsection, upon each application to drill, deepen or reopen a well for any purpose relating to the production, repressuring or storage of oil or gas, and for each water supply well, observation well, and geological or structure test hole. The fees or schedule of fees to be established by regulation shall not exceed an amount sufficient to recover the costs incurred by the department in administering the underground injection control program less any other state or federal funds which are made available for such purpose.

(c) All money paid to the state treasurer for fees required by paragraph (b) of this subsection shall be for the sole use of the department in the administration of the underground injection control program under Section 1425 of the Safe Drinking Water Act (Public Law 93-523 as amended).

(3) All money paid to the state treasurer for licenses and fees required by KRS 353.500 to 353.720 shall be for the sole use of the department and shall be in addition to any moneys appropriated by the general assembly for the use of the department.

(4) Each application shall be accompanied by a plat, which shows the location and elevation of each well, prepared according to the rules and regulations promulgated under KRS 353.500 to 353.720. The plat shall be certified as accurate and correct by *a land surveyor* [~~the applicant, a qualified employe of the applicant, a person approved by the department, or an engineer registered in Kentucky, provided that when the location of the well is known to be underlaid by coal-bearing stratum, such plat shall be certified accurate and correct only by an engineer~~] registered in Kentucky. If any plat submitted by an applicant is determined by the department to be materially inaccurate or incomplete, the department may require that a new plat be prepared and submitted [~~either by a person approved by the director or an engineer registered in Kentucky. The department may further require that all future plats submitted by such an applicant be prepared either by a person approved by the director or an engineer registered in Kentucky~~].

(5) When any person submits to the department of mines and minerals an application for a permit to drill a well, or to reopen, deepen or temporarily abandon any well which is not covered by surety bond, the department shall except as provided in this section, require from the well operator a bond in the sum of *five thousand dollars ($5,000)* [~~$1,000~~] in favor of the department of mines and minerals, conditioned that the well upon abandonment shall be plugged in accordance with the rules and regulations of the department and that all records required by the department be filed as specified. The bond shall remain in effect until the plugging of the well is approved by the department, or the bond is released by the department. Any well operator in lieu of such bond may file with the department a blanket bond in a sum of *one hundred thousand dollars ($100,000)* [~~$5,000~~], covering all wells drilled or to be drilled in the Commonwealth by the principal in the bond, and the acceptance and approval by the department of such blanket bond shall be in full compliance with the above provision requiring an individual well bond. The bond or bonds referred to in this section shall be executed by the well operator as principal and by a corporate surety authorized to do business in the Commonwealth. A deposit in cash shall serve in lieu of either of the above bonds.

(6) *It is required that a successor to the well operator post bond and notify the department in writing in advance of receiving title to a well or wells. Said successor shall assume the obligations of this chapter, as to a particular well or wells, and the original permittee of responsibility under this chapter with respect to such well or wells. It is the responsibility of the selling operator to require the successor operator to post bond before transferring title to said successor. The department may close any well or wells if the bond company notifies the department that said bond or bonds are cancelled. Said notice shall not relieve the bond company of its obligations to the Commonwealth but shall only serve to stop the operation of a well or wells for which the bond company has cause to terminate its operation* [~~Notification in writing to the department by a successor to the well operator with bond as provided in subsection (5) that said successor is assuming the obligations of this chapter as to a particular well or wells, will relieve the original permittee of responsibility under this chapter with respect to such well or wells~~].

(7) If the requirements of subsection (5) with respect to proper plugging upon abandonment and submission of all required records on all well or wells have not been complied with within the time limits set by the department or by this chapter, the department shall cause a notice of noncompliance to be served upon the operator by certified mail, addressed to the permanent address shown on the application for a permit. The notice shall specify in what respects the operator has failed to comply with this chapter or the regulations or orders of the department. If the operator has not reached an agreement with the department or has not complied with the requirements set forth by it within forty-five (45) days after mailing of the notice, the bond shall then be forfeited to the department.

(8) *Forfeiture of a bond pursuant to the provisions of this chapter may be ordered by the department counsel or in his absence by the attorney general, after notice from the director* [~~When a bond is forfeited pursuant to the provisions of this chapter, the director shall give notice to the attorney general, who shall collect the forfeiture~~].

(9) All sums received through the forfeiture of bonds shall be placed in the state treasury and credited to a special agency account to be designated as the oil and gas well plugging fund. This fund shall be available to the department and may be expended for the plugging of any abandoned wells coming within the authority of the department pursuant to this chapter. The plugging of any well pursuant to this subsection shall not be construed to relieve the operator or any other person from civil or criminal liability which would exist except for such plugging. Any unencumbered and any unexpended balance of this fund remaining at the end of any fiscal year shall not lapse but shall be carried forward for the purpose of the fund until expended or until appropriated by subsequent legislative action.

(10) Upon request by any person applying for a permit for a geological or structure test hole, the department shall keep the location and elevation of said hole confidential until such information is allowed to be released by the person obtaining such permit.

(11) For the purpose of this chapter, "water supply well" shall not include:

(a) Any well for a potable water supply for domestic use or for livestock.

(b) Any water well used primarily for cooling purposes in an industrial process.

Section 6. KRS 353.990 is amended to read as follows:

(1) Any person who wilfully violates any of the provisions of KRS 353.050 to 353.130 or KRS 353.200 relating to the manner of drilling and casing or plugging and filling any well, or fixing the distance from wells within which mining operations may not be conducted, or any person who wilfully violates any of the terms of an order of the department allowing mining operations within a lesser distance of any well than that prescribed by this chapter shall be fined not more than *one thousand dollars ($1,000) per day for each day the violation continues* [~~two hundred dollars ($200)~~] or imprisoned in jail for not more than twelve (12) months, or both.

(2) Any person who violates any of the provisions of subsection (1) of KRS 353.150 shall be fined *one thousand dollars ($1,000)* [~~one hundred dollars ($100)~~] for each offense and in addition thereto *one thousand dollars ($1,000)* [~~one hundred dollars ($100)~~] for each *day* [~~thirty (30) days~~] the violation continues. The penalty shall be recovered in a civil action in the name of the commonwealth for the use of the county in which the well is located.

(3) Any person who violates any of the provisions of KRS 353.160 shall be fined not more than *one thousand dollars ($1,000)* [~~two hundred dollars ($200)~~] and, if the offender is a natural person, imprisoned not less than ten (10) days nor more than six (6) months. Each day that the violation continues shall constitute a separate offense.

(4) Any person who violates any of the provisions of subsection (1) of KRS 353.180 shall be fined [~~not less than one hundred ($100) nor more than~~] one thousand dollars ($1,000) *per day for each day the violation continues.*

(5) If any person violates any of the provisions of KRS 353.190 he shall be fined *one thousand dollars ($1,000)* [~~five dollars ($5.00)~~] for every twenty-four (24) hours that the violation continues.

Section 7. KRS 353.991 is amended to read as follows:

(1) Any person who violates any provision of KRS 353.570 shall be subject to a fine of not more than *one thousand dollars ($1,000)* [~~two hundred dollars ($200)~~] or imprisonment for a term not exceeding *one*

hundred and eighty (180) [~~thirty (30)~~] days, or both.

(2) Any person, who continues to violate any provision of KRS 353.500 to 353.720, or any rule, regulation or order promulgated or issued under KRS 353.500 to 353.720 after being notified in writing of the violation by the department shall be subject to a fine of not more than *one thousand dollars ($1,000)* [~~two hundred dollars ($200)~~] or imprisonment for a term not exceeding *one hundred and eighty (180)* [~~thirty (30)~~] days, or both.

(3) Any person, who does any of the following for the purpose of evading or violating KRS 353.500 to 353.720, or any rule, regulation, or order promulgated or issued under KRS 353.500 to 353.720, shall be subject to a fine of not more than *one thousand dollars ($1,000)* [~~two hundred dollars ($200)~~] or imprisonment for a term not exceeding *one hundred and eighty (180)* [~~thirty (30)~~] days, or both:

(c) Removes from this commonwealth or destroys, mutilates, alters or falsifies a report, record, account or memorandum as required by KRS 353.500 to 353.720, or by any rule, regulation, or order.

(4) Any person who knowingly aids or abets any other person in the violation of any provision of KRS 353.500 to 353.720, or any rule, regulation or order promulgated or issued under KRS 353.500 to 353.720 shall be subject to the same penalty as that prescribed in this section for the violation by such other person.

The Committee Substitute to **HB 161** is as follows:

HB 161, AN ACT relating to oil and gas.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 353.510 is amended to read as follows:

As used in KRS 353.500 to 353.720, unless the context otherwise requires:

(1) "Department" means the department of mines and minerals as defined in KRS 351.010;

(2) "Commissioner" means the commissioner of the department of mines and minerals as defined in KRS 351.010;

(3) "Director" means the director of oil and gas conservation as provided in KRS 353.530;

(4) "Commission" means the Kentucky Oil and Gas Conservation Commission as provided in KRS 353.565;

(5) "Person" means any natural person, corporation, association, partnership, receiver, governmental agency subject to KRS 353.500 to 353.720, trustee, so-called common-law or statutory trust, guardian, executor, administrator, [~~or~~] fiduciary of any kind, *federal agency, state agency, city, commission, political subdivision of the Commonwealth, or any interstate body*;

(6) "Correlative rights" means the reasonable opportunity of each person entitled thereto to recover and receive without waste the oil and gas in and under his tract or tracts, or the equivalent thereof;

(7) "Oil" means natural crude oil or petroleum and other hydrocarbons, regardless of gravity, which are produced at the well in liquid form by ordinary production methods and which are not the result of condensation of gas after it leaves the underground reservoir;

(8) "Gas" means all natural gas, including casinghead gas, and all other hydrocarbons not defined above as oil;

(9) "Pool" means an underground reservoir containing a common accumulation of oil or gas or both. Each productive zone of a general structure which is completely separated from any other zone in the structure, or which for the purpose of KRS 353.500 to 353.720 may be so declared by the department, is covered by the word "pool" as used herein;

(10) "Field" means the general area which is underlaid or appears to be underlaid by at least one (1) pool; and "field" includes the underground reservoir containing oil or gas or both. The words "field" and "pool" mean the same thing when only one (1) underground reservoir is involved; however, "field," unlike "pool," may relate to two or more pools.

(11) "Just and equitable share of production" means, as to each person, an amount of oil or gas or both substantially equal to the amount of recoverable oil and gas in that part of a pool underlying his tract or tracts;

(12) "Abandoned," when used in connection with a well or hole, means a well or hole which has never been used, or which, in the opinion of the department, will no longer be used for the production of oil or gas or for the injection or disposal of fluid therein;

(13) "Workable bed" means:

(a) A coal bed actually being operated commercially;

(b) A coal bed that the department decides can be operated commercially and the operation of which can reasonably be expected to commence within not more than ten (10) years; or

(c) A coal bed which, from outcrop indications or other definite evidence, proves to the satisfaction of the commissioner to be workable, and which, when operated, will require protection if wells are drilled through it;

(14) "Well" means a borehole drilled, or proposed to be drilled, for the purpose of producing natural gas or petroleum, or one through which natural gas or petroleum is being produced, or a borehole drilled or proposed to be drilled for the purpose of injecting any water, gas or other fluid therein or one into which any water, gas or other fluid is being injected;

(15) "Shallow well" means any well drilled and completed at a depth less than four thousand (4000) feet except, in the case of any well drilled and completed east of longitude line 8430', shallow well means any well drilled and completed at a depth less than four thousand (4000) feet or above the base of the lowest member of the Devonian Brown Shale, whichever is the deeper in depth.

(16) "Deep well" means any well drilled and completed below the depth herein provided for a shallow well.

(17) "Operator" means any owner of the right to develop, operate and produce oil and gas from a pool and to appropriate the oil and gas produced therefrom, either for himself or for himself and others; in the event that there is no oil and gas lease in existence with respect to the tract in question, the owner of the oil and gas rights therein shall be considered as "operator" to the extent of seven-eighths (7/8) of the oil and gas in that portion of the pool underlying the tract owned by such owner, and as "royalty owner" as to one-eighth (1/8) interest in such oil and gas; and in the event the oil is owned separately from the gas, the owner of the right to develop, operate and produce the substance being produced or sought to be produced from the pool shall be considered as "operator" as to such pool;

(18) "Royalty owner" means any owner of oil and gas in place, or oil and gas rights, to the extent that such owner is not an operator as defined in subdivision seventeen of this section.

(19) "Drilling unit" generally means the maximum area in a pool which may be drained efficiently by one well so as to produce the reasonable maximum recoverable oil or gas in such area. Where the regulatory authority has provided rules for the establishment of a drilling unit and an operator, proceeding within the framework of the rules so prescribed, has taken the action necessary to have a specified area established for production from a well, such area shall be a drilling unit.

(20) "Beneficial interest" means any profit, benefit or advantage resulting from a contract or ownership of an operation for the production of oil or gas which is distinct from the legal ownership or control of such operation.

(21) "Fresh water" means water which does not contain total dissolved solids in concentrations greater than one thousand (1,000) milligrams per liter; however, for purposes of the administration of the underground injection control program under the Safe Drinking Water Act (Public Law 93-523, as amended), the department may regulate such other waters as may be necessary to obtain delegation of authority to administer said program.

(22) "Unused well" means any well which is not fully equipped for production and whose test for potential production does not indicate the capacity for commercial quantities, as determined by a registered engineer. This definition shall not include a shut-in or producing well.

Section 2. KRS 353.550 is amended to read as follows:

Without limiting its general authority, the department shall have the specific authority to require of and from all operators of any oil or gas property in this commonwealth:

(1) Identification of producing leases;

(2) The making of driller's logs, and filing of all logs and downhole surveys made;

(3) The drilling, casing, operation and plugging of wells in such manner as to prevent (a) the escape of oil or gas from one pool into another, or into mineral bearing stratum, (b) the detrimental intrusion of water into an oil or gas pool or into mineral bearing stratum that is avoidable by efficient operations, (c) blow-outs, *cave-ins* [~~cavings~~], seepages, and fires, *and (d) damage to underground fresh water sources by the injection of fluids for salt water disposal or for enhanced production*;

(4) The filing of the reports and plats with the department for transmittal to the Kentucky geological survey as may be prescribed by rules and regulations promulgated hereunder. All such reports and plats shall be transmitted by the department to the Kentucky geological survey within thirty (30) days after receipt thereof by the department.

Section 3. KRS 353.560 is amended to read as follows:

Without limiting its general authority, the department shall regulate:

(1) The drilling and plugging of all wells;

(2) The spacing or locating of wells;

(3) The use of vacuum; and

(4) *The injection of all fluids by oil and gas operators regardless of the purpose of such injection, except in the operation of underground gas storage fields* [~~Make recommendations to the water pollution control commission as to disposal of salt water and oil field wastes~~].

Section 4. KRS 353.570 is amended to read as follows:

(1) No person shall *commence to* drill or deepen a well, or reopen a plugged well for the production of oil or gas or for the injection of water, gas or other fluid into any oil or gas producing formation (except seismograph test holes) after June 16, 1960, or *commence to* drill or deepen a water supply well, and geological or structure test holes after June 16, 1966, until such person shall obtain a permit from the department.

(2) *Subject to subsections (3) and (4) of this section,* when any applicant for a permit as required by this section has complied with the provisions of this chapter and all rules and regulations promulgated hereunder, the department shall issue the permit.

(3) *Notwithstanding subsection (2) of this section, if the department determines that an applicant for a permit hereunder is an owner or operator of any well for which there are one (1) or more outstanding violations which remain uncorrected at the time of application for a new permit, said department shall not consider such application until all previous violations have been corrected* [~~The department may authorize the commencement of the drilling, deepening or reopening of any well prior to the issuance of a permit therefor; except if the location of the well is known to be underlaid by a coal-bearing stratum and consent of the owner, operator, and lessee of the coal-bearing stratum has not been granted. Consent shall be implied, when the coal-bearing stratum is owned by the oil and gas lessor or lessee, and the coal is not under lease to any third party~~].

(4) The department may require an applicant for a permit hereunder to disclose any beneficial interest of said applicant in all oil and gas operations currently or previously maintained in the Commonwealth. If said applicant holds a beneficial interest in an oil or gas operation for which there are one (1) or more outstanding violations of this chapter which remain uncorrected at the time of application, the department shall refuse to consider such application until all outstanding violations are corrected.

(5) A copy of the permit shall be posted in a conspicuous place at the permitted site prior to the commencement of drilling.

SECTION 5. A NEW SECTION OF KRS CHAPTER 353 IS CREATED TO READ AS FOLLOWS:

When any well is unused for more than thirty (30) days, the operator of such well shall either place the well into its permitted use, obtain a temporary abandonment permit from the department or plug the well. This section shall not apply to a shut-in or producing well.

Section 6. KRS 353.590 is amended to read as follows:

(1) Any person, seeking a permit required by KRS 353.570, shall submit to the department a written application in such form as may be prescribed by the department.

(2) Each application shall be accompanied by a specified fee as follows:

(a) The fee shall be one hundred dollars ($100) for each well to be drilled, deepened or reopened for any purpose relating to the production, repressuring or storage of oil or gas, and for each water supply well, observation well, and geological or structure test hole. *The fee shall not be refunded if the application is processed and found not acceptable. The resubmittal of a rejected application shall be accompanied by a new fee.*

(b) If the department receives delegation of authority for administration of the underground injection control program under Section 1425 of the Safe Drinking Water Act (Public Law 93-523 as amended), the department may, by regulation, establish a fee or schedule of fees in an amount not to exceed fifty dollars ($50.00) per well, in addition to the fees imposed by paragraph (a) of this subsection, upon each application to drill, deepen or reopen a well for any purpose relating to the production, repressuring or storage of oil or gas, and for each water supply well, observation well, and geological or structure test hole. The fees or schedule of fees to be established by regulation shall not exceed an amount sufficient to recover the costs incurred by the department in administering the underground injection control program less any other state or federal funds which are made available for such purpose.

(c) All money paid to the state treasurer for fees required by paragraph (b) of this subsection shall be for the sole use of the department in the administration of the underground injection control program under Section 1425 of the Safe Drinking Water Act (Public Law 93-523 as amended).

(3) All money paid to the state treasurer for licenses and fees required by KRS 353.500 to 353.720 shall be for the sole use of the department and shall be in addition to any moneys appropriated by the general assembly for the use of the department.

(4) Each application shall be accompanied by a plat, which shows the location and elevation of each well, prepared according to the rules and regulations promulgated under KRS 353.500 to 353.720. The plat shall be certified as accurate and correct by *a land surveyor* [~~the applicant, a qualified employe of the applicant, a person approved by the department,~~] or an engineer registered in Kentucky[~~, provided that when the location of the well is known to be underlaid by coal-bearing stratum, such plat shall be certified accurate~~

~~and correct only by an engineer registered in Kentucky~~]. If any plat submitted by an applicant is determined by the department to be materially inaccurate or incomplete, the department may require that a new plat be prepared and submitted [~~either by a person approved by the director or an engineer registered in Kentucky. The department may further require that all future plats submitted by such an applicant be prepared either by a person approved by the director or an engineer registered in Kentucky~~].

(5) When any person submits to the department of mines and minerals an application for a permit to drill a well, or to reopen, deepen or temporarily abandon any well which is not covered by surety bond, the department shall except as provided in this section, require from the well operator a bond in the sum of *two thousand five hundred dollars ($2,500)* [~~$1,000~~] in favor of the department of mines and minerals, conditioned that the well upon abandonment shall be plugged in accordance with the rules and regulations of the department and that all records required by the department be filed as specified. The bond shall remain in effect until the plugging of the well is approved by the department, or the bond is released by the department. Any well operator in lieu of such bond may file with the department a blanket bond in a sum of *twenty-five thousand dollars ($25,000)* [~~$5,000~~], covering all wells drilled or to be drilled in the Commonwealth by the principal in the bond, and the acceptance and approval by the department of such blanket bond shall be in full compliance with the above provision requiring an individual well bond. The bond or bonds referred to in this section shall be executed by the well operator as principal and by a corporate surety authorized to do business in the Commonwealth. A deposit in cash shall serve in lieu of either of the above bonds.

(6) *It is required that a successor to the well operator post bond and notify the department in writing in advance of taking possession of a well or wells. Said successor shall assume the obligations of this chapter, as to a particular well or wells, and relieve the original permittee of responsibility under this chapter with respect to such well or wells. It is the responsibility of the selling operator to require the successor operator to post bond before granting possession to said successor. The department may close any well or wells if the bond company notifies the department that said bond or bonds are cancelled. Said notice shall not relieve the bond company of its obligations to the Commonwealth but shall only serve to stop the operation of a well or wells for which the bond company has terminated its bond or bonds* [~~Notification in writing to the department by a successor to the well operator with bond as provided in subsection (5) that said successor is assuming the obligations of this chapter as to a particular well or wells, will relieve the original permittee of responsibility under this chapter with respect to such well or wells~~].

(7) If the requirements of subsection (5) with respect to proper plugging upon abandonment and submission of all required records on all well or wells have not been complied with within the time limits set by the department or by this chapter, the department shall cause a notice of noncompliance to be served upon the operator by certified mail, addressed to the permanent address shown on the application for a permit. The notice shall specify in what respects the operator has failed to comply with this chapter or the regulations or orders of the department. If the operator has not reached an agreement with the department or has not complied with the requirements set forth by it within forty-five (45) days after mailing of the notice, the bond shall then be forfeited to the department.

(8) *Collection of a bond forfeited pursuant to the provisions of this chapter may be made by the attorney for the department or in his absence by the attorney general, after notice from the director* [~~When a bond is forfeited pursuant to the provisions of this chapter, the director shall give notice to the attorney general, who shall collect the forfeiture~~].

(9) All sums received through the forfeiture of bonds shall be placed in the state treasury and credited to a special agency account to be designated as the oil and gas well plugging fund. This fund shall be available to the department and may be expended for the plugging of any abandoned wells coming within the authority of the department pursuant to this chapter. The plugging of any well pursuant to this subsection shall not be construed to relieve the operator or any other person from civil or criminal liability which would exist except for such plugging. Any unencumbered and any unexpended balance of this fund remaining at the end of any fiscal year shall not lapse but shall be carried forward for the purpose of the fund until expended or until appropriated by subsequent legislative action.

(10) Upon request by any person applying for a permit for a geological or structure test hole, the department shall keep the location and elevation of said hole confidential until such information is allowed to be released by the person obtaining such permit.

(11) For the purpose of this chapter, "water supply well" shall not include:

(a) Any well for a potable water supply for domestic use or for livestock.

(b) Any water well used primarily for cooling purposes in an industrial process.

Section 7. KRS 353.630 is amended to read as follows:

(1) Whenever any separate tract of land is so situated because of size or other condition that it does not contain a location at which a well for oil or gas may be drilled, deepened or reopened by reason of the spacing provisions of KRS 353.610, the department shall order, after notice and a hearing, the pooling of all oil and gas interests in the separate tract or in a portion thereof with all like interests in a contiguous tract or tracts, or portions thereof, as are necessary to afford the pooled tracts one (1) location for the drilling, deepening or reopening of a well for the production of oil or gas in compliance with the spacing requirements of KRS

353.500 to 353.720. The department shall require the development and operation of all pooled tracts as a single leasehold estate in accordance with regulations and rules promulgated under KRS 353.500 to 353.720.

(2) No pooling as permitted by this section shall be ordered except:

(a) After an application to drill, deepen or reopen a well for the production of oil upon the tract or within four hundred (400) feet of the tract, or after an application for a permit to drill, deepen or reopen a well for the production of gas upon the tract or within one thousand (1,000) feet of the tract has been submitted; and

(b) After a lessee or owner of an oil or gas interest in the tract shall request the pooling.

(3) No pooling as permitted by this section shall be ordered with respect to any tract or portion thereof upon which a well is drilled, deepened or reopened:

(a) Unless the pooling was requested prior to the commencement of the drilling, deepening or reopening of the well by a lessee or owner of an oil and gas interest in a contiguous tract which does not contain a location at which a well for oil or gas may be drilled, deepened or reopened; and

(b) Unless the request, if made by the owner of an operating interest who elects to participate in the risk and cost of the drilling, deepening or reopening of the well, is accompanied by a bond or other security satisfactory to and in an amount set by the director for the payment of such owner's share of the cost of drilling, deepening or reopening the well.

(4) *Any well whose production is ordered pooled pursuant to KRS 353.500 to 353.720 shall be deemed for all purposes to have been so produced from each tract or portion thereof included in the pool in proportion to the amounts established in the pooling order* [~~From and after the date of the pooling all operations, including the commencement, drilling or operating of a well for the production of oil or gas, upon any tract or portion thereof pooled under KRS 353.500 to 353.720 with one or more other tracts or portions thereof shall be deemed for all purposes the conduct of such operations upon which tract or portion thereof included in the pooling; and that portion of production from the well shared by all owners of each tract or portion thereof included in the pooling shall be deemed to have been actually produced from the tract or portion thereof by a well drilled thereon~~].

HB 93, AN ACT relating to taxation.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 143A.010 is amended to read as follows:

(1) "Department" means the department of revenue.

(2) "Natural resource" means all forms of minerals including but not limited to rock, stone, limestone, shale, gravel, sand, clay, [~~fluorspar, zinc,~~] natural gas, and natural gas liquids which are contained in or on the soils or waters of this state. For purposes of this chapter, "natural resource" does not include coal and oil which are taxed under KRS 143.020 and 137.120.

(3) "Severing" or "severed" means the physical removal of the natural resource from the earth or waters of this state by any means; however, "severing" or "severed" shall not include the removal of natural gas from underground storage facilities into which the natural gas has been mechanically injected following its initial removal from the earth.

(4) "Taxpayer" means and includes any individual, partnership, joint venture, association, corporation, receiver, trustee, guardian, executor, administrator, fiduciary, or representative of any kind engaged in the business of severing and/or processing natural resources in this state for sale or use. In instances where contracts, either oral or written, are entered into whereby persons, organizations or businesses are engaged in the business of severing and/or processing a natural resource but do not obtain title to or do not have an economic interest therein, the party who owns the natural resource or has an economic interest is the taxpayer.

(5) "Gross value" is synonymous with gross income from property as defined in section 613(c) of the Internal Revenue Code and regulations 1.613-3 and 1.613-4 in effect on December 31, 1977, with the exception that in all instances transportation expense (whether or not by common carrier) incurred in transporting a natural resource shall not be considered as gross income from the property. Gross value is to be reported as follows:

(a) For natural resources severed and/or processed and sold during a reporting period, gross value is the amount received or receivable by the taxpayer.

(b) For natural resources severed and/or processed, but not sold during a reporting period, gross value shall be determined as follows:

1. If the natural resource is to be sold under the terms of an existing contract, the contract price shall be used in computing gross value.

2. If there is no existing contract, the fair market value for that grade and quality of the natural resource shall be used in computing gross value.

(c) In a transaction involving related parties, gross value shall not be less than the fair market value for natural resources of similar grade and quality.

(d) In the absence of a sale, gross value shall be the fair market value for natural resources of similar grade and quality.

(e) If severed natural resources are purchased for the purpose of processing and resale, the gross value is the amount received or receivable during the reporting period reduced by the amount paid or payable to the taxpayer actually severing the natural resource.

(f) If severed natural resources are purchased for the purpose of processing and consumption, the gross value is the fair market value of processed natural resources of similar grade and quality reduced by the amount paid or payable to the taxpayer actually severing the natural resource.

(g) In all instances, the gross value shall not be reduced by any taxes including the tax levied in KRS 143A.020, royalties, sales commissions, or any other expense.

(6) "Processing" shall include but not be limited to breaking, crushing, cleaning, drying, sizing, or loading for shipment. "Processing" shall not include the act of unloading or loading for shipment natural resources that have not been severed, cleaned, broken, crushed, dried, sized or otherwise treated in Kentucky.

(7) "Related parties" means two (2) or more persons, organizations or businesses owned or controlled directly or indirectly by the same interests.

(8) "Economic interest" for the purpose of this chapter is synonymous with the economic interest ownership required by Internal Revenue Code, section 611 in effect on December 31, 1977, entitling the taxpayer to a depletion deduction for income tax purposes with the exception that a party who only receives an arm's length royalty shall not be considered as having an economic interest.

(9) "Charges for transporting" or "transportation expense" shall mean:

(a) The amount paid by a taxpayer to a third party for transporting to a customer natural resources taxed in KRS 143A.020;

(b) The cost incurred by a taxpayer using his own facilities in transporting to a customer natural resources taxed under KRS 143A.020;

(c) In no case shall transportation expenses include the cost of acquisition, improvements, or maintenance of real property or the cost of loading or unloading facilities.

Section 2. KRS 143A.030 is amended to read as follows:

The taxes imposed in KRS 143A.020 do not apply to *fluorspar, lead, zinc and barite severed for any purposes or to* rock, limestone or gravel used for privately maintained but publicly dedicated roads or limestone when sold or used by the taxpayer for agricultural purposes so as to qualify for exemption from sales and use taxes as provided in KRS 139.480.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 157 IS CREATED TO READ AS FOLLOWS:

(1) Notwithstanding any statutory provisions to the contrary, effective for school years beginning on or after July 1, 1984, the board of education of each school district shall levy for general school purposes an ad valorem tax rate of fifteen cents (15) or the maximum rate supported by the common school district power equalization program in that or the next subsequent school year as provided for in KRS 157.555 and 157.560, whichever is greater.

(2) No school district shall be eligible for the state power equalization support provided for in KRS 157.545 to 157.575 during any school year in which the board of education of such school district fails to levy the tax rate required in subsection (1) of this section.

(3) A voted general tax rate, as provided for in KRS 157.440, shall be credited toward the tax rate required in subsection (1) of this section.

Section 2. KRS 160.470 is amended to read as follows:

(1) Each district board of education shall prepare a general school budget on forms prescribed and furnished by the state board of education, showing the amount of money needed for current expenses, debt service, capital outlay, and other necessary expenses of the schools during the succeeding fiscal year, the estimated total amount that will be received from the common school fund and other sources, the assessed valuation of property subject to local taxation in the school district furnished as provided in subsection (3) of KRS 160.460, an estimate made by the department of revenue of public service company assessments and assessments of other property in the school district not furnished under the provisions of subsection (3) of KRS 160.460, and the amount that will be needed to be raised by local taxation, including the rate of levy necessary to raise such an amount.

(2) (a) Notwithstanding any statutory provisions to the contrary, no district board of education shall levy a general tax rate, voted general tax rate, or voted building tax rate for 1979-80 which will produce more revenue, exclusive of revenue from net assessment growth as defined in KRS 132.010, than would be

produced by application of the maximum general tax rate, voted general tax rate, or voted building tax rate, respectively, that could have been levied in 1978-79, to the 1978-79 assessment, except as provided in *subsection (1) of Section 1 of this Act* [~~KRS 157.565~~]. In succeeding years, no district board of education shall levy a general tax rate, a voted general tax rate, or a voted building tax rate which will produce more revenue, exclusive of revenue from net assessment growth as defined in KRS 132.010, than would be produced by application of the general tax rate, maximum voted general tax rate, or maximum voted building tax rate, respectively, that could have been levied in the preceding year to the preceding year's assessment, except as provided in *subsection (1) of Section 1 of this Act* [~~KRS 157.565~~].

(b) In the event that an election is held as provided for in KRS 132.017 and the question should fail, such failure shall not reduce the ". . .general tax rate, maximum voted general tax rate, or maximum voted building tax rate, respectively, that could have been levied in the preceding year. . .", referred to in subsection (2)(a) of this section, for purposes of computing the general tax rate, voted general tax rate, or voted building tax rate for succeeding years.

In the event of a merger of school districts, the limitations contained in this section shall be based upon the combined revenue of the merging districts, as computed under the provisions of this section.

(3) No district board of education shall levy a general tax rate, voted general tax rate, or voted building tax rate within the limits imposed in subsection (2) of this section which respectively exceeds the compensating tax rate defined in KRS 132.010, except as provided in *subsection (1) of Section 1 of this Act* [~~KRS 157.565~~], until the district board of education has complied with the provisions of subsection (10) of this section.

(4) The superintendent of public instruction shall certify to each district board of education, by June 30 of each year, the following:

(a) The general tax rate, voted general tax rate, or voted building tax rate that a district board of education could levy under the provisions of subsection (2) of this section, and the amount of revenue expected to be produced by each;

(5) Upon completion of action on property assessment data the department of revenue shall submit to the superintendent of public instruction, certified property assessment data as required in KRS 133.125.

(6) Within thirty (30) days after the district board of education has received its assessment data, three (3) copies of the budget shall be forwarded to the state board of education for its approval or disapproval. The failure of the district board of education to furnish the budget within the time prescribed shall not invalidate any levy made thereafter.

(7) The budget shall be disapproved by the state board of education if it is financially unsound or fails to provide for:

(a) Payment of maturing principal of and interest on any outstanding voted school improvement bonds of the school district authorized and issued pursuant to KRS 162.080 and 162.090, with the written approval of the state board of education, or

In such event the district board of education shall amend its budget, within the limitations of this section, to obviate the reasons for disapproval and resubmit the budget to the state board of education for its final approval.

(8) If the budget as amended specifies a tax levy different from that levied under the disapproved budget, the tax-levying authority shall amend its levy in accordance therewith, so that the levy as amended shall comply with the provisions of subsection (1) of KRS 160.460. No general school budget shall become effective and no ad valorem levy shall be made until approved by the state board of education.

(9) Each district board of education shall, if required by the state board of education, prepare and submit to it not later than September 15, a close estimate or working budget which shall conform to the rules and regulations prescribed by the state board of education, and which shall be consistent in its major divisions with the general school budget previously prepared.

(c) In lieu of the two (2) published notices, a single notice containing the required information may be sent by first-class mail to each person owning real property, addressed to the property owner at his residence or principal place of business as shown on the current year property tax roll.

(d) The hearing shall be open to the public. All persons desiring to be heard shall be given an opportunity to present oral testimony. The district board of education may set reasonable time limits for such testimony.

3. The name, address and telephone number of the county clerk of the county or urban-county in which the school district is located, with a notation to the effect that that official can provide the necessary information about the petition required to initiate recall of the tax rate.

(3) If a court determines a medical emergency exists, it may grant a motion for a temporary restraining order ex parte, but in such a case it shall set a time for a full hearing at which primary and secondary respondents, any special representative and counsel are given an opportunity to be present as soon as practically possible.

(4) A hearing on any motion by a guardian ad litem for injunctive relief shall be held promptly. At any such hearing, except an ex parte hearing, all parties including the guardian ad litem, the special representative, the primary and secondary respondents and any intervenor shall be given the opportunity to present evidence and cross-examine witnesses and present legal argument. (3) The court shall order sustenance or treatment not be withheld, notwithstanding any secondary respondent's refusal to consent or any opinion of the respondent or the court that the quality of the child's life would be deficient should the child live.

(4) In addition to any temporary restraining order or a preliminary or permanent injunction prohibiting the withholding of nutritional sustenance or treatment the court may,in its discretion, issue an order authorizing the guardian ad litem for a period of specified and limited duration, to select the health care professionals who shall attend the child, and to consent on behalf of the child to the provision of nutritional sustenance and treatment and to transfer the child to other health care facilities. (2) As soon as practically possible after a transcript of the proceedings is prepared, the court shall examine the transcript in camera and delete from a copy of it all information that discloses the identity or that would reasonably lead to the disclosure of the identity of the child or of a parent or guardian of the child. The court shall then direct that the expurgated copy be deposited in the files of the clerk of the court open for public inspection. However, parties to the proceeding and their counsel shall have access to the unexpurgated transcript.

(b) The owner's registration receipt, if the motor vehicle was last registered in this state; or

(c) A bill of sale and the previous registration receipt, if last registered in another state where the law of such state does not require the owner of a motor vehicle to obtain a certificate of title or ownership; or

(d) A certificate of title, if last registered in another state where the law of such state requires the owner of a motor vehicle to obtain a certificate of title or ownership.

(2) (a) After that, the owner of any motor vehicle registered under KRS 186.050(1) shall register his motor vehicle on or before the date on which his certificate of registration expires. If, before operating such motor vehicle in this state, the owner registers it at some later date and pays the fee for the full year, he will be deemed to have complied with the law. Insofar as the owner is concerned, registration with the clerk shall be deemed to be registration with the department.

(b) After that, the owner of any motor vehicle registered under KRS 186.050(2) shall register his motor vehicle on or before March 1 of each year. If, before operating such motor vehicle in this state, the owner registers it at some later date and pays the fee for the full year, he will be deemed to have complied with the law. Insofar as the owner is concerned, registration with the clerk shall be deemed to be registration with the department.

(3) After that, the owner of any commercial vehicle registered under KRS 186.050(3) through (14) shall register his commercial vehicle on or before April 1 of each year. If, before operating such commercial vehicle in this state, the owner registers it at some later date and pays the required fee, he will be deemed to have complied with the law. Insofar as the owner is concerned, registration with the clerk shall be deemed to be registration with the department. *If the motor vehicle is a truck designed for the transportation of property, the application forms shall contain space for the declared gross weight in pounds. The declared gross weight shall be the weight of the vehicle and the heaviest load that the vehicle will be used to carry at any time on the highways.*

(4) The application and documents presented therewith, including the sheriff's certificate of inspection, shall be affixed to the transportation cabinet copy of the certificate of title or registration and sent to the transportation cabinet by the clerk.

Section 2. KRS 186.040 is amended to read as follows:

(1) Upon receiving the application and fee, the county clerk shall issue to the owner a certificate of registration [~~and ownership~~] containing the information required by subsection (2) *of this section* and a registration plate. If the cabinet finds that there is a shortage of materials suitable for making plates, or that a substantial saving will result, it may require by regulation with the approval of the governor that previously issued plates continue to be used for a designated period. For services performed the owner shall pay the county clerk the sum of two dollars ($2.00) for each registration.

(2) The certificate of registration [~~and ownership~~] shall contain the registration number, the names and post office addresses of the owner [~~and the secured party as shown by the financing statement on file in the office of the county clerk~~] and such other information as the cabinet may require. [~~The owner's copy of such certificate shall bear the seal of the county clerk who issued same. No fee shall be charged for placing such seal on the owner's copy of the certificate.~~

~~(3) If a motor vehicle, other than a new motor vehicle, is registered in this state under the authority of a bill of sale, registration receipt or title, the certificate of registration and ownership shall show the title or the registration number and the name of the state issuing same under which the motor vehicle was last registered in addition to the other required information.~~]

Section 3. KRS 186.045 is amended to read as follows:

(1) Financing statements relating to vehicles required to be registered in Kentucky by the county clerk shall be filed in the office of the county clerk of the county in which the debtor resides or, if the debtor is a nonresident, in the office of the county clerk in which the vehicle is principally operated.

(2) [~~(a)~~] Whenever a financing statement required by KRS Chapter 355 relating to any vehicle *titled* [~~registered~~] or required to be *titled* [~~registered~~] in Kentucky [~~for use on the highway~~] is presented to a county clerk for filing, such clerk shall also immediately note information required by the cabinet relative *to KRS 186A.190* [~~thereto on the owner's copy of the certificate of registration and ownership or transfer receipt issued for the current registration period as noted in subsection (2) of KRS 186.170, which the secured party must obtain and present to the county clerk,~~] along with the financing statement, within fifteen (15) days, exclusive of Sundays and holidays, after execution of the security agreement. [~~The clerk shall also note such information on the clerk's copy of the certificate of registration and ownership or transfer receipt maintained in his office in numerical order.~~] The clerk noting the information on the owner's *title* [~~copy of the certificate of registration and ownership or transfer receipt~~] shall return such *title* [~~receipt~~] to the owner within five (5) days after making such notation. For filing the financing statement, the clerk shall collect a fee pursuant to KRS 64.012 from the secured party and, in addition, for noting the security interest on the required *title* [~~receipts~~], the clerk shall collect from the secured party a fee pursuant to KRS 64.012 for each additional motor vehicle included on the financing statement.

[~~(b) Whenever a financing statement affecting a vehicle is presented to a county clerk for filing in any county other than the one in which the current receipt was issued, the county clerk shall, in addition to the other requirements of this section, mail a notice of the security interest on a form furnished by the cabinet to the clerk of the county in which the current receipt was issued. Upon receipt of said notice, the county clerk shall attach it to the copy of the current receipt on file, maintained in numerical order, in the county clerk's office and note the security interest on the clerk's copy of the receipt.~~]

(3) For failure to present [~~both~~] the [~~current receipt and~~] financing statement within the time prescribed by subsection (2)[~~(a)~~], the secured party shall pay a penalty of two dollars ($2.00) to the county clerk as a prerequisite for noting the security interest on the *title* [~~current receipt~~].

(4) Whenever a perfected security interest is assigned, the assignor shall immediately give a statement of assignment to the assignee and at the same time deliver another copy of such statement to the debtor. The assignee shall, within thirty (30) days thereafter, present a copy of the statement of assignment to the county clerk in whose office the financing statement is on file. Upon receipt of the assignment, the county clerk shall mark the same as provided in subsection (2) of KRS 355.9-405 and attach it to the original financing statement. For this service the county clerk shall collect a fee pursuant to KRS 64.012.

(5) Whenever a security interest has been discharged, other than by proceedings under KRS 355.9-501 through 355.9-507 or similar proceedings, the secured party shall, within fifteen (15) days thereafter, deliver a termination statement in the manner required by KRS 355.9-404 to the county clerk of the county in which the financing statement is filed. For failure to file the termination statement within the allowable time, the secured party shall be subject to the penalty provided in KRS 186.990(1). Within five (5) days after the receipt of such documents, the county clerk shall note the filing in the index and[~~, in addition, note on the clerk's copy of the current receipt maintained in his office in numerical order,~~] in language prescribed by the cabinet that the termination statement has been filed. Upon presentation of the owner's *title* [~~copy of the receipt~~] showing such security interest, the clerk shall also note on such *title* [~~receipt~~] that the termination statement has been filed and place the seal of the county clerk thereon. The clerk shall return the owner's *title* [~~receipt~~] to the owner. The county clerk shall remove the financing statement from his files, mark "terminated" thereon and send or deliver it to the secured party along with any continuation statement, statement of assignment or statement of release pertaining thereto. The county clerk shall then file the termination statement in the place from which the financing statement was removed. Termination statements must be retained in the clerk's files for a period of two (2) years subsequent to the date of filing such statement, at which time they may be destroyed. No fee shall be collected for these services by the clerk. Once a security interest has been noted on the owner's *title,* [~~copy of a certificate of registration and ownership or transfer receipt,~~] no subsequent *title* [~~certificate of registration and ownership or transfer receipt~~] may be issued by any county clerk free of such notation unless the owner's *title* [~~copy of the current receipt~~] is presented to the clerk and it has *been* noted thereon by the proper county clerk that the termination statement therefor has been

filed. If this requirement is met, information relating to any security interest shown on the *title* [~~receipt~~] as having been terminated may be omitted from the *title* [~~receipt~~] to be issued by the clerk.

(6) Whenever any secured party repossesses a vehicle *titled in this state,* [~~registered with a county clerk,~~] for which a financing statement has been filed, and disposes of such vehicle pursuant to the provisions of KRS Chapter 355, he must present, within fifteen (15) days after such disposition, an affidavit in form prescribed by the cabinet and a termination statement or proof that such termination statement has been filed. The new owner shall pay all applicable fees for *titling* [~~registering~~] and transferring the vehicle to the county clerk. Upon receipt of such documents, the county clerk who issued the *lien* [~~current receipt~~] shall then omit from the *title* [~~certificate of registration and ownership or transfer receipt~~] he *makes application for* [~~issues~~] any information relating to the security interest under which the vehicle was repossessed or any security interest subordinate thereto. However, any security interest, as shown by such *title,* [~~clerk's copy of the current receipt,~~] which is superior to the one under which the vehicle was repossessed, must be shown on the *title application* [~~receipt issued by the clerk~~] unless the prior secured party has terminated such security interest in such clerk's office or proof of termination is submitted in case such prior security interest was discharged in another clerk's office.

(7) Whenever any vehicle brought into this state is required to be *titled in this state* [~~registered with a county clerk~~] and such vehicle is then subject to a security interest in another state as shown by the out of state documents presented to the clerk, the county clerk is prohibited from *processing the application for title on* [~~registering~~] the vehicle unless the owner obtains from the secured party a financing statement and presents same to the clerk along with all fees due. Such a financing statement must conform to the requirements of subsection (3) of KRS 355.9-402. The clerk shall note the out of state security interest on the *application for title* [~~new registration receipt and on the clerk's copy thereof~~]. This provision does not apply to vehicles required to be registered in Kentucky under forced registration provisions under KRS 186.145. The penalty provided in subsection (3) of this section shall not apply to this subsection.

(8) The fees provided for in this section are in addition to any state fee provided for by law.

(9) Any person violating any provision of this section or any person refusing to surrender a *title* [~~certificate of registration and ownership or transfer certificate~~] upon request of any person entitled thereto, is subject to the penalties provided in subsection (1) of KRS 186.990.

(10) The county clerk is prohibited from filing any financing statement on any vehicle subject to the provisions of this section if a *title* [~~certificate of registration and ownership or transfer receipt~~] therefor is presented to him which has all the spaces provided thereon for noting security interests fully exhausted. The owner must see to it that a termination statement is filed for each discharged security interest and then a duplicate *title* [~~receipt~~] as provided for in KRS *186A.180* [~~186.180~~] must be obtained from the clerk by the owner of the vehicle.

(11) Security interests in vehicles sold to or owned by residents of other states must be perfected in the state of such nonresident and repossession of the vehicle must be taken pursuant to the laws of such state, unless the vehicle is principally operated in Kentucky and is properly *titled* [~~registered~~] herein under KRS *186A.065* [~~186.020~~] and the security interest is authorized to be filed with the county clerk under KRS 355.9-401. [~~However, a security interest on any vehicle which is not used on the public highways and for that reason is not required to be registered for highway use may be filed with the county clerk as otherwise permitted under KRS Chapter 355.~~]

Section 4. KRS 186.047 is amended to read as follows:

Whenever any financing statement lapses under the provisions of KRS 355.9-403, the county clerk of the county in whose office the financing statement is filed shall, *upon presentation of the owner's certificate of title,* note on the *certificate of title* [~~clerk's copy of current registration or transfer receipt~~] that such financing statement has lapsed. [~~Upon presentation of the owner's copy of the current registration or transfer receipt, the aforementioned clerk shall make the same notation thereupon and~~ Thereafter any clerk may omit information regarding the lapsed financing statement from any new *certificate of title* [~~registration or transfer receipt~~] issued for the motor vehicle.

Section 5. KRS 186.076 is amended to read as follows:

The transportation cabinet may revoke the license of any motor vehicle dealer who acquires a used motor vehicle for cash, trade-in, or in any other manner, and fails to *comply with the requirements of KRS 186A.220* [~~have the registration transferred to him prior to the time the vehicle is sold or otherwise transferred to another person, or within ten (10) days after acquired, whichever may be sooner~~]. Such person shall be afforded a full opportunity to defend himself against any such charge under rules and regulations adopted by the transportation cabinet governing the procedure for such revocation action. Provided, however, That such dealer shall have the right to appeal any order of revocation entered by the transportation cabinet to the Kentucky board of tax appeals as provided by law.

Section 6. KRS 186.145 is amended to read as follows:

Any motor vehicle properly registered and titled in another state belonging to a nonresident, which vehicle is required to be registered in this state by reason of lack of reciprocal agreement with the state in which it is registered, or by reason of not qualifying for reciprocity under an existing reciprocal agreement with the state in which it is registered, may be registered with the county clerk by presenting a photostat or certified copy of the registration receipt or certificate of title issued to the nonresident in his home state. [~~The registration receipt issued by the county clerk shall be stamped across its face with a notation prescribed by the cabinet that will indicate the registration receipt so issued cannot be used in transferring legal title to the motor vehicle. However, under regulations prescribed by the cabinet, a registration receipt so issued may be transferred to a new owner if the foreign legal title and registration is transferred in that state to the new owner.~~] Nothing contained in this section shall release the owner of the vehicle from any tax fees or other requirements imposed by law.

Section 7. KRS 186.160 is amended to read as follows:

No clerk shall receive an application for registration nor register a motor vehicle, unless the motor vehicle bears a motor number or a vehicle identification number. If there is no motor number or vehicle identification number, or if the number is not plainly legible, the owner shall apply through the clerk to the transportation cabinet for a motor number or vehicle identification number, and when that number is assigned to the owner's motor vehicle the owner shall cause the number to be stamped on the motor with a steel die or in the space provided by manufacturer for vehicle identification number. That number shall thereafter be used by the owner in making registration or *an application for title* [~~executing a bill of sale~~].

Section 8. KRS 186.190 is amended to read as follows:

(1) Whenever a motor vehicle that has been previously registered changes ownership, the registration plate shall remain upon such motor vehicle as a part of it until the expiration of the registration year.

(2) [~~No person shall purchase, sell or trade any motor vehicle without delivering to the county clerk of the county in which the sale or trade is made the current registration receipt issued on the motor vehicle and the bill of sale.~~

~~(3)~~] Upon delivery of the *certificate of title* [~~registration receipt and the bill of sale~~] to the county clerk of the county in which the sale or trade was made, the seller shall pay to the county clerk a transfer fee of one dollar ($1.00), which shall be remitted to the transportation cabinet. The county clerk shall thereupon issue to the purchaser a [~~transfer of~~] registration bearing the same data and information as contained on the original registration receipt, except the change in name and address. The seller shall pay to the county clerk a fee of two dollars ($2.00) for his services.

[~~(4) Whenever a county clerk issues to a purchaser a transfer of registration in a county other than the one in which the motor vehicle was originally registered, the clerk shall immediately mail one (1) copy of the transfer of registration to the clerk of the county of original registration.~~]

(3)[~~(5)~~] If the owner junks or otherwise renders a motor vehicle unfit for future use, he shall deliver the registration plate, *title* and registration receipt to the county clerk of the county in which the motor vehicle is junked. The county clerk shall immediately return the plate, *title* and *registration* receipt to the transportation cabinet. The owner shall pay to the county clerk fifty cents (50) for his services.

(4)[~~(6)~~] A licensed motor vehicle dealer shall not be required to pay the transfer fee provided by this section, but shall be required to pay the county clerk's fee provided by this section.

(5)[~~(7)~~] The registration receipt issued by the clerk under this section shall contain information as required by the department of vehicle regulation.

The department of vehicle regulation may, if it deems it warranted, provide a special document to allow for additional dealer assignments without requiring system generated documents.

(5) When he assigns the vehicle to a purchaser for use, he shall deliver the properly assigned certificate of title[~~, and a properly executed vehicle transaction record,~~] to such purchaser, who shall make application for registration and a certificate of title [~~thereon~~].

The occupational disease shall be incidental to the character of the business and not independent of the relationship of employer and employe. An occupational disease need not have been foreseen or expected but, after its contraction, it must appear to be related to a risk connected with the employment and to have flowed from that source as a rational consequence.

(12) ''Income benefits'' means payments made under the provisions of this chapter to the disabled worker or his dependents in case of death, excluding medical and related benefits.

(18) ''Agriculture'' means the operation of farm premises, including the planting, cultivation, producing, growing, harvesting and preparation for market of agricultural or horticultural commodities thereon, the raising of livestock for food products and for racing purposes, and poultry thereon, and any work performed as an incident to or in conjunction with such farm operations. It shall not include the commercial processing, packing, drying, storing, or canning of such commodities for market, or making cheese or butter or other dairy products for market.

Floor Amendment No. 1 to **HB 366,** by Representative F. Smith:

Amend printed copy of **HB 366** on page 1, after line 20, by adding the following new section.

"Section 2. KRS 341.370 is amended to read as follows:

(1) A worker shall be disqualified from receiving benefits for the duration of any period of unemployment with respect to which:

(a) He has failed without good cause either to apply for available, suitable work when so directed by the employment office or the secretary or to accept suitable work when offered him, or to return to his customary self-employment when so directed by the secretary; or

(b) He has been discharged for misconduct or dishonesty connected with his most recent work, or from any work which occurred after the first day of the worker's base period and which last preceded his most recent work, but legitimate activity in connection with labor organizations or failure to join a company union shall not be construed as misconduct; or

(c) He has left his most recent suitable work or any other suitable work which occurred after the first day of the worker's base period and which last preceded his most recent work voluntarily without good cause attributable to the employment. *No otherwise eligible worker shall be disqualified from receiving benefits for leaving his next most recent suitable work to return to work with his usual employer or to avoid imminent layoff (of which he has been given notice by his employer) by accepting other work, or for leaving work which was concurrent with his most recent work, or for leaving part-time work which preceded his most suitable work to accept such most recent suitable work.*"

(2) A worker shall be disqualified from receiving benefits for any week with respect to which he knowingly made a false statement to establish his right to or the amount of his benefits, and, within the succeeding twenty-four (24) months, for such additional weeks immediately following the date of discovery, not to exceed a total of fifty-two (52), as may be determined by the secretary.

(3) No worker shall be disqualified under paragraph (b) or (c) of subsection (1) of this section unless the employer, within a reasonable time as prescribed by regulations promulgated by the secretary, notifies the department for human resources and the worker in writing of the alleged voluntary quitting or the discharge for misconduct; provided, however, that nothing in this subsection shall restrict the right of the secretary for human resources to disqualify a worker whose employer has refused or failed to notify the department for human resources of the alleged voluntary quitting or discharge for misconduct if such alleged voluntary quitting or discharge for misconduct is known to the secretary for human resources prior to the time benefits are paid to such worker; provided, further, that the exercise of such right by the secretary for human resources, in the absence of timely notice from the employer, shall not relieve the employer's reserve account of benefit charges under the provisions of subsection (3) of KRS 341.530.

(4) As used in this section and in subsection (3) of KRS 341.530, "most recent" work shall be construed as that work which occurred after the first day of the worker's base period and which last preceded the week of unemployment with respect to which benefits are claimed; except that, if the work last preceding such week of unemployment was seasonal, intermittent or temporary in nature, most recent work may be construed as that work last preceding such seasonal, intermittent or temporary work.

(5) No worker shall be disqualified or held ineligible under the provisions of this section or KRS 341.350, who is separated from employment pursuant to a labor management contract or agreement, or pursuant to an established employer plan, program or policy, which permits the employer to close the plant or facility for purposes of vacation or maintenance.

(6) "Discharge for misconduct" as used in this section shall include but not be limited to separation initiated by an employer for falsification of an employment application to obtain employment through subterfuge; knowing violation of a reasonable and uniformly enforced rule of an employer; unsatisfactory attendance if the worker cannot show good cause for absences or tardiness; damaging the employer's property through gross negligence; refusing to obey reasonable instructions; reporting to work under the influence of alcohol or drugs or consuming alcohol or drugs on employer's premises during working hours; conduct endangering safety of self or co-workers; and incarceration in jail following conviction of a misdemeanor or felony by a court of competent jurisdiction, which results in missing at least five (5) days work.

(7) "Duration of any period of unemployment," as that term is used in this section, shall be the period of time beginning with the worker's discharge, voluntary quitting, or failure to apply for or accept

suitable work and running until such worker has worked in each of ten (10) weeks, whether or not consecutive, and has earned ten (10) times his weekly benefit rate in employment covered under the provisions of this chapter or a similar law of another state or of the United States.

SECTION 1. A NEW SECTION OF KRS CHAPTER 177 IS CREATED TO READ AS FOLLOWS:

(1) Any person transporting resources over the roads of the resources producing counties and the resources impact counties and who has been issued a certificate of weight rating by the transportation cabinet to operate motor vehicles, may operate on any roads and bridges in those counties up to the limits of their weight rating unless a road or bridge has been designated an imminent danger to the public or carries a restrictive weight rating.

(2) The secretary of the transportation cabinet may designate a road or bridge as an imminent danger to the public or restrict the weight rating after careful analysis of the structural integrity of the bridge or road, the traffic on the bridge or road and the history of weights routinely carried by the bridge or road.

(3) A designation of a road or bridge by the transportation cabinet as an imminent danger to the public or as a restricted weight rating shall be a final ruling of the cabinet subject to appeal within sixty (60) days for a trial de novo on the issues of fact into the district court of the county in which the road or bridge in question lies. Such data used by the transportation cabinet in making their final ruling shall be made immediately to interested parties upon request. In the proceedings before the district court, the transportation cabinet shall have the burden of proof to establish either an imminent danger to the public or a restricted weight rating for a bridge or road. The burden of proof shall consist of an analysis of the structural integrity of the bridge or road and the necessity for the reduced weight rating.

(4) The presentation of proof by the transportation cabinet in the district court may be rebuttable by evidence presented showing a history of weights routinely carried by the bridge or road which contradicts the findings of the transportation cabinet. Any evidence presented to the district court during the trial de novo shall be inadmissible in any subsequent civil or criminal proceedings.

(5) After a final determination of a bridge or road as an imminent danger to the public, the transportation cabinet shall, within thirty (30) days after such designation establish the priority ranking of that bridge or road.

(6) The process for determining the imminent danger designation shall be duly promulgated as regulations.

(7) The transportation cabinet shall establish by regulation a priority rating system for the scheduling of all repairs and reconstruction of bridges and roads based upon criteria such as availability of alternate routes and tons per mile carried by those roads or bridges, with those roads or bridges ranking highest receiving the priority.

(8) Any designation of a road or bridge as an imminent danger to the public or of a restricted weight may be withdrawn at any time within the sole discretion of the cabinet.

(9) The transportation cabinet shall allow anyone using a road or bridge to make repairs themselves in accordance to accepted guidelines and standards or contribute funds to the emergency rood fund designated specifically to the repair of a specific road or bridge.

The cabinet shall further publish the total county mileage of the official natural resources road system and the total ton-miles within each natural resources impact and natural

resources producing county for said preceding fiscal year.

(2) Every *producer or processor* [~~person~~] shipping or transporting natural resources[~~, and every carrier hired or common carrier hauling natural resources~~] over the public highways, roads, *bridges,* and streets, shall file with the transportation cabinet such information and at such intervals as the cabinet shall designate by regulation duly adopted for the purpose of identifying those highways, roads, *bridges,* and streets comprising the natural resources road system and the quantities of natural resources transported thereon, in order that the cabinet can accurately calculate total ton-miles within each natural resource impact and natural resource producing county. *Information furnished to the Kentucky department of surface mining pursuant to the permitting requirements of KRS Chapter 350 regarding the public road transportation plan may be submitted to the transportation cabinet to satisfy the reporting requirements of this subsection and such transportation plan must be annually updated to reflect changes* [~~Unless an employe-employer relationship otherwise exists, the securing of a natural resource recovery road permit under KRS 189.276 shall not be construed as establishing such a relationship between the individual or entity securing the permit and the individual or entity hauling under the permit~~].

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 78.530 is amended to read as follows:

(1) Each county and school board as defined in KRS 78.510 will participate in the system by appropriate order authorizing such participation which has been entered and duly recorded in the records of the governing body of the county or school board. The authority to issue and properly record such order of participation being hereby granted, permits such county to participate in the system. The effective date of such participation shall be fixed in the order.

(2) Once a county or school board participates it shall thereafter continue to participate except as provided in KRS 78.535.

(3) (a) Concurrent with the adoption of the appropriate resolution to participate in the system, a county may elect the alternate participation plan which will require the county to purchase on behalf of each employe electing coverage, at the time the county elected to participate in the system as provided under KRS 78.540(2) current service credit between July 1, 1958 and the participation date of the county. Cost of such service credit over and above that which would be funded within the existing employer contribution rate shall be determined by the board's consulting actuary. The expense of such actuarial service shall be paid by the county.

(b) The county shall establish a payment schedule subject to approval by the board for payment of the cost of such service over and above that which would be funded within the existing employer contribution rate. The maximum period allowed in a payment schedule shall be thirty (30) years with interest at the rate actuarially assumed by the board: however, a shorter period is desirable and the board may approve any payment schedule provided it is not longer than a thirty (30) year period.

(4) Every school board not participating on June 21, 1974, shall enact a resolution of participation no later than July 1, 1976.

(5) The order of the governing body of a county, as provided for in subsection (1) of this section, may exclude from participation in the system, hospitals and any other semi-independent agency. Each such excluded agency shall be identified in the order authorizing participation and such excluded agency may participate in the system as a separate agency.

(6) An agency whose participation in the county employes retirement system has been terminated by the board of trustees in accordance with KRS 78.535 may at a later date request participation in the retirement system by the adoption of an appropriate order as authorized by subsection (1) of this section. The board may accept the participation of such agency provided it is determined that such participation is in the best interest of the agency, the employes thereof and the county employes retirement system.

(7) After July 15, 1984, local government retirement systems created pursuant to KRS 95.520, 95.621, 95.767, 95.852, 79.080, 96.180, 90.400 and 90.410 shall be closed to new members. New employes who would have been granted membership in such retirement systems shall instead be granted membership in the county employes retirement system. Employes who would have been granted membership in retirement systems created pursuant to KRS 95.520, 95.621, 95.767, or 95.852 shall be certified by their employers as working in hazardous positions, and employes who would have been granted membership in retirement systems created pursuant to KRS 79.080, 96.180, 90.400 or 90.410 may be certified as working in hazardous positions. Each county, as defined in KRS 78.510, participating in the county employes retirement system pursuant to this subsection shall execute the appropriate order authorizing such participation.

Section 2. KRS 78.531 is amended to read as follows:

A plan may include a combination of contributions by employes and by the city, county, urban-county government or agency into a fund from which coverage or benefits are paid, or it may take any form desired by the city, county, urban-county government or agency. Each city, county, urban-county government or agency may make rules and regulations and do all other things necessary in the establishment and operation of such a plan.

(3) Any city, county, urban-county government or other political subdivision of the state which employs more than twenty-five persons and which provides hospitalization benefits or health maintenance organization coverage to its employes, shall annually give its employes an option to elect either standard hospitalization benefits or membership in a qualified health maintenance organization which is engaged in providing basic health services in a health maintenance service area in which at least twenty-five of such employes reside; except that if any city, county, urban-county government or agencies of any city, county, urban-county government or any other political subdivision of the state which does not have a qualified health maintenance organization engaged in providing basic health services in a health maintenance service area in which at least twenty-five of such employes reside, the city, county, urban-county government or agencies of the city, county, urban-county government or any other political subdivision of the state may annually give its employes an option to elect either standard hospitalization benefits or membership in a health maintenance organization which has been licensed by the Kentucky health facilities and health services certificate of need and licensure board and issued a certificate of authority by the department of insurance as a health maintenance organization and which is engaged in providing basic health services in a health maintenance service area in which at least twenty-five of such employes reside. Any premium due for health maintenance organization coverage over the amount contributed by the city, county, urban-county

government or other political subdivision of the state which employs more than twenty-five persons, for any other hospitalization benefit shall be paid by the employe.

(4) If an employe moves his place of residence or employment out of the service area of a health maintenance organization, under which he has elected coverage, into either the service area of another health maintenance organization or into an area of the state not within a health maintenance organization service area, such employe shall be given an option, at the time of the move or transfer, to elect coverage either by the health maintenance organization into which service area he moves or is transferred or to elect standard hospitalization coverage offered by the employer.

(5) Any plan adopted shall provide that any officer or member of a paid fire or police department who has completed five (5) years or more as a member of the department, but who is unable to perform his duties by reason of heart disease or any disease of the lungs or respiratory tract, is presumed to have contracted his disease while on active duty as a result of strain or the inhalation of noxious fumes, poison or gases, and shall be retired by the pension board under terms of the pension system of which he is a member, if member passed an entrance physical examination and was found to be in good health as required.

(6) The term "agency" as used herein shall include boards appointed to operate waterworks, electric plants, hospitals, airports, housing projects, golf courses, parks, health departments, or any other public project.

(7) After July 1, 1985, no new retirement plan shall be created pursuant to this section. Any city, county, urban county or agency thereof which provided a retirement plan for its employes, pursuant to this section, on or prior to July 1, 1985 shall place employes hired after July 1, 1985 in the county employes retirement system. The city, county, urban county or agency thereof shall offer employes hired on or prior to July 1, 1985 membership in the county employes retirement system under the alternate participation plan as described in KRS 78.530(3), but such employes may elect to retain coverage under this section.

Section 11. KRS 96.180 is amended to read as follows:

(1) The board may, by proper order, provide a pension plan for its employes. In the event the board elects to provide a pension plan, it shall determine and formulate the form of pension plan to be used; determine and prescribe the eligibility of employes or their dependents to a pension or other benefits; determine and prescribe the monthly allowance or pension for employes or their dependents so determined to be eligible for a pension or benefits under the pension plan, not to exceed, however, a sum equal to one-half (1/2) of the monthly salary or wages of any employe at the time of his or her retirement; appoint a commission, which shall consist of three (3) members possessing the qualifications of a member of the board, for the administration of the pension plan and prescribe the powers and duties of such commission; appoint a trustee of the pension fund, fix the term of his office and the compensation of such trustee, and prescribe the powers and duties of such trustee and do and perform any other or further acts necessary to effectuate such pension plan. When a pension plan shall have been adopted, a commission appointed to administer such plan and a trustee of the pension fund appointed and qualified, the board may annually appropriate and pay out of its operating revenue, as a operating expense, into the sinking fund, a sum sufficient, when determined on a fair actuarial basis, to maintain the pension plan so adopted, not exceeding, however, a sum equal to one-half of one per cent (.5%) of the fair value of the utility property and assets. The board may assess, and cause to be paid into the pension fund monthly, such amount or per cent of the salary of all employes eligible under and electing to accept the pension plan as may be equitably determined on a fair actuarial basis, not to exceed, however, five per cent (5%) of the monthly salary of any employe. The trustee of the pension fund shall give such bond as required by the board, the cost of which shall be payable out of the pension fund. The trustee of the pension fund shall each year file with the board a report showing his actions and his accounts as such trustee.

(2) The board shall have full power to receive any and all funds of property which may be available or become available to the board or the city for use in the creation or maintenance of a pension plan for the employes of the board, including but not limiting the power to sign, execute and deliver such receipts, indemnity agreement or other writing which either the board or the city may be required to sign, execute and deliver to obtain any such fund or property for such purpose.

(3) (a) After July 1, 1985, no new pension fund shall be created pursuant to this section.

(b) Any board which provided a pension plan for its employes on or prior to July 1, 1985 shall place employes hired after July 1, 1985 in the county employes retirement system. The board shall offer employes hired on or prior to July 1, 1985 membership in the county employes retirement system under the alternate participation plan as described in KRS 78.530(3), but such employes may elect to retain coverage under this section.

Section 12. KRS 78.540 is amended to read as follows:

Membership in the system shall consist of the following:

(1) All persons who become employes of a participating county after the date such county first participates in the system; and

(2) All persons who are employes of a county on the date the county first participates in the system, either in service or on authorized leave from service, and who elect within thirty (30) days next following such

county's participation, or in the case of persons on authorized leave, within thirty (30) days of their return to active service, to become members and thereby agree to make contributions as provided in KRS 78.510 to 78.852.

(3) The provisions of subsections (1) and (2) of this section notwithstanding, cities which participate in the CERS and close existing local pension systems to new, or all members pursuant to the provisions of Section 1, 3, 4 or 5 of this Act shall not be required to provide membership in the county employes retirement system to employes in any employe category not covered by a city pension system at the date of participation.

Section 13. KRS 65.155 is amended to read as follows:

(1) Each local government or local government agency which has a pension plan which is qualified under Section 401(a) of the Internal Revenue Code shall, solely for the purpose of compliance with Section 414(h) of the United States Internal Revenue Code, pick up the employe contributions made to the respective retirement system pursuant to KRS [~~70.582,~~] 79.080, 96.180, 90.400, 90.410, 95.290, 95.580, 95.627, 95.768, 95.769, or 95.867 for all compensation earned after August 1, 1982, or after qualification pursuant to Section 401(a) of the Internal Revenue Code, whichever is later, and all contributions so picked up shall be treated as employer contributions in determining tax treatment under the United States Internal Revenue Code and KRS 141.010(9). However, each local government or local government agency shall continue to withhold federal and state income taxes based upon these contributions and hold them in a separate account until the Internal Revenue Service or the federal courts rule that, pursuant to Section 414(h) of the United States Internal Revenue Code, these contributions shall not be included as gross income of the employe until such time as the contributions are distributed or made available to the employe. The picked up employe contribution shall satisfy all obligations to the retirement fund satisfied prior to August 1, 1982, or later date, as the case may be, by the employe contribution, and the picked up employe contribution shall be in lieu of an employe contribution. The local governments or local government agencies shall pay these picked up employe contributions from the same source of funds which is used to pay earnings to the employe. The employe shall have no option to receive the contributed amounts directly instead of having them paid by the local government or local government agency to the fund. Employe contributions picked up after August 1, 1982 shall be treated for all purposes of KRS [~~70.582,~~] 79.080, 96.180, 90.400, 90.410, 95.290, 95.580, 95.627, 95.768, 95.769 or 95.867 in the same manner and to the same extent as employe contributions made prior to August 1, 1982, or later date of pick up, as the case may be.

(2) The pick up of employe contributions by the employer shall not be construed to reduce the final salary or the average salary upon which the employe retirement benefit may be based in any of the retirement systems covered by this section.

Section 14. KRS 65.156 is amended to read as follows:

(1) The governing board of any local government retirement system created pursuant to KRS 67A.320, 67A.340, 67A.360 to 67A.690, [~~70.580 to 70.598,~~] 79.080, 90.400, 90.410, 95.290, 95.520 to 95.620, 95.621 to 95.629, 95.767 to 95.784, 95.851 to 95.884 or 96.180 shall submit the retirement system to an actuarial evaluation at least once every three (3) years, if the system provides a defined benefit. The evaluation shall be prepared by an actuary who is a fellow of the society of actuaries, a member of the American academy of actuaries, or an enrolled actuary under the Employes' Retirement Income Security Act of 1975. The board shall send a copy of the most recent evaluation to the librarian of the legislative research commission by September 1, 1982, and thereafter the board shall send a copy of each new evaluation within ten (10) days of receipt.

(2) Actuaries performing evaluations pursuant to this section shall use the entry age normal cost funding method. Their reports shall include a definition of each actuarial term and an explanation of each actuarial assumption used. Assumptions shall be reasonably related to the experience of the system and represent the actuary's best estimate of anticipated experience.

(3) Any city with a retirement system created pursuant to KRS 79.080, 90.400, 90.410, 95.520 to 95.620, 95.621 to 95.629, 95.767 to 95.784, 95.851 to 95.884 or 96.180 which is closed to new members pursuant to Section 1, 3, 4 or 5 of this Act shall contribute annually to the pension system, for the benefit of the retirees of the system and the active participants who choose to remain in the system, and in cities of the second class for the benefit of members who have completed at least twenty (20) years' service and withdrawn from service pursuant to KRS 95.857, an amount equal to that which would be required pursuant to the funding standards of KRS 95.868, plus so much of the principal amount of any unfunded prior service liability as the actuary states is necessary to maintain cash flow adequate to pay retiree and beneficiary payments until financial obligations to all retirees and beneficiaries are fully satisfied.

Whenever a city of the first class desires to annex any unincorporated territory or to reduce the boundaries of the city, the city legislative body may enact an ordinance, defining accurately the boundary of the territory proposed to be annexed or stricken off. The ordinance shall be published pursuant to KRS chapter 424. In not less than thirty (30) days after the enactment of the ordinance, if the publication has been made and no petition has been filed in the circuit court as provided in KRS 81A.020, the city legislative body may enact another ordinance annexing to the city or striking from the city the territory described in the ordinance. Upon the enactment of this ordinance, the territory shall become part of the city, or be stricken from the city.

Any city of the first class which proposes to annex territory pursuant to KRS 81A.010 [~~or 81A.030~~] shall, prior to the enactment of the first ordinance, hold public hearings as provided in KRS 81A.060 and prepare a report setting forth the plans for the extension of services to the area proposed to be annexed. (b) Provide for extension, into the area to be annexed, of streets and of major trunk water mains, sewer outfall lines, and lines for such utility services as the city provides to existing city residents and legally may provide in the annexed area, so that when such streets and utility lines are constructed, property owners in the area to be annexed will be able to secure the services, according to the policies in effect in the city for extending the services to individual lots or subdivisions; and shall name the government proposed to be responsible under the plans for any streets or form a boundary of the area to be annexed;

(c) Set forth a proposed timetable for the extension of, and if necessary, the construction for each major city service;

Section 3. KRS 81A.400 is amended to read as follows:

The boundaries of any city other than a city of the first class shall remain as established by law until changed as provided in KRS 81A.410 to 81A.470. Section 4. KRS 81A.410 is amended to read as follows:

(1) A city legislative body may extend the city's boundaries to include any area:

(a) Which is adjacent or contiguous to the city's boundaries at the time the annexation proceeding is begun; and

A copy of the ordinance shall be sent to the county clerk who shall have prepared, for presentation to the voters located within the area to be stricken, the question: "Are you in favor of being stricken from the city of ________________, and becoming part of the unincorporated area of the county?"*

(2) If a majority of those voting on the question vote "Yes" to the question of being stricken, the legislative body of the city within ten (10) days of the certification of the election, shall enact an ordinance declaring the area to be stricken from the corporate limits of the city as of the date of the ordinance [~~following the procedure outlined in KRS 81A.430 for annexing territory~~].

Section 7. KRS 81A.450 is amended to read as follows:

(2) "Use allowance" means compensation equal to four percent (4%) annually of the total original capital costs and the cost of capitalized renovation of the court facility, except that if indebtedness has been incurred in respect to such capital costs at a constant annual interest rate equal to or greater than seven percent (7%), compensation shall be at a rate of eight percent (8%) annually of that portion of the capital costs for which the rate applies. *No county, however, shall receive less than the equivalent of one dollar ($1.00) per net square foot as capital reimbursements for the use of local court facilities by the court of justice.*

(3) "Capital costs" means the costs borne by the unit of government, excluding grants, conditioned by the grantor agency specifically for court facility construction or renovation, for acquisition of property and for construction and capitalized renovation including interest accruing during construction or renovation, but no other interest of each court facility. If capital costs are not documented, reasonable estimates provided by qualified appraisers will suffice.

(7) "Court facilities standards committee" means a committee consisting of the chief justice or his designee, one (1) judge each of the court of appeals, the circuit court and the district court appointed by the supreme court, the president of the circuit clerks' association, the chairman of the judiciary-civil committees of the general assembly, the secretary of the finance and administration cabinet, and a county judge/executive appointed by the governor. Each appointed member shall serve for a term of four (4) years from the date of his appointment or until he vacates the office in respect to which he was appointed, whichever is earlier.

Section 2. KRS 29A.060 is amended to read as follows:

(1) Each circuit or district judge shall inform the chief circuit judge or his designee of his needs for qualified jurors.

(2) To select a grand jury or a petit jury in circuit court, the clerk shall:

(a) *Assign thirty-two (32) jurors selected in rotation or at random to the court* [~~Draw thirty-two (32) names at random from the jury wheel~~];

(b) List the names, in the order drawn, from one (1) to thirty-two (32);

(c) Place thirty-two (32) numbered balls *or cards* in a box and shake the box;

(d) Draw the required number of balls *or cards,* dependent on the number of jurors required plus alternates, from the box and record the number of each ball *or card* as it is drawn.

(3) To select a petit jury for a trial in district court, the clerk shall:

(b) List the names, in the order drawn, from one (1) to sixteen (16);

(c) Place sixteen (16) numbered balls *or cards* in a box and shake the box;

(d) Draw the required number of balls *or cards*, dependent on the number of jurors required plus alternates, from the box and record the number of each ball *or card* as it is drawn.

(4) The names corresponding to the numbers on the balls *or cards* which have been drawn shall constitute the petit jury. When alternate jurors are permitted the last *number or numbers* [~~ball or balls~~] drawn, as the case may be, will represent the alternate jurors.

(5) As jurors are excused and new jurors are required additional balls *or cards* shall be drawn from the box, one (1) for each juror required, until all of the balls *or cards* in the box have been exhausted.

(6) In the event that all of the balls *or cards* in the box have been exhausted the box shall be refilled utilizing the process required by subsections (1) to (4) of this section.

(7) The chief circuit judge shall regulate the random assignment of jurors for use in circuit and district courts *and may assign identifying numbers to be used instead of names in notifying jurors whether to report each day. The chief circuit judge may cause daily service to be rotated equitably among jurors during the period of jury service.* Any petit juror assigned to a judge of circuit or district court may be used by any other judge of any other branch or division of circuit or district court when jurors are needed.

(8) *Before the commencement of a jury period of service, each circuit and district judge shall inform the chief circuit judge or his designee of his needs for qualified jurors for the next jury period.* [~~If a grand, petit, or other jury is ordered to be drawn,~~] The chief circuit judge or his designee thereafter shall cause each person drawn *from the jury wheel* for jury service to be served with a summons requiring him to report for jury service at a specified time and place, unless otherwise notified by the court, and to be available for jury service for thirty (30) judicial days thereafter. The service of summons may be either made personally by the sheriff or sent by first class mail, addressed to him at his usual residence, business, or post office address. In either case, notice shall be mailed or served to the juror at least thirty (30) days before he is required to attend.

(9) The juror qualification form required by KRS 29A.070 shall be enclosed with the summons. If the summons is served by mail, any prospective juror who does not return the juror qualification form within ten (10) days shall be personally served by the sheriff.

(10) When there is an unanticipated shortage of available jurors drawn from a jury wheel, the court may cause additional names to be drawn. The persons so chosen shall be summoned as provided in this section, but need not be given the notice provided in subsection (8) of this section.

(11) Only persons duly qualified and summoned under subsection (8) of this section and KRS 29A.070 shall serve as jurors.

(12) If, after making a fair effort in good faith, the judge is satisfied that it will be impracticable to obtain a jury free of bias in the county in which the prosecution is pending, he may obtain a sufficient number of jurors from some adjoining county in which the judge believes there is the greatest probability of obtaining impartial jurors. *If the judge is satisfied that impartial jurors cannot be found in an adjacent county, he may order jurors to be selected from the next most convenient county.* The judge shall request the chief circuit judge for the [~~adjoining~~] county *so chosen* to draw and summon as many jurors as are needed. Jurors summoned under this subsection need not be given the notice provided in subsection (8) of this section.

(13) The names of jurors drawn from the jury wheel shall be made available to the public.

Section 3. KRS 34.320 is amended to read as follows:

Upon notification from the finance and administration cabinet, the annual salary of justices and judges of the court of justice for fiscal years *1984-1985 through and including 1985-1986* [~~1982-1983 and 1983-1984~~] shall be set at a rate which includes the adjustment for the increase or

(1) Members of the general assembly and members-elect of the general assembly who have received their certificates of election are hereby authorized, during such time as the general assembly is not in session, to pre-file bills and resolutions for introduction in the next succeeding regular legislative session with the director of the legislative research commission. Section 9. KRS 6.500 is amended to read as follows:

There hereby is created a retirement plan for the members of the general assembly (hereinafter "legislators"). Each legislator in office on the July 1, 1980, and each legislator thereafter taking office, may acquire membership in the plan in accordance with the provisions of KRS 6.505. [~~In the event that a legislator in office during the 1980 regular session of the general assembly should die prior to July 1, 1980, then the person who would have been eligible for survivor benefits, had the legislator elected membership in the legislators' retirement plan, may elect such membership pursuant to KRS 6.505 and be eligible for survivor benefits of the legislators' retirement plan.~~]

Section 10. KRS 6.505 is amended to read as follows

(1) Each legislator in office on July 1, 1980 may within thirty (30) days after that date, and any legislator thereafter taking office may within thirty (30) days after the date thereof, elect to make monthly contributions to the legislators' retirement plan, in an amount equal to five (5) percent of his monthly creditable compensation, as defined in KRS 61.510(13). The election shall be effective to establish membership in the plan as of July 1, 1980 or as of the date from which the thirty (30) day period is measured, as the case may be. Provided, however, that any legislator who was in office on July 1, 1980 and who is in office at the time he makes the election may, after the expiration of the thirty (30) day period and until May 1, 1982, make the election, in which event he shall pay to the legislators' retirement plan, for the months between July 1, 1980 and the date of his election such sum as, when added to any member's contribution by him that is transferred from another retirement system under KRS 6.535, will equal the member's contribution required by this section. If the member makes his election after February 1, 1981, he shall in addition pay to the plan interest on the foregoing sum, at six percent (6%) per annum, calculated as if the sum consisted of equal monthly payments, one of which was due at the end of each month between July 1, 1980 and the date the election was made. The election shall be addressed to and filed with the secretary of the finance and administration cabinet and shall constitute an authorization to the secretary to thereafter cause to be deducted from the member's monthly creditable compensation an amount equal to five (5) percent thereof, as a voluntarily elected contribution by the member towards the funding of the legislators' retirement plan. Such election shall operate to create an inviolable contract between such member and the Commonwealth, guaranteeing to and vesting in the member the rights and benefits provided for under KRS 6.515 to 6.530. An election once made under this section either to participate or not to participate in the legislators' retirement plan, shall be considered to apply to all future service as a legislator, whether in the same or a different office as a legislator, and whether or not it is in successive terms.

(2) The state shall, solely for the purpose of compliance with Section 414(h) of the United States Internal Revenue code, pick up the employe contributions required by this section for all compensation

earned after August 1,1982, and the contributions so picked up shall be treated as employer contributions in determining tax treatment under the United States Internal Revenue Code and KRS 141.010(9). [~~However, the state shall continue to withhold federal and state income taxes based upon these contributions and hold them in a separate account until the Internal Revenue Service or the federal courts rule that, pursuant to Section 414(h) of the United States Internal Revenue Code, these contributions shall not be included as gross income of the employe until such time as the contributions are distributed or made available to the employe.~~] The picked up employe contribution shall satisfy all obligations to the retirement system satisfied prior to August 1, 1982 by the employe contribution, and the picked up employe contribution shall be in lieu of an employe contribution. The state shall pay these picked up employe contributions from the same source of funds which is used to pay earnings to the employe. The employe shall have no option to receive the contributed amounts directly instead of having them paid by the employer to the system. Employe contributions picked up after August 1, 1982 shall be treated for all purposes of KRS 6.500 to 6.535 in the same manner and to the same extent as employe contributions made prior to August 1, 1982.

(3) When any legislator elects membership in the legislators' retirement plan in accordance with this section, his active membership in the Kentucky employes' retirement system, state police retirement system, county employes' retirement system, or teachers' retirement system shall terminate, as of the date his membership in the legislators' retirement plan becomes effective, and any credit in such other system or systems, earned for service as a legislator, which he then has or which he subsequently regains while being an active member of the legislators' retirement plan, shall be transferred to and counted as service credit in the legislators' retirement plan, and shall no longer constitute credit in such other retirement system except for the purpose of validating any other credit in that system. However, any credit he then has in such other retirement system, earned for service in any capacity other than a legislator, shall not be affected. No person may attain credit in more than one (1) of the retirement plans or systems mentioned in this section, for the same period of service.

(4) A member of the legislators' retirement plan who would be entitled, under KRS 61.552, to repurchase credit in the Kentucky employes' retirement system, for previous service as a legislator, which credit had been lost by refund of contributions, may pay the amount required by KRS 61.552 directly to the legislators' retirement plan and thereby obtain credit in that plan for such service, rather than making payment to the Kentucky employes' retirement system for credit which would be transferred to the legislators' retirement plan. In such event, the Kentucky employes' retirement system shall transfer to the legislators' retirement plan an amount equal to the employer's contributions that originally were made to the Kentucky employes' retirement system for the regained service credit, with interest as provided in KRS 6.535. Six (6) months' current service shall be required in the legislators' retirement plan in order for the repurchased credit to remain in force, the same as provided in KRS 61.552.

Section 11. KRS 6.520 is amended to read as follows:

(1) A member of the legislators' retirement plan who retires on or after his normal retirement date [~~but not before December 30, 1981,~~] shall receive a service retirement allowance, payable monthly during his lifetime, in an amount per month equal to three and fifty one-hundredths percent (3.50%) of his final compensation multiplied by the number of years of his service, but in no event to exceed one hundred percent (100%) of final compensation. For this purpose, "final compensation" means the average monthly creditable compensation as determined in KRS 61.510(13) of the member for services as a legislator for the sixty (60) months of service immediately preceding retirement, except that in the case of a legislator who retires pursuant to KRS 21.410 or who dies in office, "final compensation" shall be two thousand two hundred ninety-one dollars sixty-six cents ($2,291.66).

(2) A member shall have rights, with respect to retirement before reaching normal retirement date[~~, but not before December 30, 1981,~~] in the *legislators'* [~~legislators~~] retirement plan, identical in terms with those rights provided in KRS 21.400(2) and (3) in the judicial retirement plan for members of that plan, except that the reduction in a *legislators'* [~~legislators~~] service retirement allowance for early retirement shall be at the rate of five percent (5%) of the allowance for each year that retirement precedes the normal retirement date.

(3) [~~Survivor benefits shall not be subject to the December 30, 1981 deferment date as specified in subsection (1) of this section.~~

~~(4)~~] Subsections (1) *and (2)* [~~through (3)~~] of this section to the contrary notwithstanding, each legislator in office on July 1, 1982 that is a member of the *legislators'* [~~legislative~~] retirement plan, who retires on or after his normal retirement date, shall receive a service retirement allowance, payable monthly, on a formula equal to that of a justice or judge of the court of justice with an equivalent service entrance date, but in no event less than that specified in Acts 1980, Chapter 407, Section 15, subsection (1), of his final compensation multiplied by the number of years of his service, but in no event to exceed one hundred percent (100%) of his final compensation. For this purpose, "final compensation" means the average monthly creditable compensation as determined in KRS 61.510(13) of the sixty (60) months of service immediately preceding retirement.

(4)[~~(5)~~] Subsections (1) *and (2)* [~~through (3)~~] of this section to the contrary notwithstanding, a member of the *legislators'* [~~legislative~~] retirement plan with a service entrance date after July 1, 1982 who

retires on or after his normal retirement date, shall receive a service retirement allowance, payable monthly during his lifetime, in an amount per month equal to two and seventy-five one-hundredths percent (2.75%) of his final compensation multiplied by the number of years of his service, but in no event to exceed one hundred percent (100%) of final compensation. For this purpose, "final compensation" means the average monthly creditable compensation as determined in KRS 61.510(13) of the member for services as a legislator for the sixty (60) months of service immediately preceding retirement.

Section 12. KRS 7.120 is amended to read as follows:

(2) The commission shall prepare and submit to the general assembly such consolidation, revision and other matters relating to the statutes as can be completed from time to time.

(3) The commission shall keep in its office an accurate and complete record of all legislation enacted by the general assembly and shall study same for the purpose of determining the intention and the effect thereof. [~~The commission shall prepare and keep accurate and complete annotations of court decisions construing the statutes.~~] The commission shall advise and assist the members of the general assembly in the preparation and revision of legislation and matters connected therewith. When preparing and revising legislation for members of the general assembly the commission shall maintain the confidentiality of each item of legislation which it is requested to prepare, and of the fact that such request has been made, until such time as the member or members of the general assembly having made the request shall introduce said legislation at a regular or extraordinary session of the general assembly or shall in writing authorize its publication by the commission. The commission shall, when requested by the general assembly or either house thereof, report to the general assembly on bills introduced, calling attention to their effect on existing legislation and to any deficiencies in their form.

Section 13. KRS 7.125 is amended to read as follows:

The reviser of statutes is directed to *require publication* [~~publish~~] in the Kentucky Revised Statutes *of* the Rules of Civil Procedure and the Rules of Criminal Procedure.

Section 14. KRS 7.132 is amended to read as follows:

(1) The commission shall determine when editions of KRS, supplements and supplementing pocket parts thereto shall be published and shall provide for the sale thereof. The commission *shall designate the publisher or publishers of the official version of the Kentucky Revised Statutes* [~~may contract for the printing and binding of editions and supplemental publications without regard to the laws governing state printing except that any such contract shall be let upon bids to the lowest and best bidder. The commission shall promulgate regulations providing for the letting of bids and the advertisements therefor~~].

(2) [~~All publications of statutes under KRS 7.120, 7.132, 7.134, 7.136, 7.138 and 7.140 shall be sold at prices fixed by the commission.~~] The commission may[~~, however,~~] furnish to the state law library, without cost, on request of the chief justice, such copies of the publications as are necessary to enable the state law librarian to carry out duties imposed on him by law. The commission shall include in its report to each regular session of the general assembly a statement showing the cost, number of copies, *sale* [~~sales~~] price, and distribution of all copies of any edition published since the last regular session.

(3) [~~The commission shall control and supervise the use of type acquired by the state under any contract for the printing of the statutes and may permit the use of the type for the printing of pamphlets of particular portions of the statute laws requested by any state department or agency, under such terms and conditions as the commission considers reasonable.~~

~~(4)~~] Any supplement or supplemental pocket parts published under KRS 7.120, 7.132, 7.134, 7.136, 7.138 and 7.140, may be cited as "KRS Supp." or "KRS p. p." respectively.

Section 15. KRS 7.136 is amended to read as follows:

(1) The commission, in preparing editions of the statutes or supplements or pocket parts thereto for publication or distribution, shall not alter the sense, meaning or effect of any act of the general assembly, but may renumber sections and parts of sections of the acts of the general assembly, change the wording of headnotes, divide or rearrange sections and parts of sections, change words when directed by law, change reference numbers to agree with renumbered chapters or sections, or to make corrections in reference numbers when sections referred to are repealed or amended and the correction can be made without change in the law, substitute the proper section or chapter numbers for the terms "this act," "the preceding section," and the like, [~~strike out figures where they are merely a repetition of written words,~~] change capitalization for the purpose of uniformity, and correct manifest clerical or typographical errors.

(2) In any edition of Kentucky Revised Statutes or supplement thereto hereafter published, the reviser of statutes may substitute the name of any agency, officer or instrumentality of the Commonwealth or of a political subdivision whose name is changed by law or to which powers, duties and responsibilities have been transferred by law, for the name which the agency, officer or instrumentality previously used or of the agency which was previously vested with the same powers and charged with the same duties and

responsibilities.

(3) If any section or part of a section of *a* [~~the~~] statute [~~edition or of any supplement or pocket part thereto~~] or of any act of the general assembly is amended by more than one (1) act at the same session of the general assembly, the commission may incorporate in the statute [~~edition, supplement or pocket part~~], the section as amended or altered by the several acts, if each of the amendments, changes or alterations can be given effect and incorporated in the section in a manner which will make the section intelligible. If a conflict appears between any section amended in an act to revise and amend the Kentucky Revised Statutes and the same section in any other act adopted at the same session of the general assembly the change or alteration effected by the nonrevisory act shall be inserted in the section as incorporated in the statute publication.

Section 16. KRS 7.138 is amended to read as follows:

(1) When any complete edition of the statutes is published [~~by the commission~~], the reviser of statutes shall prepare a certificate that the same contains all statute laws of the Commonwealth of a general nature except those omitted pursuant to KRS 7.134, that each section printed in the edition has been compared with the original section in the enrolled Kentucky Revised Statutes, or, in the case of sections of acts enacted after the adoption of the Kentucky Revised Statutes, with the original section in the enrolled bill, and that, with the exception of the changes in form permitted by KRS 7.136, the sections in the printed edition are correctly printed. A similar certification for each supplement or supplemental pocket part shall be made but it need not recite that same contains all general statute laws. [~~One (1) copy of the edition, with the original certificate affixed thereto, shall be filed in the office of the secretary of state.~~] All [~~other~~] copies of the edition shall contain a printed copy of the certificate.

(2) Any edition so certified shall constitute prima facie evidence of the law in all courts and proceedings, and any section in such edition may be amended or repealed by reference to the section number, without reference to the legislative act from which it was compiled. No compilation of the statute laws of Kentucky not bearing such a certificate shall be admissible as evidence of the law in any court or proceeding.

Section 17. KRS 7.140 is amended to read as follows:

[~~The director shall furnish the reviser with adequate office space, office furniture and supplies, books and legal publications, duplicating, mailing, telephone and electric service and bookkeeping and other management service. (1) Prior to August 1, 1982, every employe shall be deemed to consent and agree to any deduction from his compensation required by KRS 6.500 to 6.535, 16.510 to 16.652 and 61.510 to 61.692 and 78.510 to 78.852 and to all other provisions thereof. Thereafter employe contributions shall be picked up by the employer pursuant to KRS 61.560 (4).

(2) (a) Notwithstanding any other provisions of KRS 6.500 to 6.535, 16.510 to 16.652 and 61.510 to 61.692 and 78.510 to 78.852 and 161.220 to 161.714, upon death, disability, or service retirement a member's accounts under the legislators' retirement plan, state police retirement system, Kentucky employes' retirement system, county employes' retirement system and teachers' retirement system shall be consolidated for the purpose of determining eligibility and amount of benefits. The computation of benefits shall be based on the applicable formula in each system and service credit in each system, but the final compensation shall be determined as if all service were in one (1) system. If the member has prior service in more than one (1) system, he must obtain at least twelve (12) months' current service in each system in which he has prior service in order to validate such prior service in each system for purposes of determining consolidated benefits under this section. Upon the determination of benefits each system shall pay the applicable percentage of total benefits.

(b) The provisions of paragraph (a) of this subsection shall be waived if the member notifies the board of his desire to maintain separate retirement accounts in the state police retirement system, Kentucky employes' retirement system or county employes' retirement system, or if he is a member of the state police retirement system or is working in a hazardous position under the Kentucky employes' retirement system or county employes' retirement system and as a result of an act in line of duty becomes disabled or deceased.

(c) If the member has not contributed at least one (1) year in a system in which he has prior service his current service in such system shall be valid for purposes of determining eligibility and in computation of benefits on a consolidated basis.

(3) A member with service credit in the Kentucky employes' retirement system, state police retirement system or the county employes' retirement system who becomes the holder of an office entitling him to membership in the judicial retirement plan or the legislators' retirement plan, but who does not elect within thirty (30) days after taking office in such service to participate in such plan, in accordance with KRS 6.505 or 21.360, shall be deemed to have elected to retain membership in the system in which he is a member, either the Kentucky employes' retirement system, state police retirement system or the county employes' retirement system. In that event, the agency employing the member shall withhold employe contributions, or picked up employe contributions after August 2, 1982, make employer contributions and remit these contributions to the system in which the member retained his membership. Any person entitled to membership in the judicial retirement plan or the legislators' retirement plan, who does not elect within thirty (30) days after taking office to participate in such plan, in accordance with KRS 6.505 or 21.360, and who at the time of taking office is not a contributing member of, or does not have service credit in, any of the retirement systems mentioned in this section, or the teachers' retirement system, shall participate in the Kentucky employes' retirement system.

(4) (a) Prior to July 1, 1976 a person entering the service of an employer participating in the Kentucky employes' retirement system or the county employes' retirement system with service credit in the teachers' retirement system and who desires to retain membership in the teachers' retirement system, and who is permitted by that system to continue is hereby exempt from participating in the Kentucky employes' retirement system or the county employes' retirement system.

(b) Any person who has elected to retain membership in the teachers' retirement system as provided in paragraph (a) of this subsection may cancel his election and participate in the system under which his position would normally participate, provided he elects to cancel his option prior to January 1, 1977.

(c) Any member of the general assembly who upon election is a contributing member of the teachers' retirement system and who does not elect within thirty (30) days after taking office to participate in the legislators' retirement plan, in accordance with KRS 6.505, shall during his term of office participate in the Kentucky employes' retirement system unless an election to retain membership in the teachers' retirement system is filed in writing within ninety (90) days after his term of office begins. No contributions may be made to the teachers' retirement system for the same period of service under the legislators' retirement plan or the Kentucky employes' retirement system as a member of the general assembly, but contributions made to the teachers' retirement system while a member of the general assembly shall be transferred to the legislators' retirement plan as provided for in KRS 6.535 when the member elects to join the legislators' retirement plan, and service credit in the legislators' retirement plan shall be granted as provided for in KRS 6.505*(3)*[~~(2)~~].

(5) Effective July 1, 1974 any member of the Kentucky employes' retirement system or county employes retirement system who is working in a position covered by one (1) of these retirement systems and his employe contributions, service credit and employer contributions made on his behalf are being transferred to the other retirement system shall contribute to the system in which his employer participates, or after August 1, 1982, the employer shall pick up such employe contributions, and no further contributions or service credit shall be transferred to the system in which he elected to retain membership as subsection (2) of this section eliminates the necessity of such transfers.

(6) Any member of the Kentucky employes' retirement system or county employes' retirement system who is working in more than one (1) position covered by one (1) of these retirement systems, will have his wages and contributions consolidated and his retirement account administered as a single account. If part-time positions are involved, then an accumulation of all hours worked will be used to determine eligibility under KRS 61.510(21).

(7) Notwithstanding the provisions of subsection (3) of this section, a person who does not have the amount of service required for service retirement in the state police retirement system, Kentucky employes' retirement system, county employes' retirement system or teachers' retirement system, but who is a member of one (1) of such systems or is a former member of one (1) or more of such systems with valid service credit therein, will become eligible for service retirement benefits attributable to the amount of his actual service credit in each such system in which he has service credit when his combined service credit in all such systems, plus any service credit he has in the judicial retirement plan or legislators' retirement plan, is equal to that required for service retirement in each respective system. The computation of benefits shall be based on the applicable formula in each system and service credit in each system, but the final compensation shall be determined as if all service were in one (1) system.

Section 43. KRS 61.990 is amended to read as follows:

(1) [~~Any person who violates any provision of KRS 45A.330 to 45A.340, upon conviction, shall be punished by confinement in the penitentiary for not less than six (6) months, nor more than two (2) years, or fined not less than two hundred dollars ($200) nor more than one thousand dollars ($1,000), or both, and in addition he shall be adjudged to have forfeited any statutory office or employment which he may hold.~~

Section 44. KRS 64.590 is amended to read as follows:

In the case of any political subdivision or local governmental unit or district other than a county or city, having a governing body or authority composed of more than one (1) member, such governing body or authority shall fix the compensation of every officer and employe of the political subdivision, local governmental unit or district whose compensation is payable from the funds of the political subdivision, governmental unit or district, except that in the case of officers elected by popular vote the same limitations and restrictions shall apply as are applicable under KRS *83A.070* [~~64.580~~] to the fixing of compensation of city officers elected by popular vote. Nothing in this section is intended to confer any power on any governing board or authority, with respect to the compensation of its own members, that it does not specifically possess under other statutes. This section applies to school districts, but is not intended to supersede any present provision of law relating to the fixing or payment of the compensation of teachers.

Section 45. KRS 64.810 is amended to read as follows:

(1) Any county clerk, sheriff, or jailer may employ a certified public accountant to audit the books, accounts, and papers of his office in lieu of the audit conducted by the state auditor of public accounts required by KRS 43.070, if the auditor of public accounts declines to perform the audit or has failed to respond to written notice of intent to employ a certified public accountant within thirty (30) days of receipt of the notice.

(2) If said official elects to exercise the right prescribed in subsection (1) *of this section*, then he shall:

(a) Notify in writing by January 30 following the calendar year to be audited the fiscal court of his county and the state auditor of the name of the certified public accountant employed by said official to audit the books, accounts, and papers of his office;

(b) Bear the cost of the audit from funds received or collected by him, and the cost of the audit shall be construed as an expense of his office.

(a) The audit shall be completed by August 1 following the calendar year being audited;

(b) The certified public accountant shall forward a copy of the audit report and management letters to the county official, fiscal court of the county and the auditor of public accounts upon completion of the audit, and no later than August 1 following the calendar year being audited;

(c) The auditor of public accounts shall have the right to review the certified public accountant's work papers.

(4) After preliminary review of the certified public accountant's work papers, should discrepancies be found, the auditor's office may conduct its own audit to verify the findings of the certified public accountant's report. If such audit is conducted, the expenses to said county official, as directed by KRS 43.070*(4)*[~~(3)~~] shall be construed as an allowable expense of that office. If the audit conducted by the auditor of public accounts discloses discrepancies in the audit by the certified public accountant, the findings of the auditor of public accounts shall be deemed official for purposes of collection of money owed the county pursuant to KRS 64.820.

(5) No later than August 1 following the calendar year being audited, the county official shall submit the accountant's written report to the governor, the general assembly, the attorney general, the county officials' compensation board, the state librarian and county attorney of his county. In addition the official shall send the report to the newspaper having general circulation in the county of the official, and the letter of transmittal accompanying the report shall be published in said newspaper in accordance with the provisions of KRS Chapter 424.

(6) This section shall not be construed as eliminating the requirement that the books, accounts, and papers of the above named officials be audited yearly.

transmissible to man and domestic animals exists or is threatened in any species of wildlife, declare all or any portion of said county to be an epidemic area. Following such declaration the fiscal court may, with approval of the *cabinet* [~~state department~~] for human resources and department of fish and wildlife resources conduct control programs, including population reduction programs, against any species of wildlife including, but not limited to, red and gray foxes, skunks and rodents which may be serving as reservoirs and/or vectors of any disease transmissible to human beings and/or domestic animals including but not limited to rabies, leptospirosis, salmonellosis and Rocky Mountain spotted fever. All pet animals in the area shall be quarantined for the duration of the program by action of the local board of health. Such programs shall be regulated to provide specific identification of bait station locations, daily check of each bait station, and positive pickup and destruction of all unconsumed baits at the end of the program.

(2) No liability shall be imposed upon any state agency or local agency or any employe or agent thereof for any injury occurring to domesticated animals, individuals or property in carrying out programs in good faith authorized by this section, but all persons and agencies shall be liable to the extent otherwise provided by law for ordinary and gross negligence.

Section 60. KRS 109.011 is amended to read as follows:

The general assembly of the Commonwealth of Kentucky hereby finds, determines and declares, as follows:

(1) That an ever-increasing volume of solid waste within the Commonwealth is being generated as a result of increasing economic and commercial activity, continuing technological progress and changes in methods of manufacturing, packaging and marketing of consumer products, which results in additional solid wastes discarded by the users of such products;

(2) That the continued economic and population growth of the Commonwealth has required increased industrial and commercial expansion and has made necessary the demolition of obsolete structures, the construction of new structures, the provision of highways and other avenues of transportation and the construction and installation of public works which, together with pre-existing commercial, industrial and agricultural operations, have resulted in the generation of further volumes of solid wastes;

(3) That the handling of solid wastes has been primarily carried out through the dumping of such wastes on open soil and in landfills, which in some cases are inimical to the public health, safety and welfare;

(4) That by the enactment by the Congress of the United States of the Resource Conservation and Recovery Act of 1976 (Public Law 94-580), as amended, the collection, sanitary disposal and recovery of solid wastes has been determined to be a matter of nationwide importance, recognizing that the management of solid wastes should continue to be primarily the function of state, regional and local agencies; and that pursuant to such federal law, the Commonwealth has taken and will take certain actions in respect to the planning and implementation of solid waste plans within the guidelines of time requirements set forth in such federal law;

(5) That as a result of the conditions described in the foregoing findings, problems of solid waste collection, management and treatment and resource recovery activities in connection therewith have become a matter of state-wide concern necessitating action by the general assembly to (a) enable responsible planning and management agencies to be created to define solid waste management requirements, with all of the foregoing subject to regulation by the natural resources and environmental protection cabinet, and (b) assist those units of government primarily responsible for the management of solid waste and the acquisition, financing and operation of facilities to dispose of same to fulfill their functions in a responsible and proper manner with primary emphasis on the regionalization of such functions; [~~and~~]

(6) That it is the intent of the general assembly of the Commonwealth of Kentucky that the primary responsibility for adequate solid waste collection, management, treatment, disposal and resource recovery shall rest with counties, or combinations of counties and waste management districts, subject to standards set by regulations promulgated by the natural resources and environmental protection cabinet and subject to approval by such cabinet of the implementation of solid waste collection, treatment, disposal, and resource recovery plans, all for the purpose of effectuating the safe and sanitary management, use and handling of solid waste, the protection of the health, welfare and safety of the citizens and inhabitants of the Commonwealth and for making the most efficient use of all resources for the benefit of the citizens and inhabitants of the Commonwealth;[~~.~~]

(7) That the general assembly recognizes that the generation of solid waste is inevitable, but that much of it is unnecessary and should be discouraged; however, where solid waste does exist, it should be considered to the extent possible as a valuable resource, and be made use of wherever and whenever desirable and economically justifiable; therefore, it shall be the policy of the Commonwealth to, above all things,

encourage resource conservation and preservation of our natural resources before such waste contributes in a needless fashion to the volumes of solid waste and litter produced by our society, but in dealing with existing solid waste, materials recovery from the solid waste stream is deemed to be the most environmentally sound alternative for handling waste*;*[~~.~~]

(8) It is not the intent of this chapter to prohibit or discourage the participation of the private sector in any aspect of solid waste management. Moreover, it is preferable for solid waste management functions to be performed by the private sector when such is in the best interests of the public and conforms with the policies and provisions set forth in this chapter*;*[~~.~~]

(9) Notwithstanding any provision of KRS Chapters 82, 83 and 94, it is the intent of the general assembly that this chapter and KRS 67.083 (3)(o) provide counties with exclusive authority to develop a solid waste management system for solid waste generated within the geographical boundaries of the county, consistent with the provisions of this chapter and KRS Chapter 224. It is further the intent of the general assembly that cities be authorized to finance, own, and operate solid waste management systems with the consent of the county or by contract with the county, except that in the event a county fails to submit a plan for solid waste management pursuant to KRS 224.887 or fails to include in the plan provisions for solid waste management within the city, cities may proceed to develop solid waste management systems consistent with regulations promulgated by the department pursuant to KRS Chapter 224. Cities that develop solid waste management facilities pursuant to this section shall have all the powers and restrictions set forth for counties in KRS 109.041, *109.056, 109.059* [~~109.180, 109.250~~], and 109.062*;*[~~.~~]

(10) It is the intent of the general assembly that this chapter provide counties with three (3) alternative approaches to the development and implementation of solid waste management plans. With the approval of the cabinet, a single county may function as a solid waste management area as provided in KRS 109.072, or counties may elect to operate as a multi-county area in which they may agree to function pursuant to the terms of a contract as provided in KRS 109.082, or a county or counties may elect to operate as a waste management district pursuant to this chapter*; and*[~~.~~]

(11) It is the intent of the general assembly that waste management districts and solid waste management areas, which are formed and operated under this chapter, shall comply with the standards set by regulations promulgated by the cabinet pursuant to KRS Chapter 224.

(10) "Solid waste management" means the administration of solid waste activities: collection, source separation, storage, transportation, transfer, processing, treatment and disposal, which shall be in accordance with a *cabinet* [~~departmentally~~] approved county or multi-county solid waste management plan *of the cabinet.*

(1) An active contributing member of the teachers' retirement system may receive credit for active service rendered in the armed forces of the United States subject to regulations established by the board of trustees. A maximum of six (6) years of such service may be credited but in no case a greater number of years than the actual years of contributing service in Kentucky.

Section 95. KRS 161.515 is amended to read as follows:

(1) For the purposes of this section, "out-of-state service" shall mean service in any state in a comparable position, which would be covered if in Kentucky.

Such payments shall not be picked up as described in KRS 161.540*(3)*[~~(4)~~]. For each year of which the retirement system shall accept the contribution and interest, one (1) year of service credit shall be given. Such credit may not be used to meet the service requirements of KRS 161.525, 161.600 or 161.661 except as provided in subsection (2)(c) of this section. No credit shall be granted for service which has been or will be used in qualifying for annuity benefit payments from another retirement system financed wholly or in part by public funds.

(b) A member of the retirement system having teaching service in the elementary or secondary schools operated by the United States overseas or in this country, or in a public college or university in Kentucky, not included in the teachers' retirement system of the state of Kentucky may present such service for credit in the retirement system on the same basis as provided above for out-of-state service credit, however, no such service may be presented which shall be used as a basis for retirement benefits in any program supported wholly or in part by such public institution or governmental agency. Such service when added to service credited under subsection (2)(a) of this section shall not exceed a total of eight (8) years service credit.

(c) A member having service referred to in subsection (2)(a) or (2)(b) of this section may elect to use such service for meeting the requirements of KRS 161.600(1)(b) by making an additional contribution to the state accumulation fund equal to the regular member contributions for each year so used. Such payments shall not be picked up as described in KRS 161.540*(3)*[~~(4)~~]. The salary base to be used in determining this additional contribution shall be the final average salary which is used in calculating the member's regular retirement annuity.

(3) Members entering the teachers' retirement system for the first time, July 1, 1976, and thereafter, shall not receive credit for service defined in subsections (2)(a) and (2)(c) *of this section* [~~above~~] in excess of one (1) year of credit for each two (2) years of Kentucky service in a covered position or eight (8) years, whichever is the lesser number.

Contributions permitted after August 1, 1982 shall be picked up pursuant to KRS 161.540*(3)*[~~(4)~~].

Section 97. KRS 161.560 is amended to read as follows:

Each agency employing members of the retirement system shall deduct from the compensation of each member for each payroll period subsequent to the date upon which the teacher became a member such percentage of his earnable compensation as is due under the rates prescribed in KRS 161.540. No later than fifteen (15) days following the end of each payroll period the agency shall forward all amounts so deducted to the teachers' retirement system. The retirement system shall charge the employing agency interest at an annual rate not to exceed twelve percent (12%) for deductions not remitted within the specified fifteen (15) days. Such payroll reports, contributions lists, and other data as may be required by regulation of the board of trustees shall be submitted. The deductions shall be made notwithstanding the fact that the salary as a result may be less than the minimum compensation provided by law. Every member shall be deemed to consent and agree to the deductions and the deductions shall be considered as having been paid to the member. After August 1, 1982, employe contributions shall be picked up by the agency pursuant to KRS 161.540*(3)*[~~(4)~~].

Section 98. KRS 161.565 is amended to read as follows:

Notwithstanding any other provisions of *this chapter* [~~KRS Chapter 161~~], the contribution of university faculty members may be reduced by amounts up to two and two hundred fifteen thousandths percent (2 215/1000%) if amounts sufficient to replace the reduction are authorized and contributed to the teachers' retirement system by the board of regents of the employing university. After August 1, 1982, any contribution by a university faculty member shall be picked up by the employing university pursuant to KRS 161.540*(3)*[~~(4)~~].

Section 99. KRS 161.595 is amended to read as follows:

(1) Upon service retirement, a member of the teachers' retirement system may obtain credit for all or any part of the service otherwise creditable under the Kentucky employes' retirement system, the county employes' retirement system, or in the service of the United States government for which service credit is not otherwise given, upon the payment by the member of such amount or amounts as are actuarially determined to be equal to the increased liability of the teachers' retirement system by virtue of such additional service credit. Such payments shall not be picked up, as described in KRS 161.540*(3)*[~~(4)~~].

(2) The amount paid under this section shall be considered as accumulated contributions of the individual member.

(3) No person shall be allowed credit for the same period of service in more than one (1) of these three (3) retirement systems.

Section 100. KRS 161.705 is amended to read as follows:

Any member of the teachers' retirement system, or the employer of member, or both, may make voluntary contributions of four percent (4%) or more of the member's annual compensation to the retirement system for the benefit of the member. Such contributions shall not be picked up, as described in KRS 161.540*(3)*[~~(4)~~]. Such contributions shall be invested as provided in KRS 161.430. Separate member accounts shall be maintained for voluntary contributions under rules and regulations enacted by the board of trustees.

Section 101. KRS 163.500 is amended to read as follows:

"Hearing impaired" are persons who have hearing disorders, including deafness. They are people who cannot hear and understand[~~, clearly,~~] speech *clearly* through the ear alone, with or without hearing aids.

The finance and administration cabinet shall, on the first day of January and on the first day of July each year, draw its warrant on the state treasurer for the sum of $627.75 in favor of the treasurer of Kentucky State University, and its warrant on the state treasurer for the sum of $4,322.25 in favor of the treasurer of the University of Kentucky.

Section 103. KRS 164.892 is amended to read as follows:

(1) The board of trustees of the university may, at its election, establish a basic coverage compensation fund for the benefit and protection from liability of itself and its agents. Promptly after the board of trustees of said university has elected to establish a basic coverage compensation fund, the university shall pay to the state treasurer the sum of three hundred fifty thousand dollars ($350,000) in the manner and within the time specified in subsection (3) of this section.

(2) Upon receipt of the initial payment of eighty-seven thousand five hundred dollars ($87,500), the state treasurer shall create a separate account to be designated as the "basic coverage compensation fund, University of Louisville" and there shall be credited to said fund the initial payment of eighty-seven thousand five hundred dollars ($87,500), all income thereafter earned from the investment of said fund and all contributions thereafter made by the university to said fund. Unexpended and unencumbered balances in any fund created hereunder shall be carried forward and be available for expenditure in succeeding fiscal years notwithstanding the provisions of KRS *45.229* [~~45.230~~] or any other provision of the Kentucky Revised Statutes. No portion of said fund shall ever lapse to the general fund and income earned from the investment of funds standing to the credit of said account shall accrue and be credited thereto, notwithstanding the provisions of KRS 42.500 or any other provision of the Kentucky Revised Statutes. Upon termination of said fund for any reason, the balance therein shall revert to the university.

(3) The university shall make an initial payment of eighty-seven thousand five hundred dollars ($87,500) upon action by its board of trustees as described in KRS 164.895. Annual payments of eighty-seven thousand five hundred dollars ($87,500) shall be made thereafter until the university has paid a total of three hundred fifty thousand dollars ($350,000) into the "basic coverage compensation fund, University of Louisville," except that when the university commences the operation of a teaching hospital, the difference between the total of all annual payments made into the basic coverage compensation fund and the sum of three hundred fifty thousand dollars ($350,000) shall become due and payable.

(4) The funds held in any fund created under KRS 164.890 to 164.895 shall be expended solely in payment of claims and judgments for liability arising in favor of any patient from treatment performed or furnished, or treatment that should have been performed or furnished by the university or its agents. The

liabilities which said fund shall be created to discharge are all liabilities from acts or omissions to act which may have occurred since July 1, 1976 and which may occur in the future and which no entity other than the university and its agents is or will be obligated either by law or contract to pay and discharge.

(5) No settlement shall be made of any claim for personal injury or death to any claimant arising out of the furnishing or failure to furnish medical care by the university and its agents, until and unless the board of trustees of the university, or its duly *designated* [~~delegated~~] agent or body has first approved of such settlement. The board of trustees of the university shall also have the right to determine whether or not an appeal shall be taken from any judgment rendered against it or its agents, when such claim is founded upon or arises out of the furnishing or failure to furnish medical care. Provided, however, that if the payment of a judgment would involve expenditures from appropriations of general funds of the Commonwealth then such payment must also be approved by the secretary, or his delegate.

(6) Funds held in any account created hereunder may be disbursed by the secretary only upon the written certification of the university, or its duly designated agent, of the amount to be disbursed and the name of the person or persons to whom such funds shall be paid.

(7) In addition to the payments to said fund required to be made in subsection (3) *of this section* [~~above~~], annual contributions to said fund shall be made by the university in an amount which will be not less than one hundred fifty percent (150%) of the average amounts actually paid in each year on medical malpractice claims for the five (5) years next preceding the making of the annual contribution. Provided, however, that if the university and the secretary shall at any time in the future mutually determine, based on sound actuarial principles, that an annual contribution in a lesser amount will not impair the adequacy of the fund to satisfy existing and potential health care malpractice claims for a period of one (1) year, then an annual contribution in such lesser amount as may be determined may be made.

(8) The university shall be solely responsible for the investigation and servicing of all claims made against it arising out of medical malpractice and all costs, expenses, and fees incurred in the investigation, servicing and defense of all such claims shall be borne and paid by the university.

(9) Claims and judgments certified to be paid by the university shall be paid in the order received by the secretary. If the basic coverage compensation fund created by contribution from the university shall at any time fail to have sufficient funds to pay all such judgments, then they shall be paid out of the excess coverage fund upon certification by the secretary. Said excess coverage fund shall be expended only upon exhaustion of the basic coverage compensation fund and any liability insurance from any source whatsoever.

Section 104. KRS 171.384 is amended to read as follows:

The local building official or the representative of the department shall issue a permit if the proposed building satisfies the requirements of the uniform state building code and if the party desiring to construct the building has complied with all other legal requirements concerning the location and construction of said building. The applicant for a building permit, by the act of applying for the permit, is deemed to have consented to inspection, by the local government or the department, of such building during construction and upon the completion of construction for the purpose of determining that such building is constructed in compliance with the uniform state building code. This section shall apply to industrialized building systems but destructive disassembly of industrialized building systems which carry a seal of approval pursuant to a manufactured building law in the state in which they were manufactured, which seal of approval is accepted by the board of housing, buildings and construction, shall not be performed in order to conduct such tests or inspections.

(12) If the department determines that an inspector is not enforcing the provisions of the Kentucky building codes, it shall require a hearing to review the inspector's procedures and return in written form the required corrections resulting from the hearing to the inspector.

(13) If, after written notification from the department to the inspector of the corrections required, the inspector fails to comply within sixty (60) days, the department shall suspend the inspector's certification until the inspector complies.

(14) Each local government and the department may establish a schedule of fees for the functions performed under the provisions of this chapter. Such fees shall be designed to fully cover the cost of the service performed but shall in no case exceed the cost of the service performed. Fees payable to the department shall be paid into the state treasury and credited to a trust and agency fund to be used by the department in carrying out the provisions of this chapter. No part of this fund shall revert to the general fund of the Commonwealth.

After the case has been properly docketed in the circuit court, any party directly affected by the issues on appeal, may, upon notice to the parties and upon proper showing and in the discretion of the court, be permitted to intervene. Upon hearing of the appeal the findings of the cabinet shall be prima facie evidence of the facts found therein. The court shall review the entire record and the findings and order of the cabinet.

(1) No person shall construct or operate a regional integrated waste treatment and disposal demonstration facility without having first obtained from the board a certificate of environmental safety and public necessity for the siting of a facility. A person desiring a certificate of environmental safety and public necessity shall submit an application to the board only after the secretary has declared the intent to issue a construction permit for a regional integrated waste treatment and disposal demonstration facility. A construction permit for a regional integrated waste treatment and disposal demonstration facility pursuant to KRS 224.866 shall not be issued before the certificate of environmental safety and public necessity has been obtained. Applications shall be submitted and processed and a certificate shall be issued in accordance with procedures established under regulations promulgated by the board pursuant to KRS 224.2205.

(2) In issuing a certificate of environmental safety and public necessity, the board shall consider the following factors:

(d) The location of the proposed facility in relationship to the existing industries in the Commonwealth that generate large volumes of hazardous waste and to the areas projected to be areas of generation of large volumes of hazardous waste based on known potential industrial locations within the Commonwealth, so as to minimize the transportation distance between the major generators of hazardous waste and the proposed facility. The cabinet shall provide the board with data concerning said existing and projected areas of hazardous waste generation in the Commonwealth;

(e) The impact of the proposed facility on public safety and provisions made to minimize the risk to public health and safety;

(4) All other provisions of state or local law or ordinance to the contrary notwithstanding, the issuance of a certificate of environmental safety and public necessity by the board and the issuance of applicable permits by the cabinet shall constitute the exclusive governmental approval or land use determination required for the siting, location or use of a regional integrated waste treatment and disposal demonstration facility. Any facility holding a certificate of environmental safety and public necessity shall be exempt from regulation under KRS 67.083 and KRS Chapter 100. The board and the cabinet may set standards for monitoring, operations, maintenance, record keeping, closure, post-closure, and liability coverage for the release or escape of waste into the environment that are more stringent than requirements for other hazardous waste facilities in order to evaluate the integration and operation of the technologies in use at the site, to assure proper maintenance, and to protect public health and the environment.

(5) Appeals may be taken from the issuance or denial of certificates of environmental safety and public necessity. Such appeals shall be taken to the Franklin circuit court within thirty (30) days from the board's decision of issuance or denial. The party or parties affected by the issuance or denial of the certificate shall file in the circuit court a petition which states fully the grounds upon which a review is sought and assign all errors relied on. The board shall be named respondent, and service shall be had on the chairperson of the board. Summons shall issue upon the petition directing the board to send its entire record, properly bound, to the clerk of the circuit court after certifying that such record is its entire original record or a true copy thereof, which shall be filed by the clerk of the circuit court and such record shall then become *official* and be considered by the circuit court on the review. After the case has been properly docketed in the circuit court, any party directly affected by the issues on appeal may, upon notice to the parties and upon proper showing and in the discretion of the court, be permitted to intervene. Upon hearing of the appeal, the findings of the board shall be prima facie evidence of the facts found therein. The court shall review the entire record and the findings and decision of the board.

Section 119. KRS 272.161 is amended to read as follows:

An association may provide in its bylaws for one or more regular meetings each year. Special meetings of the members of the association may be called by the board; it shall be the board's duty to call such meetings when ten percent (10%) of the members of the association file with the association secretary a petition demanding a special meeting and specifying the business to be considered at such meeting. Regular or special meetings may be held within or without the state. Notice of all meetings, except as otherwise provided by law or in the articles of incorporation or bylaws, shall be mailed to each member at least ten (10) days prior to the meeting, and in case of special meetings the notice shall state the purposes for which it is called, but the bylaws may provide that all notices, except of proposed amendments to the articles of incorporation, may be given by publication in a periodical or newsletter published by or for the association *of*[~~, to~~] which substantially all its members are recipients, or in newspapers whose combined circulation is general in the territory in which the association operates.

Section 120. KRS 272.211 is amended to read as follows:

An association has the following powers:

(1) To engage in any activity in connection with the producing, marketing, selling, harvesting, preserving, drying, processing, canning, packaging, grading, storing, handling, or utilization of any agricultural products produced or delivered to it by its members and others; or the manufacturing or marketing of the by-products thereof; or in connection with the purchase, hiring, or use by its members and others of supplies, machinery, or furnishing services of economic or educational nature; or in any one or more of the activities specified in this section.

(2) To limit its business activities to those performed only for its members. If an association transacts business with nonmembers, the same must not exceed in amount the total business transacted by the association for its members.

(3) To borrow money without limitation as to amount of indebtedness, and to make advances to members and others.

(4) To act as the agent or representative of any members, or others, in any of the activities referred to in subsection (1) *of this section* [~~hereof~~].

(5) *To* acquire, hold, own, and sell, transfer, pledge or guarantee the payment of dividends or interest on, or in the retirement or redemption of, shares of the capital stock or bonds of any association or corporation.

(6) To establish and accumulate reasonable reserves.

(7) To buy, hold, and exercise all privileges of ownership, over such real or personal property as is necessary or convenient for the conduct and operation of, or incidental to, the business of the association.

(8) To do each and every thing necessary, suitable, or proper for the accomplishment of any one or more of the purposes, or the attainment of any one or more of the objectives herein enumerated; or conducive to or expedient for the interest or benefit of the association; and to contract accordingly; and to exercise and possess all powers, rights, and privileges necessary or incidental to the purposes for which the association is organized or to the activities in which it is engaged; and in addition, any other rights, powers, and privileges granted by the laws of this state to corporations generally, except such as are inconsistent with the express provisions of KRS 272.011, 272.101 to 272.341, and to do any such thing anywhere.

(9) To sue and be sued in its corporate name.

Section 121. KRS 272.321 is amended to read as follows:

(1) A member of a constituent association to be *affected* [~~effected~~] by a merger or consolidation may give to the association prior to or at the meeting of its members to which the proposal of merger or consolidation is submitted to a vote, written notice that he objects to such proposal. Within twenty (20) days after the date on which the vote was taken, such member may, unless he votes in favor of the proposal, make written demand on the association for payment of the fair market value of his stock or other property rights or interest in the association. Such demands shall state the number and class of shares of stock owned by him or the nature and amount of other property rights or interest owned by him in the association. In addition to any other right he may have in law or equity, a member giving such notice shall be entitled, if and when the merger or consolidation is effected, to be paid by the surviving association, or new association, the fair market value of such stock, or other property rights or interests, as of the day prior to the date on which the vote was taken, subject only to the surrender by him of the certificate, or certificates of such stock or other evidence of ownership or other property rights or interests.

(2) If within thirty (30) days after the date upon which the objecting member tendered his written demand for payment of his stock or other property rights or interest, the fair market value of such stock or other property rights or interests is agreed upon between the member and the surviving association, the payment therefor shall be made within sixty (60) days after the date of such agreement, upon surrender of the certificate or other evidence of such property rights or interests, whereupon the member shall cease to have any interest in such stock or other property rights or interest in the association.

(3) If, during the thirty (30) day period mentioned in the preceding subsection, the member and the surviving association or new association do not agree as to the fair market value of such stock or other property rights or interests, the member may, within sixty (60) days thereafter, file a petition in the circuit court of the county in which the surviving association or new association has its registered office or principal place of business asking for the appointment of three (3) disinterested appraisers to appraise the fair market value of his stock or other property rights or interests. A summons, together with a copy of the petition, shall be served on the surviving association or new association at least twenty (20) days prior to a hearing on the petition by the court. The award of the appraisers, or a majority of them, if no exceptions be filed thereto within ten (10) days after the award has been filed in court, shall be confirmed by the court, and when confirmed shall be final and conclusive, and the member, upon depositing with the court the proper stock certificates or other evidence of such property rights or interests, shall be entitled to judgment against the association for the appraised value thereof as of the day prior to the date on which the vote was taken. If either party files exceptions to the award of the appraisers within ten (10) days after the award has been filed

in court, the case shall be transferred to the civil issue docket of the circuit court for trial and shall be there tried in the same manner, as near as may be practicable, as is provided for the trial of cases under the eminent domain law of this state, and with the same right of appeal to the Court of Appeals. The court shall assess the cost of the proceedings as it deems equitable. Upon payment of the judgment, the surviving association or new association is entitled to have the member's stock certificates or other evidence of such property rights or interests surrendered to it by the clerk of the court. Unless the member files such a petition within the time prescribed, he, his assigns and heirs claiming under him shall have no right to payment hereunder, but in that event nothing herein shall impair his status as a member.

(4) If the notices sent to members in connection with any meeting to vote upon a proposed merger or consolidation make no reference to the provisions of subsection (1) *of this section*, a member entitled to but through lack of actual knowledge did not avail himself of the provisions of this section, unless he voted for the proposal, is entitled, if he so demands in writing within one (1) year after the date on which the vote was taken on the proposed merger or consolidation, to recover from the surviving association or new association any actual damage which he suffered from failure of the association of which he was a member to make such reference.

(5) The liability to pay for stock or other property rights or interests or to pay damages imposed by subsection (4) *of this section* on an association extends to the surviving association or new association.

(6) Shares of stock acquired by an association, a surviving association, or a new association pursuant to the payment of an agreed fair market value thereof or to payment of a judgment entered therefor may be held and disposed of by such association as in the case of other treasury shares.

(7) This section does not apply to a merger if on the date of the filing of the articles of merger the surviving association is the owner of all outstanding shares of the other association or associations, domestic or foreign, participating in the merger and if the merger makes no changes in the relative rights of the members of the surviving association.

(8) No member of a constituent association to be affected by a merger or consolidation, who objects thereto and makes written demand for payment of the fair market value of his stock or other property rights or interests in the association, as provided in this section, is entitled to payment at any time prior to the time that he would otherwise be entitled to payment pursuant to valid provisions of such stock, or valid provisions of the articles of incorporation or bylaws of the association, in effect on the date of the vote for such merger or consolidation.

Section 122. KRS 272.345 is amended to read as follows:

(1) Each director, officer, employe or agent of an association organized or operating under KRS 272.121 to 272.341, or his personal representative, or any person who is or was serving at the request of an association as a director, officer, employe or agent of another association, corporation, partnership, joint venture, trust or other enterprise or entity, or such person's personal representative, shall be indemnified by the association against claims, liabilities, expenses, and costs actually and necessarily incurred by him or his estate in connection with, or arising out of, any action in which he is made a party by reason of his being, or having been, an officer, director, employe, or agent, if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the association, and with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful.

(2) The right of indemnification herein provided for shall also apply *with* [~~in~~] respect *to* [~~of~~] any amount paid in compromise of any such claim asserted against such director, officer, employe or agent (including expenses and costs actually and necessarily incurred in connection therewith); provided the board of directors of the association shall have first approved such proposed compromise settlement and determined that the director, officer, employe or agent involved was acting in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the association; but in taking such action any director involved shall not be qualified to vote thereon, and if for this reason a quorum of the board cannot be obtained to vote on such matter it shall be determined by a committee of three disinterested shareholders appointed by the shareholders at a duly called special meeting, or at a regular meeting.

(3) Expenses and costs (including attorney's fees) incurred by a director, officer, employe or agent in defending an action as aforesaid may be paid by the association in advance of the final disposition of such action upon receipt of an undertaking by or on behalf of such director, officer, employe or agent to repay such amount unless it shall ultimately be determined that he is entitled to be indemnified by the association.

(4) The right of indemnification herein provided for shall not be exclusive of any other rights to which an officer, director, employe or agent may be entitled under any bylaw, agreement, vote of shareholders, vote of disinterested directors or otherwise, both as to action in an official capacity and as to action in another capacity (including, without limitation, serving at the request of the association as a director, officer, employe or agent of another association, corporation, partnership, joint venture, trust or other enterprise or entity), and shall continue as to any person who has ceased to be a director, officer, employe or agent and shall inure to the benefit of any heirs, executors and administrators of any such person.

(5) An association shall have the power to purchase and maintain insurance on behalf of any person who is or was an officer, director, employe or agent of the association, or is or was serving at the request of

the association as a director, officer, employe or agent of another association, corporation, partnership, joint venture, trust or other enterprise or entity, against any liability asserted against him or incurred by him in any such capacity or arising out of his status as such, whether or not such association would have the power to indemnify him against such liability under the provisions of this section.

Section 123. KRS 278.190 is amended to read as follows:

(1) Whenever any utility files with the commission any schedule stating new rates, the commission may, upon its own motion, or upon complaint as provided in KRS 278.260, and upon reasonable notice, *hold* [~~enter upon~~] a hearing concerning the reasonableness of the new rates.

(2) Pending such hearing and the decision thereon, and after notice to the utility, the commission may, at any time before said schedule becomes effective, suspend the operation of said schedule and defer the use of such rate, charge, classification or service, but not for a longer period than five (5) months beyond the time when it would otherwise go into effect; and after such hearing, either completed before or after the rate, charge, classification or service goes into effect, the commission may make such orders with reference thereto as it deems proper in the matter. If the proceeding has not been concluded and an order made at the expiration of such five (5) months the utility may place the proposed change of rate, charge, classification or service in effect at the end of such period after notifying the commission, in writing, of its intention so to do. Where increased rates or charges are thus made effective, the commission may, by order, require the interested utility or utilities to maintain their records in such manner as will enable them, or the commission, or any of its customers, to determine the amounts to be refunded and to whom due in the event a refund is ordered, and upon completion of the hearing and decision may, by further order, require such utility or utilities to refund to the persons in whose behalf such amounts were paid such portion of such increased rates or charges as by its decision shall be found unreasonable. Provided, however, if the commission, at any time, during said five (5) months' suspension period, finds that the company's credit or operations will be materially impaired or damaged by the failure to permit said rates to become effective during said five (5) months' period, said commission may, after any hearing or hearings, permit all or a portion of said rates to become effective under such terms and conditions as the commission may, by order, prescribe.

(3) At any hearing involving the rate or charge sought to be increased, the burden of proof to show that the increased rate or charge is just and reasonable shall be upon the utility and the commission shall give to the hearing and decision of such questions preference over other questions pending before it and decide the same as speedily as possible, and in any event not later than ten (10) months after the filing of such schedules.

(4) In the event the commission, by order, directs any utility to make a refund, as hereinabove provided, of all or any portion of such increased rates or charges, the utility shall make the same within sixty (60) days after a final determination of the proceeding by an order of the court or commission with or without interest in the discretion of the commission. If the utility fails to make such refund within sixty (60) days after such final determination, any party entitled to such refund may, after ten (10) days' written demand, bring an action therefor in any court of competent jurisdiction of this state, and may recover, in addition to the amount of the refund due, legal interest, court costs and reasonable attorney's fees. No such action may be maintained unless instituted within one (1) year after such final determination. Any number of persons entitled to such refunds may join in as plaintiffs in a single action and the court shall render a judgment severally for each plaintiff as his interest may appear.

Section 124. KRS 287.174 is amended to read as follows:

The methods and procedures set out in KRS 287.172 and 287.173 are authorized in addition to any other methods or procedures for the accomplishment of the same or similar purposes which heretofore may have been established by law. It is the purpose of KRS *287.172, 287.173 and this section* [~~287.171 to 287.174~~] to make effective in this Commonwealth the provisions and purposes of the act of congress dated August 17, 1950, which is compiled as chapter 729 of volume 64 of the United States Statutes, and as 12 U.S.C.A. sec. 214.

Section 125. KRS 287.215 is amended to read as follows:

(1) (a) In addition to the powers heretofore granted, any bank or trust company or combined bank and trust company shall have the power to lend money repayable in installments; to charge or to receive in advance interest therefor in the case of a loan having a maximum maturity of not more than five (5) years and thirty-two (32) days; to contract for a charge for a secured or unsecured installment loan, and which under its terms shall be repayable in installments over a period of not exceeding ten (10) years and thirty-two (32) days, which charge shall be at a rate not exceeding eight dollars ($8) per one hundred dollars ($100) per annum upon the principal amount of the loan which charge or charges shall be for the entire period of the loan and may be collected in advance only if the maximum maturity of the loans does not exceed five (5) years and thirty-two (32) days.

(b) If the maturity of the loan exceeds five (5) years and thirty-two (32) days but does not exceed ten (10) years and thirty-two (32) days the charge of interest may not be discounted or received in advance but may be added on to the principal amount of the loan and shall not be discounted.

(c) If any scheduled payment or deferred payments are more than twice as large as the average of the earlier scheduled payments, the debtor and creditor shall agree that the debtor has the right to finance the amount of such payment or deferred payments at the time they are due without penalty. The terms of the refinancing which are agreed to by the debtor and the creditor shall be no less favorable to the debtor than the terms of the original loan.

(2) In addition to the charge permitted by this section, no further amount shall be directly or indirectly charged, contracted for, or received on any such installment loan, except lawful fees actually paid to a public officer for filing, recording, or releasing any instrument securing the loan and delinquent charges as hereinafter set out, and except an investigation fee not exceeding one dollar ($1) for each fifty dollars ($50) or fraction thereof upon the first eight hundred dollars ($800) of the principal amount of such loans.

(3) Delinquency charges may be made not to exceed five cents (5) for each dollar of each installment more than ten (10) days in arrears, and only one delinquency charge shall be made on any one installment. No delinquency charge shall exceed five dollars ($5) on any one installment. In addition to such delinquency charges, attorney's fees not exceeding fifteen percent (15%) of the unpaid balance and court costs may be collected, provided that the note is referred to an attorney not a salaried employe of the holder for collection.

(4) The lending institution shall permit the borrower to repay his loan in whole or in part at any time. If a loan is paid in full prior to maturity, the lending institution shall make a rebate at a rate not less than in accordance with the Rule of 78s if the maximum financing charge permitted hereunder has been taken. If a lesser charge has been taken, the rebate shall be at not less than a proportional rate. Provided, however, the lending institution shall be permitted in computing rebates to retain a minimum charge of ten dollars ($10) to cover its acquisition costs and where the amount of credit for anticipation of repayment is less than one dollar ($1), no rebate need be made.

(5) In the case of loans made under this section the corporation shall not take any assignment, pledge or transfer of wages to be earned or paid in the future, nor any first lien or first mortgage on real estate as security, except such lien as is created by virtue of a judgment or decree or first mortgage liens on loans on unimproved real estate not exceeding ten (10) acres in size or on real estate on which there is located or to be located a residential mobile home. Nothing in this section is intended to prevent lending institutions from making loans under the provisions of the National Housing Act or any other federal legislation, which loans are hereby authorized.

(6) No lending institution under this section shall split up or divide a loan or permit any person to become obligated to it under more than one contract of loan at the same time for the purpose of obtaining a greater charge than would otherwise be permitted by this section.

(7) Every note evidencing a loan made under this section shall contain the following information and provisions: The original principal amount of the loan excluding any charge made under this section; a statement of the total charge for the loan; the amount and the date of each installment; the date of final maturity; an agreement that the borrower may repay the loan in whole or in part at any time, and that if the loan is paid in full before final maturity, the borrower will receive a refund of the unearned portion of the charge as required by this section. At the time the loan is made, the lending institution shall give the borrower either a copy of the note, or a statement of the transaction containing the provisions and information required to be contained in the note. The lending institution shall deliver a receipt for each payment.

(8) In advertising for loans subject to this section, every advertisement shall conform to the following requirement: Any statement of the amount of the loan shall be the original principal amount showing in detail any charge made under this section.

(9) KRS 288.420, 288.620 and 360.010 shall not apply to loans made under authority of this section, but said sections shall remain in full force and effect for all other purposes. Nothing in this section shall be construed to impair the validity or effect of said sections with respect to loans other than those made pursuant to this section nor shall anything in this section be construed to impair the validity or effect of KRS 360.025.

(10) Any contract of loan in the making or collection of which any act shall have been done which constitutes a willful violation of any provision of this section shall be void, and the bank, trust company, *or* combined bank and trust company shall have no right to collect or receive any interest or charges whatsoever on such loan, but the unpaid principal of the loan shall be paid in full to the lending institution.

Section 126. KRS 287.485 is amended to read as follows:

All fees collected and paid into the state treasury under the provisions of KRS Chapters 287, 288, 289, 290, 291, 292, 294, 307, 366 and 316.010 to 316.070 shall be credited to a revolving trust or agency fund account, as provided in KRS *45.253* [~~45.140~~], for the department of banking and securities and shall be separately accounted for and shall be used solely for the administration and enforcement of said KRS Chapters.

Section 127. KRS 289.024 is amended to read as follows:

1.[~~(i)~~] That the contract of insurance contemplated is written upon substantially the same basis as to form, amount, coverage, maturity, voluntary and involuntary termination and other provisions as the insurance contract provided at that time by the Federal Savings and Loan Insurance Corporation, and complies with the further requirements for protection as the commissioner in his discretion may deem reasonably necessary; and

2.[~~(ii)~~] That the contract is underwritten by an insurer having a net worth reasonably commensurate with the risk underwritten, which is licensed in this State and authorized to do business in this state, and the commissioner shall have issued a certificate of approval of such application; or

(3) Notwithstanding any other provisions of state law to the contrary, if any state savings and loan association has not accomplished one of the four steps prescribed in subsection (1) *of this section* by December 31, 1974, the commissioner shall apply to a court of general jurisdiction in the county in which the home office of such association is located for the appointment of a liquidating receiver for purposes of liquidating the assets and winding up the business affairs of such association. However, if such state savings and loan association shall furnish to the commissioner proof satisfactory to him that a definite plan of accomplishment of one of said four conditions prescribed in subsection (1) *of this section* has been substantially completed, the commissioner may, in his sole discretion, extend the time for taking action for the appointment of such receiver. The commissioner in granting such extension may permit the acceptance of savings account payments on share accounts, membership fees or the making of loans.

Section 132. KRS 311.732 is amended to read as follows:

(1) If a pregnant woman is less than eighteen (18) years of age and not emancipated, or if she has been adjudged an incompetent under KRS Chapter *387* [~~203~~], a physician shall not perform an abortion upon her unless he first obtains the consent of both the pregnant woman and that of her parents, if she is less than eighteen (18), or of her guardian, if she is an incompetent, except as hereinafter provided. In deciding whether to grant consent, a pregnant woman's parents or guardian shall consider only the child's or ward's best interests.

(2) If one of the pregnant woman's parents has died or is unavailable to the physician within a reasonable time and in a reasonable manner, consent of the remaining parent shall be sufficient. If both parents have died or are otherwise unavailable to the physician within a reasonable time and in a reasonable manner, consent of the pregnant woman's guardian or guardians shall be sufficient. If the pregnant woman's parents are divorced, consent of the parent having custody shall be sufficient. If neither a parent nor a legal guardian is available to the physician within a reasonable time and in a reasonable manner, consent of any adult person standing in loco parentis shall be sufficient.

(3) If one or both of the parents or guardians of the pregnant woman refuse to consent to the performance of an abortion, or if she elects not to seek the consent of one or both of her parents or guardians, the appropriate circuit court in the county in which the applicant resides or in which the abortion is sought shall upon petition or motion, after an appropriate hearing, authorize a physician to perform the abortion if the court determines that the pregnant woman is sufficiently mature or competent to give informed consent to the proposed abortion.

(4) If the court determines that the pregnant woman is not sufficiently mature or competent to give informed consent or if the pregnant woman does not claim to be sufficiently mature or competent to give informed consent to the proposed abortion, the court shall determine whether the performance of an abortion would be in her best interests. The court shall not decide until after parental consultation in which the court may participate, if consultation is possible within a reasonable time and in a reasonable manner, unless the court concludes the pregnant woman's best interests would not be served by its participation in the consultation. Whether or not there has been parental consultation, the court shall deny the abortion if it decides that the pregnant woman's best interests would be served by denial, or shall authorize a physician to perform the abortion if it concludes that the pregnant woman's best interests would be served by authorization.

(5) The pregnant woman may participate in court proceedings on her own behalf, and the court may appoint a guardian ad litem for her. The court shall advise her that she has a right to court-appointed counsel, and shall, upon her request, appoint counsel.

(6) Court proceedings under this section shall be confidential and shall be given precedence over other pending matters to ensure a prompt decision to serve the best interests of the pregnant woman. The court shall make specific factual findings and legal conclusions supporting its decision and shall order a record of the evidence to be maintained which shall include its findings and conclusions.

(7) The requirements of subsection (1) of this section shall not apply when, in the medical judgment of the attending physician based on the particular facts of the case before him, there exists a medical emergency. In such a case, the physician who is to perform the abortion shall describe the basis of his medical judgment that such an emergency exists on a form prescribed by the department as required by KRS 213.055, and the physician or his agent shall provide each parent or guardian with the following information within seven (7) days of the time the abortion is performed, either in person or by sending it by certified mail to the last known address of each parent or guardian:

(a) That an abortion has been performed upon his daughter or ward, and the medical indications for the physician's judgment that a medical emergency exists or existed;

(b) The name of the physician who performed the abortion or is to perform the abortion; and

(c) The particular medical risks associated with the particular abortion procedure employed, the symptoms of which might become manifest in the future.

(8) If the woman elects not to have her parents informed by the physician or his agent as provided in subsection (7) of this section, she shall inform the physician and the physician and his agents shall postpone giving notification until thirty (30) days after the first day in which the woman is, in the medical judgment of the attending physician, medically capable of filing a petition or motion for an order authorizing a physician and his agents to refrain from making the notification required by this section. The appropriate circuit court in the county in which the woman resides or in which the abortion was performed shall, upon petition or motion, after an appropriate hearing, authorize a physician and his agents to refrain from making the notification required by subsection (7) of this section if the court determines that the woman is mature and capable of giving informed consent or if it determines the woman's best interests would not be served by the notification. If the court makes neither determination, it shall issue an order specifying the date by which the

physician or his agent shall provide the information prescribed by subsection (7) of this section. If the court does not reach a determination before the time by which the physician and his agents otherwise would be required to make notification, the court shall order that notification be withheld until it rules.

(9) No filing fees shall be required of any woman availing herself of the procedures provided by this section. An expedited confidential appeal shall be granted any woman to whom the court denies an order authorizing an abortion or an order authorizing a physician and his agents to refrain from making notification required by this section.

(10) The Supreme Court of Kentucky is respectfully requested, in the exercise of its powers under the Constitution of the Commonwealth, to issue promptly rules necessary to assure that proceedings under this section, and any appeals or other proceedings which may be related to this section, are confidential and prompt. The Supreme Court is further respectfully requested to issue promptly any rules or orders consistent with this chapter necessary to eliminate any undue burdens on a minor's or incompetent's opportunity for an abortion with sufficient expedition.

(11) Failure to comply with the requirements of this section, other than subsection (10), is prima facie evidence of failure to obtain informed consent and of interference with family relations in appropriate civil actions. The law of this Commonwealth shall not be construed to preclude the award of punitive damages or damages for emotional distress, even if unaccompanied by physical complications in any civil action brought pursuant to violations of this section. Nothing in this section shall be construed to limit the common law rights of parents.

Section 144. KRS 350.060 is amended to read as follows:

(1) No person shall engage in surface coal mining and reclamation operations without having first obtained from the *cabinet* [~~department~~] a permit designating the area of land affected by the operation. Permits shall authorize the operator to engage in surface coal mining and reclamation operations upon the area of land described in his application for a period of not to exceed five (5) years; provided that if an applicant demonstrates that a specified longer term is reasonably needed to obtain necessary financing for equipment and the opening of the operation and if the application is full and complete for such specified longer term, the *cabinet* [~~department~~] may grant a permit for such longer term. No mining shall be permitted beyond the time period obligations of the initial or extended bond coverage.

(2) All operators who wish to engage in surface coal mining and reclamation operations and who have a valid permit from the *cabinet* [~~department~~] and who are in expectation of operating such mines after the expiration of eight (8) months from the approval by the secretary of the interior of the permanent regulatory program shall within two (2) months of the effective date of such approval apply for a new permit for such mines in compliance with the requirements of this section. The [~~department for~~] natural resources and environmental protection *cabinet* shall establish procedures and programs consistent with this chapter to issue or deny such permits within eight (8) months of such approval. The general assembly finds the fact that, due to the large number of permitted operations within the Commonwealth, the eight-month period may be administratively impracticable, and hereby authorizes the secretary to devise procedures to comply with this section in the most expeditious and reasonable manner possible, and a filing shall be deemed timely for the purposes of this subsection and surface coal mining operations may continue under an existing permit if that filing is in substantially complete form and submitted within the time limits set forth herein.

(3) Any permit validly issued by the *cabinet* [~~department~~] under the interim regulatory program in effect on March 21, 1980 and which would expire at any time after May 1, 1980 and before eight (8) months after approval of the permanent regulatory program by the United States secretary of the interior, shall be extended and remain in effect until eight (8) months after approval of the permanent regulatory program. Any interim permit so extended shall continue as a valid existing permit for purposes of this subsection if the permittee so requests and files an application for a permit with the *cabinet* [~~department~~] within two (2) months of the date of approval of the permanent regulatory program. The permittee may conduct operations under that existing permit beyond the eight (8) month period if an application has been filed in accordance with this subsection, but the initial administrative decision has not been rendered.

(4) No permit or revision application shall be approved unless the application affirmatively demonstrates and the *cabinet* [~~department~~] finds in writing on the basis of the information set forth in the application or from information otherwise available, that the permit application is accurate and complete and that all the requirements of this chapter have been complied with.

(5) An operator desiring a permit to engage in surface coal mining operations shall file an application which shall state:

(a) The location and area of land to be affected by the operation, with a description of access to the area from the nearest public highways;

(c) The owner or owners of the coal to be mined;

(d) The source of the applicant's legal right to mine the coal on the land affected by the permit;

(e) The permanent and temporary post-office addresses of the applicant;

(f) Whether the applicant or any person, partnership or corporation associated with the applicant holds or has held any other permits under this chapter, and an identification of such permits;

(g) Whether or not the applicant is in compliance with subsection (3) of KRS 350.130 and whether or not every officer, partner, director or any individual owning of record or beneficially (alone or with associates) a ten percent (10%) or more interest of the applicant, is subject to any of the provisions of subsection (3) of KRS 350.130 and he shall so certify;

(h) A listing of any and all violations of this chapter, P.L. 95-87, and any law, rule or regulation in effect for the protection of air or water resources incurred by the applicant in connection with any surface coal mining and reclamation operation during the three-year period prior to the date of an application. Such a list shall indicate the final resolution of the violations; and

(i) Whether the area of land to be affected by the operation has been previously mined and is not in compliance with current reclamation standards, if so then identify the needed reclamation work.

(6) The application for a permit shall be accompanied by an official document (and an affidavit attesting to the document's authenticity) which will evidence what particular business entity the applicant is, whether a foreign or domestic corporation, a partnership, an entity doing business as another, or, if sole proprietorship, then an affidavit so stating.

(7) The application for a permit shall be accompanied by copies, in numbers satisfactory to the *cabinet* [~~department~~], of a United States geological survey topographic map or such other map acceptable to the *cabinet* [~~department~~] on which the operator has indicated the location of the operation, the course which would be taken by drainage from the operation to the stream or streams to which such drainage would normally flow, the name of the applicant and date, and the name of the person who located the operation on the map.

(8) The application for a permit shall be accompanied by copies, in numbers satisfactory to the *cabinet* [~~department~~], of an enlarged United States geological survey topographic map or such other map acceptable to the *cabinet* [~~department~~] meeting the requirements of *paragraphs (a) through (i) of this subsection* [~~the subsections below~~]. The map shall:

(a) Be prepared and certified by a professional engineer, registered under the provisions of KRS Chapter 322. The certification shall be in the form as provided in subsection (10) *of this section* [~~below~~], except that the engineer shall not be required to certify the true ownership of property under paragraph (d) of this subsection;

(b) Identify the area to correspond with the application;

(c) Show adjacent deep mining;

(d) Show the boundaries of surface properties and names of owners on the affected area and adjacent to any part of the affected area;

(e) Be of a scale of 1:24,000 or larger;

(f) Show the names, and locations of all streams, creeks, or other bodies of public water, roads, buildings, cemeteries, oil and gas wells, and utility lines on the area of land affected and within five hundred (500) feet of such area;

(g) Show by appropriate markings the boundaries of the area of land affected, the cropline of the seam or deposit of coal to be mined, and the total number of acres involved in the area of land affected;

(h) Show the date on which the map was prepared, the north point and the quadrangle name; and

(i) Show the drainage plan on and away from the area of land affected. Such plan shall indicate the directional flow of water, constructed drainways, natural waterways used for drainage, and the streams or tributaries receiving the discharge.

(9) Each application shall include a determination of the probable hydrologic consequences of the mining and reclamation operations, both on and off the mine site, with respect to the hydrologic regime, quantity and quality of water in surface and groundwater systems, including the dissolved and suspended solids under seasonal flow conditions and the collection of sufficient data for the mine site and surrounding areas so that an assessment can be made by the *cabinet* [~~department~~] of the probable cumulative impacts of all anticipated mining in the area upon the hydrology of the area and particularly upon water availability; provided, however, that this determination shall not be required until such time as hydrologic information on the general area prior to mining is made available from an appropriate federal or state agency. Provided further, that the permit shall not be approved until such information is available and is incorporated into the application.

(10) All certifications required by this chapter to be made by professional engineers shall be done in the form prescribed by the *cabinet* [~~department~~] and shall be reasonably specific as to the work being certified. The *cabinet* [~~department~~] may reject any document or map as incomplete if it is not properly certified.

(11) The application shall be accompanied by a transportation plan which shall set forth the portions of the state primary road system, if any, over which the applicant proposes to transport minerals extracted in the mining operation. The transportation plan shall specify the legal weight limits for each portion of any such highway or bridge over which the applicant proposes to transport minerals. The transportation plan shall include any proposal by the applicant to obtain a special permit pursuant to the provisions of KRS

189.271 to exceed the weight limits on any highway or bridge. The transportation plan shall contain a certification by a duly authorized official of the [~~department of~~] transportation *cabinet* attesting the accuracy of the transportation plan in regard to the locations and identities of highways and bridges on the state primary road system and the accuracy of the specifications of weight limits on such highways and bridges. All trucks hauling coal on a fully controlled limited access highway shall be covered by a tarp or equivalent cover to prevent spillage.

(12) In addition to the information and maps required above, each application for a permit shall be accompanied by detailed plans or proposals showing the method of operation, the manner, time and distance for backfilling, grading work and a reclamation plan for the affected area, which proposals shall meet the requirements of this chapter and rules and regulations adopted pursuant thereto.

(13) The application for a permit shall be accompanied by proof that the applicant has public liability insurance coverage satisfactory to the *cabinet* [~~department~~] for the surface mining and reclamation operations for which the permit is sought, or proof that the applicant has satisfied self-insurance requirements as provided by regulations of the *cabinet* [~~department~~]. Such coverage shall be maintained in full force and effect during the terms of the permit and any renewal thereof, and until reclamation operations are completed.

(14) A basic fee set by regulation, and bearing a reasonable relationship to the cost of processing the permit application but not to exceed three hundred seventy-five dollars ($375) plus a fee set by regulation but not to exceed seventy-five dollars ($75) for each acre or fraction thereof of the area of land to be affected by the operation, shall be paid before the permit required herein shall be issued. The operator shall file with the *cabinet* [~~department~~] a bond payable to the Commonwealth of Kentucky with surety satisfactory to the *cabinet* [~~department~~] in the penal sum to be determined by the *cabinet* [~~department~~] for each acre or fraction thereof of the area of land affected, with a minimum bond of ten thousand dollars ($10,000), conditioned upon the faithful performance of the requirements set forth in this chapter and of the rules and regulations of the *cabinet* [~~department~~]. In determining the amount of the bond the *cabinet* [~~department~~] shall take into consideration the character and nature of the overburden, the future suitable use of the land involved and the cost of backfilling, grading and reclamation to be required and the probable difficulty of reclamation giving consideration to such factors as topography, geology, hydrology, and revegetation potential. The bond amount shall initially be computed to be sufficient to assure completion of reclamation if the work had to be performed by the *cabinet* [~~department~~] in the event of forfeiture. The *cabinet* [~~department~~] shall promulgate regulations setting forth bonding requirements including, but not limited to, requirements for the amount, duration, release, and forfeiture of such bonds. Where the circumstances are such as to warrant an exception, the *cabinet* [~~department~~], in its discretion, may reduce the amount of the bond for a two (2) acre operation to less than the required minimum.

(15) Surface coal mining and reclamation operations which affect two (2) acres or less shall be exempt from the requirements of this chapter, except that the *cabinet* [~~department~~] shall promulgate reasonable minimal regulations for permitting, bonding, controlling offsite water quality, revegetation, refuse piles, and use of explosives; and shall prohibit disposal of soil over the outslope in an uncontrolled manner. Such regulations shall recognize the distinct difference between two (2) acre operations and other surface coal mining operations and shall be less stringent than those imposed on other surface coal mining operations affecting more than two (2) acres, and in no event shall the *cabinet* [~~department~~] require that the highwalls left by such operations be eliminated. In no event shall the bond be more than one thousand dollars ($1,000) per acre. The *cabinet* [~~department~~] shall promulgate a short form application which will require the basic business information and a brief description of the method of operation. These applications shall be processed within thirty (30) calendar days. All procedural provisions and the penalty provisions of KRS 350.990 shall, however, apply to operations conducted and permits granted pursuant to this subsection. The *cabinet* [~~department~~] shall enforce this subsection consistent with *this* [~~KRS~~] chapter [~~350~~] except that the *cabinet* [~~department~~] shall not issue orders requiring cessation of operations for mere failure to abate a violation.

(16) The *cabinet* [~~department~~] shall promulgate rules and regulations for the permitting of operations with surface effects of underground mining and other surface coal mining and reclamation operations consistent with this section. The *cabinet* [~~department~~] shall recognize the distinct differences between the surface effects of underground mining and strip mining, as also provided in KRS 350.151, in promulgating permitting requirements for these operations; provided, that the *cabinet* [~~department~~] shall require, for underground mines that are greater than two (2) acres under subsection (15) of this section, that all of the areas overlying underground workings be permitted but that the areas overlying underground workings not affected by operations and facilities occurring on the surface shall not be subject to the payment of acreage fees or bond requirements of subsection (14) of this section or of KRS 350.151; provided, however, that applications for operations of two (2) acres or less filed under subsection (15) of this section shall clearly identify the boundaries of the proposed deep mine operation.

(17) Any valid permit issued pursuant to this chapter shall carry with it the right of successive renewal upon expiration with respect to areas within the boundaries of the existing permit. The holders of the permit may apply for renewal and such renewal shall be issued (provided that on application for renewal the

burden shall be on the opponents of renewal), subsequent to the fulfillment of the public notice requirements of this chapter unless it is established and written findings by the *cabinet* [~~department~~] are made that:

(a) The terms and conditions of the existing permit are not being satisfactorily met;

(b) The present surface coal mining and reclamation operation is not in compliance with the environmental protection standards of this chapter;

(c) The renewal requested substantially jeopardizes the operator's continuing responsibility on existing permit areas;

(d) The operator has not provided evidence that the performance bond in effect for said operation will continue in full force and effect for any renewal requested in such application as well as any additional bond the *cabinet* [~~department~~] might require; or

(e) Any additional revised or updated information required by the *cabinet* [~~department~~] has not been provided;

Prior to the approval of any renewal of permit the *cabinet* [~~department~~] shall provide notice to the appropriate public authorities.

(18) If an application for renewal of a valid permit includes a proposal to extend the mining operation beyond the boundaries authorized in the existing permit, the portion of the application for renewal of a valid permit which addresses any new areas of surface disturbance shall be subject to the full standards applicable to new applications under this chapter.

(19) Any permit renewal shall be for a term not to exceed the period of the original permit. Application for permit renewal shall be made at least one hundred and twenty (120) days prior to the expiration of the valid permit.

(20) Notwithstanding any of the provisions of this section, a permit shall terminate if the permittee has not commenced the surface coal mining operations covered by such permit within three (3) years of the issuance of the permit. However, the *cabinet* [~~department~~] may grant reasonable extensions of time upon a showing that such extensions are necessary by reason of litigation precluding commencement of operations, or threatening substantial economic loss to the permittee, or by reason of conditions beyond the control and without the fault or negligence of the permittee. With respect to coal to be mined for use in a synthetic fuel facility or specific major electric generating facility, the permittee shall be deemed to have commenced surface mining operations at such time as the construction of the synthetic fuel or generating facility is initiated.

(21) Each application for a permit or revision for auger mining on a previously mined area must contain information to describe the area to be affected, to show that the proposed method of operation will result in stable post-mining conditions, and reduce or eliminate adverse environmental conditions created by previous mining activities. If the *cabinet* [~~department~~] determines that the affected area cannot be stabilized and reclaimed subsequent to augering or that the operation will result in an adverse impact to the proposed or adjacent area, the permit or revision shall not be issued. The *cabinet* [~~department~~] shall, consistent with all applicable requirements of *this* [~~KRS~~] chapter [~~350~~], issue a permit or revision if the applicant demonstrates that the proposed coal mining operations will provide for reduction or elimination of the highwall, or reduction or abatement of adverse impacts resulting from past mining activities, or stabilization or enhancement of a previously mined area. The *cabinet* [~~department~~] shall insure that all reasonably available spoil material will be used to backfill the highwall to the extent practical and feasible; provided, however, that in all cases the holes be properly sealed and backfilled to a minimum of four (4) feet above the coal seam being mined.

(22) All operations involving the crushing, screening, or loading of coal which do not separate the coal from its impurities, and which are not located at or near the mine site, shall be exempt from the requirements of this chapter.

Section 145. KRS 353.565 is amended to read as follows:

(1) There is hereby created in the department of mines and minerals, the "Kentucky oil and gas conservation commission" which shall be composed of five (5) members. Four (4) of the members shall be appointed by the governor and the fifth member, who shall serve as chairman of the commission, shall be the director of oil and gas conservation and who shall serve in an ex officio capacity as a non-voting member except in the case of a tie. Vacancies in the membership appointed by the governor shall be filled by appointment by him and for the unexpired term of the member whose office shall be vacant and such appointment shall be made by the governor within sixty (60) days of the occurrence of such vacancy. Any member appointed by the governor may be removed by the governor in case of incompetency, neglect of duty, gross immorality or malfeasance of office.

(3) The commission shall meet at such times and places as shall be designated by the chairman. The chairman may call a meeting of the commission at any time, and he shall call a meeting of the commission upon the written request of two (2) members. Notification of each meeting shall be given in writing to each member by the chairman at least five (5) days in advance of the meeting. Any three (3) members, one of which may be the chairman, shall constitute a quorum for the transaction of any business, including the holding of hearings, as hereinafter provided for. A majority of the commission present shall be required to determine any issue brought before it for decision.

(5) The commission shall execute and carry out, administer and enforce the provisions of KRS 353.651 and 353.652 in the manner provided herein. The commission may make such investigation of records and facilities as it deems proper.

(6) In the event an emergency is found to exist by the commission which, in its judgment, requires the making, changing, renewal, or extension of a rule, regulation, or order without first having a hearing, such emergency rule, regulation, or order shall have the same validity as if a hearing with respect to the same had been held after due notice. The emergency rule, regulation or order hereby permitted shall remain in force no longer than forty-five (45) days from its effective date, and, in any event, it shall expire when the rule, regulation, or order made after due notice and hearing with respect to the subject matter of such emergency rule, regulation or order becomes effective.

(7) The commission shall have specific authority to:

(a) Make and enforce reasonable rules and regulations and orders reasonably necessary to prevent waste, protect correlative rights, govern the practice and procedure before the commission and otherwise administer the provisions of KRS 353.651 and 353.652; and

(b) Issue subpoenas for the attendance of witnesses and subpoenas duces tecum for the production of any books, records, maps, charts, diagrams and other pertinent documents, and administer oaths and affirmations to such witnesses, whenever, in the judgment of the commission, it is necessary to do so for the effective discharge of its duties under the provisions of KRS 353.651 and 353.652.

(8) Any interested person may have the commission call a hearing for the purpose of taking action in respect to any matter within the jurisdiction of the commission by making a request therefor in writing. Upon the receipt of any such request, the commission promptly shall call a hearing thereon, and, after such hearing and with all convenient speed, and in any event within thirty (30) days after the conclusion of such hearing, shall take such action with regard to the subject matter thereof as it may deem appropriate.

(9) Agreements made in the interest of conservation of oil or gas, or both, or for the prevention of waste, between and among owners or operators, or both, owning separate holdings in the same field or pool, or in any area that appears from geologic or other data to be underlaid by a common accumulation of oil or gas, or both, and agreements between and among such owners or operators, or both, and royalty owners therein, for the purpose of bringing about the development and operation of the field, pool or area, or any part thereof, as a unit, and for establishing and carrying out a plan for the cooperative development and operation thereof, when such agreements are approved by the commission, are hereby authorized and shall not be held or construed to violate any of the laws of this state relating to trusts, monopolies, or contracts and combinations in restraint of trade.

(10) Nothing in this section shall be construed as giving to the commission the right or authority to supersede the authority of the department in the administration of KRS 353.060.

Section 146. KRS 355.9-307 is amended to read as follows:

(1) A buyer in ordinary course of business (subsection (9) of KRS 355.1-201) other than a person buying farm products from a person engaged in farming operations takes free of a security interest created by his seller even though the security interest is perfected and even though the buyer knows of its existence.

Section 181. KRS 216.813 is amended to read as follows:

(1) The authority may provide for the issuance of revenue bonds to pay all or any part of the cost of any projects undertaken pursuant to an agreement and lease. The principal and interest on such bonds are payable solely from the funds provided for such payment. Any issue may be in one or more series and any such series may enjoy equal or subordinate status with respect to the pledge of funds from which they are payable, shall be dated, shall bear interest at such rate or rates not exceeding six percent (6%) per annum, shall mature at such time or times not exceeding forty (40) years from their date or dates, all as may be provided by the authority, and may be made redeemable before maturity, at the option of the authority, at such price or prices and under such terms and conditions as may be fixed by the authority prior to the issuance of the bonds. The authority shall determine the form of the bonds, including any interest coupons to be attached thereto, and shall fix the denomination of the bonds and the place or places for payment of principal and interest, which may be at any bank or trust company within or without the Commonwealth or at the office of the finance and administration cabinet. The bonds shall be signed by the facsimile signature of the chairman of the authority, and the seal of the authority or a facsimile thereof shall be affixed thereto and attested by the manual signature of the secretary of the authority, and any coupons attached thereto shall bear the facsimile signature of the chairman of the authority. In case any officer whose signature or a facsimile of whose signature shall appear on any bonds or coupons shall cease to be such officer before the delivery of such bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery. All bonds issued under the provisions of KRS 216.800 to 216.853 have all the qualities and incidents of negotiable instruments under the uniform commercial code, KRS Chapter 355. The bonds may be issued in coupon or in registered form, or both, as the authority may determine, and provision may be made for the registration of any coupon bonds as to principal alone and also as to both principal and interest, and for the reconversion into coupon bonds of any bonds registered as to both principal and interest. The authority may sell such bonds in such manner, either at public or private sale and for such price as it may determine will best effect the purposes of KRS 216.800 to 216.853, but no such sale shall be made at a price so low as to require the payment of interest on the money received therefor at more than six percent (6%) per annum computed with relation to the absolute maturity of the bonds in accordance with standard tables of bond values, excluding, however, from such computations the amount of

any premium to be paid on redemption of any bonds prior to maturity.

(2) The proceeds of the bonds of each issue shall be used solely for the payment of the cost of the project or projects for which such bonds shall have been issued, and shall be disbursed in such manner and under such restrictions, if any, as the authority may provide in the proceedings authorizing the issuance of such bonds or in the trust indenture securing the same. If the proceeds of the bonds of any issue, by error of estimates or otherwise, shall be less than such cost, additional bonds may in like manner be issued to provide the amount of such deficit, and, unless otherwise provided in the proceedings authorizing the issuance of such bonds or in the trust indenture securing the same, shall be deemed to be of the same issue and shall be entitled to payment from the same fund without preference or priority of the bonds first issued. If the proceeds of the bonds of any issue exceed such cost, the surplus shall be deposited to the credit of the sinking fund or funds for such bonds or any account or accounts therein as the authority shall have provided in the proceedings or trust indenture authorizing and securing such bonds.

(3) Prior to the preparation of definitive bonds, the authority may, under like restrictions, issue notes or temporary bonds, with or without coupons, exchangeable for definitive bonds when such bonds shall have been executed and are available for delivery. The authority may also provide for the replacement of any bonds which shall become mutilated or shall be destroyed or lost. Bonds may be issued under the provisions of KRS 216.800 to 216.853 without obtaining the consent of any cabinet, *department,* division, commission, board, [~~department~~] or agency of the Commonwealth, and without any proceedings or any other conditions or things, except as specifically required by KRS 216.800 to 216.853. KRS 216.800 to 216.853 will supersede KRS 56.450 in regard to the sale of revenue bonds by this authority.

(4) No permit shall be issued until at least thirty (30) days have expired following publication of the application. The applicant for a permit must establish the date of publication by a verified affidavit from the newspaper which publishes the advertisement. If a hearing is requested, no permit shall be issued prior to a completed hearing. In the case of hazardous waste landfills and other sites or facilities for the land disposal of hazardous waste no permit shall be approved or issued prior to notification of the cabinet by the local unit of government of its actions pursuant to subsection (5) of this section.

(5) The fiscal court of the county, urban-county government, or governing body of an incorporated municipality wherein a hazardous waste landfill or other site or facility for the land disposal of hazardous waste is proposed, shall conduct a public hearing after public notice has been given in accordance with KRS Chapter 424 and shall vote to approve or disapprove the hazardous waste landfill or other site or facility for the land disposal of hazardous waste within thirty (30) days after the hearing described in subsections (3) and (4) of this section. If no hearing is requested under the provisions of subsections (3) and (4) of this section, the fiscal court, urban-county government, or governing body of an incorporated municipality shall conduct such public hearing and vote to approve or disapprove the hazardous waste landfill or other site or facility for the land disposal of hazardous waste within sixty (60) days following publication of the application. After a fiscal court or urban-county government or governing body of an incorporated municipality has voted to approve or disapprove a hazardous waste landfill or other site or facility for the land disposal of hazardous waste, the court, urban-county government, or governing body of an incorporated municipality shall so notify the cabinet in writing within ten (10) days. If a hazardous waste landfill or other site or facility for the land disposal of hazardous waste is disapproved by the court, urban-county government, or governing body of an incorporated municipality, the reasons for disapproval shall be set forth clearly and concisely, and so recorded in the minutes. No permit shall be issued by the cabinet if a fiscal court, urban-county government or governing body of an incorporated municipality disapproves the hazardous waste landfill or other site or facility for the land disposal of hazardous waste in the manner prescribed herein.

(6) The provisions of subsection (5) of this section shall not apply to a proposed regional integrated waste treatment and disposal demonstration facility.

Section 189. KRS 224.862 is amended to read as follows:

The general assembly of the Commonwealth of Kentucky hereby finds, determines, and declares as follows:

(1) That technological progress and increases in the amounts of manufacturing are continuing to result in increasing quantities of hazardous waste being generated and prohibiting the generation of hazardous waste would result in a competitive economic disadvantage for the Commonwealth;

(2) That the Commonwealth is the site of much improper and inadequately regulated handling, treatment, transportation, storage, and disposal of hazardous waste which presents a threat to the public health, safety, and welfare and the environment;

(3) That by the enactment by the Congress of the United States of the resource conservation and recovery act of 1976, *as amended* (*PL* [~~Public Law~~] 94-580), the generation, transportation, treatment, storage, recycling, and disposal of hazardous waste has been determined to be a matter of national importance, recognizing that hazardous waste presents, in addition to the problems generally associated with nonhazardous waste, special dangers to health and requires a greater degree of regulation than does nonhazardous waste;

(4) That the primary responsibility for proper hazardous waste management rests with the generators, transporters, treaters, storers, recyclers, and disposers of hazardous waste, subject to rules, regulations, guidelines, and standards promulgated by the natural resources and environmental protection cabinet and also subject to registration or permitting by the cabinet for the purpose of effectuating safe and proper management at all steps in the hazardous waste cycle;

(5) That the participation of the private sector and the interested public in any aspect of hazardous waste management not expressly reserved as state or federal authority as set forth in KRS 224.864 to 224.874 or other statutes is encouraged, moreover, it is preferable for hazardous waste management functions to be performed by the private sector when such is in the best interest of the public and conforms with the policies and provisions set forth in KRS 224.864 to 224.874;

(6) That as a matter of policy the Commonwealth in encouraging the development of hazardous waste management facilities should place a priority on environmentally sound alternatives to the land disposal of hazardous waste such as process changes, waste reduction, resource recovery and recycling, destruction, or treatment to render the waste nonhazardous; and

(7) That as a result of the conditions described in the foregoing findings, the problems of hazardous waste generation, transportation, treatment, storage, recycling, and disposal have become a matter of extreme state concern necessitating action by the general assembly to protect the public health, safety, and welfare and the environment of the Commonwealth.

Section 190. KRS 224.864 is amended to read as follows:

(1) The cabinet shall promulgate regulations which establish standards for the generators of hazardous waste requiring such generators to do the following:

(a) Compile and maintain such information and record keeping regarding the quantities of hazardous waste generated, characteristics and composition of such waste and disposition of hazardous waste generated;

(b) Utilize proper labeling and containerization of hazardous waste as required by the cabinet;

(c) Utilize a manifest for each shipment of hazardous waste and assure that the facility to which the waste is designated is a permitted facility;

(d) Provide information on the general chemical composition of the hazardous waste to persons transporting, treating, storing or disposing of hazardous waste;

(e) Keep all records and copies of manifest readily available for review and inspection by the designated representative of the cabinet;

(f) Retain all records and manifest copies for a minimum of three (3) years or as required by the cabinet;

(g) Compile a periodic report of hazardous waste generated, stored, transferred, treated, disposed or transported for treatment, storage, or disposal as required by the cabinet.

(2) Any person who generates waste in this state shall make a determination as to whether or not such waste is hazardous pursuant to criteria promulgated by the cabinet, and any generator of hazardous waste shall certify that all information required in notices or reports to the department or information provided on the manifest document is factual.

(3) The cabinet shall promulgate regulations specifying the criteria by which wastes may be determined to be hazardous and based on use of these criteria maintain and update a list of wastes identified as hazardous wastes which shall be subject to the hazardous waste management provisions of KRS 224.862 to 224.874. The criteria and lists promulgated by the cabinet shall be identical to any such criteria and lists proposed or promulgated by the U. S. environmental protection agency pursuant to *the resource conservation and recovery act of 1976, as amended (PL* [~~P.L.~~] 94-580*)*. In providing for the management of hazardous waste, the cabinet shall establish classes or categories of hazardous waste reflecting the relative degree of hazard consistent with P.L. 94-580 and regulations issued pursuant thereto. Any person generating any substance which either meets the criteria or is identified as hazardous waste shall within ninety (90) days of promulgation of the regulation so notify the department.

Section 191. KRS 224.868 is amended to read as follows:

(1) (a) For purposes of this section and KRS 224.876(6), special wastes are those wastes of high volume and low hazard which include but are not limited to mining wastes, utility wastes (fly ash, bottom ash, scrubber sludge), sludge from water treatment facilities and waste water treatment facilities, cement kiln dust, gas and oil drilling muds and oil production brines. Other wastes may be designated special wastes by the cabinet.

(b) Disposal sites or facilities for special wastes shall be exempt from the provisions of KRS 224.866 and the provisions of KRS 224.896, 224.897 and 224.2201 to 224.2215 but may be regulated by the cabinet consistent with *the resource conservation and recovery act of 1976, as amended (PL* [~~P.L.~~] 94-580*)* and regulations issued pursuant thereto unless the special waste received is listed or meets the criteria of a hazardous waste in regulations pursuant to KRS 224.864(3). If the special waste is a hazardous waste as specified in regulations pursuant to KRS 224.864(3), the site or facility shall be required by the cabinet to comply with the provisions of KRS 224.866 but shall not be subject to the requirements of KRS 224.855(5).

(c) Generators of special wastes shall register with the cabinet and be subject to the provisions of KRS 224.864, except for generators of coal mining wastes which shall be regulated pursuant to the provisions of KRS Chapter 350.

(d) The cabinet may promulgate special waste regulations that recognize the distinct differences between the category of special wastes and other hazardous and solid wastes due to the fact that special wastes have large volume but low hazardousness. The cabinet's regulations for the generation, transport, record keeping, reporting, treatment, storage and disposal shall reflect those distinct differences. The cabinet's regulations shall recognize and incorporate where appropriate and if consistent with the policies of KRS 224.864 to 224.874 any deadline extensions, studies, and specialized requirements for specific kinds of special wastes that are or may be undertaken at the federal or other levels of government.

(2) Generators of waste oil shall be exempt from the provisions of KRS 224.864 and 224.866 so long as waste oil is not specified as a hazardous waste in regulations pursuant to KRS 224.864(3) but may be regulated by the cabinet consistent with *the resource conservation and recovery act of 1976, as amended (PL* [~~P.L.~~] 94-580*)* and regulations issued pursuant thereto.

The voting members of the board shall select a chairman annually. The initial terms of the appointed members shall be for four (4) years and until their successors are appointed and qualified. Whenever a term expires after July 15, 1980, the member appointed by the governor to fill the vacancy shall be appointed for a six (6) year term. Four (4) of the sixteen (16) appointed members shall be appointed each year. Three (3) of the appointed members shall be representative of agricultural interests, three (3) shall be alumni of the university, and ten (10) shall be other distinguished citizens of the state representative of the learned professions. The governor shall so make the appointments as to divide the representation on the board as equally as possible between the two (2) leading political parties of this state. Appointments to fill vacancies shall be made for the unexpired term in the same manner as provided for the original appointments.

(2) The two (2) University of Kentucky faculty members shall be teaching or research members of the rank of assistant professor, or above. They shall be elected by secret ballot by all University of Kentucky faculty members of the rank of assistant professor and above. If the student member does not maintain his position as student body president or his status as a full-time student at any time during that academic year or does not maintain his permanent residency in the Commonwealth of Kentucky, a special election shall be held to select a full-time student who does maintain permanent residency in this Commonwealth as the student member. The student member shall serve for a term of one (1) year beginning with the first meeting of the fiscal year which contains that academic year.

The ordinance or resolution shall further provide that the industrial building *or the pollution control facility* is to be acquired pursuant to the provisions of KRS 103.200 to 103.285. Each such bond-authorizing ordinance or resolution shall be effective only after publication, in a newspaper authorized to publish official advertisements for the issuer, of the title to said ordinance or resolution, together with a statement signed by the clerk of the issuer setting forth the *maximum* amount of *bonds to be outstanding at any one time* [~~the issue~~], the name of the lessee corporation, and the fact that the bonds are to be retired from the proceeds of either the lease payments as set forth in KRS 103.200 to 103.285 inclusive, or the loan payments or sale payments in the event the industrial building financing transaction is carried out pursuant to a loan agreement, sale agreement or other financing agreement. Section 3. KRS 103.220 is amended to read as follows:

Any refunding bonds issued under the authority of this section shall be payable from the revenues out of which the bonds to be refunded were payable.

(b) At the time of the initial issuance of commercial paper bonds, the issuer may designate individual officials of its governing body as agent for purposes of approving the principal amount, the interest rate, the discount, if any, and the maturity date of bonds being issued later to refund the maturing bonds; provided, however, that, at the time of the initial issuance of such bonds, the governing body of the issuer shall set the maximum principal amount, the maximum interest rate, and the maximum discount, if any, of the refunding bonds plus the final maturity date of the last issue of such refunding bonds; and provided further that the issuer shall retain the right to revoke any such agent's authority at any time and for any reason whatsoever. serve as agent for the issuer for establishing and changing from time to time while such variable rate bonds remain outstanding the rate of interest to be borne by and the price to be paid for the bonds; provided, however, that the rate-setting procedures and authority of each such agent shall be set forth in writing, and may include a formula or an index or indices based upon market factors, and shall be established by the issuer at the time of issuance of such bonds; and provided further that at the time of the issuance of the bonds, the governing body of the issuer shall establish the maximum interest rate to be borne by the bonds; and provided further that the issurer shall retain the right to remove or replace any such agent at any time and for any reason whatsoever.

(4) Any bonds issued and outstanding hereunder and the coupons appertaining to such bonds shall prior to the maturity or redemption date thereof be deemed to have been paid to the same extent as if they had actually been paid in cash and retired, if*:*

(a) In case any of such bonds are to be redeemed on any date prior to their maturity, the issuer of such bonds shall have given a trustee appointed for the holders of such bonds in connection with their issuance, in form satisfactory to such trustee and in conformity with the requirements of the ordinance or resolution authorizing their issuance, irrevocable instructions to give notice of redemption of such bonds to the holders thereof by publication or by other method which is satisfactory to such trustee*;*[~~,~~]

(b) There shall have been deposited with the trustee either money in an amount which shall be sufficient, or direct obligations of or obligations guaranteed by the United States of America, the principal of and the interest on which, when due, will provide money which, together with the money, if any, deposited with the trustee at the same time, shall be sufficient, to pay when due the principal and the interest due and to become due on such bonds on and prior to redemption date or maturity date thereof, as the case may be*;*[~~,~~] and

(c) In the event that such bonds are not to be redeemed within the next succeeding sixty (60) days, the issuer shall have given the trustee in form satisfactory to it irrevocable instructions to give, as soon as practicable, in a manner satisfactory to it, a notice to the holders of such bonds and coupons that the deposit required by *paragraph* (b) *of this subsection* [~~above~~] has been made with the trustee, that such bonds and coupons are deemed to have been paid in accordance with the provisions hereof and stating such maturity or redemption date upon which money is to be available for the payment of the principal of and interest on such bonds. Any deposits made under *paragraph* (b) *of this subsection* [~~hereof~~], to the extent not secured by the federal deposit insurance corporation, shall be secured by the pledging of direct obligations of or obligations guaranteed by the United States of America.

(5) It is hereby declared and determined that the issuance of any and all refunding bonds as provided herein will be for a public purpose if the legislative body of the issuer authorizing such bonds so declares in the proceedings authorizing same, it being hereby declared and determined that the ability of any domestic or foreign corporation renting or leasing any facilities financed by the bonds to cause refunding bonds to be issued will be an inducement for such domestic or foreign corporation to establish in Kentucky the facilities provided for in KRS 103.200 and will tend to further the purposes of KRS 103.200 through 103.280.

(6) No bonds shall be issued hereunder in violation of federal statutes or regulations prohibiting arbitrage profits.

Section 4. KRS 103.230 is amended to read as follows:

(2) The bonds shall be payable solely from the revenue derived from the building, and shall not constitute an indebtedness of the city or county within the meaning of the constitution. It shall be plainly stated on the face of each bond that it has been issued under the provisions of KRS 103.200 to 103.280 and that it does not constitute an indebtedness of the city or county within the meaning of the constitution.

Bonds placed in escrow shall, when negotiated, have equal standing with the bonds of the same issue.

(3) *A* [~~The~~] city or county may issue new bonds to provide funds for the payment of any outstanding bonds *which have or have not matured,* in accordance with the procedure prescribed by KRS 103.200 to 103.280*, whether or not that city or county was the original issuer of said bonds.* The new bonds shall be secured to the same extent and shall have the same source of payment as the bonds refunded.

HB 589, AN ACT relating to credit unions.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 290 IS CREATED TO READ AS FOLLOWS:

(1) If it appears that any credit union is bankrupt or insolvent, or that it has willfully violated this chapter, or is operating in an unsafe or unsound manner, the commissioner may issue an order temporarily suspending the credit union's operations for not less than thirty (30) nor more than sixty (60) days. The board of directors shall be given notice by registered mail of such suspension, which notice shall include a list of the reasons for such suspension, or a list of the specific violations of this chapter, or both. The commissioner shall also notify any government agency or other organization insuring the accounts of the credit union of any suspension.

(2) Upon receipt of such suspension notice, the credit union shall cease all operations, except those authorized by the commissioner. The board of directors shall then file with the commissioner a reply to the suspension notice, and may request a hearing to present a plan of corrective actions proposed if it desires to

continue operations. The board may request that the credit union be declared insolvent and a liquidating agent be appointed.

(3) Upon receipt from the suspended credit union of evidence that the conditions causing the order of suspension have been corrected, the commissioner may revoke the suspension notice, permit the credit union to resume normal operations, and notify any interested insuring agency of such action.

(4) If the commissioner, after issuing notice of suspension and providing an opportunity for a hearing, rejects the credit union's plan to continue operations, he may issue a notice of involuntary liquidation and appoint a liquidating agent. The credit union may request the appropriate court to stay executive of such action. Involuntary liquidation may not be ordered prior to the conclusion of suspension procedures outlined in this section.

(5) If, within the suspension period, the credit union fails to answer the suspension notice or request a hearing, the commissioner may then revoke the credit union's charter, appoint a liquidating agent and liquidate the credit union.

SECTION 2. A NEW SECTION OF KRS CHAPTER 290 IS CREATED TO READ AS FOLLOWS:

(1) A credit union may elect to dissolve voluntarily and liquidate its affairs in the manner prescribed in this section.

(2) The board of directors shall adopt a resolution recommending the credit union be dissolved voluntarily, and directing that the question of liquidation be submitted to the members.

(3) Within ten (10) days after the board of directors decides to submit the question of liquidation to the members, the president shall notify the commissioner and any government agency or other organization insuring member accounts thereof in writing, setting forth the reasons for the proposed liquidation. Within ten (10) days after the members act on the question of liquidation, the president shall notify the commissioner and any government agency or other organization insuring member accounts in writing as to the action of the members on the proposal.

(4) As soon as the board of directors decides to submit the question of liquidation to the members, payments on shares, share certificates, deposits, deposit certificates, withdrawal of shares, making any transfer of shares to loans and interest, making investments of any kind, and granting loans shall be suspended pending action by members on the proposal to liquidate. On approval by the members of such proposal, all such business transactions shall be permanently discontinued. Necessary expenses of operation shall, however, continue to be paid on authorization of the board of directors or liquidating agent during the period of liquidation.

(5) For a credit union to enter voluntary liquidation, approval by a majority of the members in writing or by a two-thirds (2/3) majority of the members present at a regular or special meeting of the members is required. Where authorization for liquidation is to be obtained at a meeting of the members, notice in writing shall be given to each member, by first class mail, at least ten (10) days prior to such meeting.

(6) A liquidating credit union shall continue in existence for the purpose of discharging its debts, collecting on loans and distributing its assets, and doing all acts required in order to wind up its business and may sue and be sued for the purpose of enforcing such debts and obligations until its affairs are fully concluded.

(7) The board of directors or the liquidating agent shall use the assets of the credit union to pay: first, expenses incidental to liquidation including any surety bond that may be required; second, any liability due non-members; third, deposits and deposits certificates as provided in this chapter. Assets then remaining shall be distributed to the members proportionately to the shares held by each member of the date dissolution was voted.

(8) As soon as the board of directors or the liquidating agent determines that all assets from which there is a reasonable expectancy of realization have been liquidated and distributed as set forth in this section, they shall execute a certificate of dissolution on a form prescribed by the commissioner and file it, together with all pertinent books and records of the liquidating credit union, with the commissioner, whereupon such credit union shall be dissolved.

SECTION 3. A NEW SECTION OF KRS CHAPTER 290 IS CREATED TO READ AS FOLLOWS:

(1) Any credit union may, with the approval of the commissioner, merge with another credit union under the existing charter of the other credit union, pursuant to any plan agreed upon by the majority of each board of directors of each credit union joining in the merger, approved by the affirmative vote of a majority of the members of the merging credit union present at a meeting of its members duly called for such purpose, and consented to by any government agency or other organization insuring the accounts of the credit union.

(2) The commissioner may approve a merger according to the plan agreed upon by the majority of the board of directors of each credit union if approved by less than a majority of the entire membership, as provided in this section, if he finds upon the written and verified application filed by the board of directors that:

(a) Notice of the meeting called to consider the merger was mailed to each member entitled to vote

upon the question;

(b) Such notice disclosed the purpose of the meeting and properly informed the membership that approval of the merger might be sought pursuant to this section; and

(c) A majority of the votes cast upon the question were in favor of the merger.

(3) After agreement by the directors and approval by the members of the merging credit union, the president and secretary of the credit union shall execute a certificate of merger, which shall set forth all of the following:

(a) The time and place of the meeting of the board of directors at which the plan was agreed upon;

(b) The vote in favor of the adoption of the plan;

(c) A copy of the resolution or other action by which the plan was agreed upon;

(d) The time and place of the meeting of the members at which the plan agreed upon was approved; and

(e) The vote by which the plan was approved by the members.

(4) Such certificate and a copy of the plan of merger agreed upon shall be forwarded to the commissioner, certified by him, and returned to both credit unions within thirty (30) days.

(5) Upon return of the certificate from the commissioner, all property, property rights, and members' interest of the merged credit union shall vest in the surviving credit union without deed, endorsement or other instrument of transfer; and all debts, obligations and liabilities of the merged credit union shall be deemed to have been assumed by the surviving credit union under whose charter the merger was effected. The rights and privileges of the members of the merged credit union shall remain intact.

(6) This section shall be construed, whenever possible, to permit a credit union organized under any other act to merge with one (1) incorporated under this chapter, or to permit any credit union incorporated under this chapter to merge with one (1) organized under any other act.

SECTION 4. A NEW SECTION OF KRS CHAPTER 290 IS CREATED TO READ AS FOLLOWS:

(1) A credit union incorporated under the laws of this state may be converted to a credit union organized under the laws of any other state or under the laws of the United States, subject to regulations issued by the commissioner.

(2) A credit union organized under the laws of the United States or of any other state may convert to a credit union incorporated under the laws of this state. To effect such a conversion, a credit union must comply with all the requirements of the jurisdiction under which it was originally organized and the requirements of the commissioner and file proof of such compliance with said commissioner.

(2) All life insurance and all health insurance in connection with loans or other credit transactions shall be subject to the provisions of this subtitle, except health insurance in connection with a loan or other credit transaction of more than five (5) years' duration or life insurance in connection with a loan or other credit transaction of more than ten (10) years' duration; nor shall insurance be subject to provisions of this subtitle where the issuance of such insurance is an isolated transaction on the part of the insurer not relating to an agreement or a plan for insuring debtors of the creditor; nor shall insurance issued for an amount in excess of *forty* [~~twenty~~] thousand dollars *($40,000*[~~($20,000)~~] be subject to this subtitle.

(3) (a) Credit life insurance. The premium rates set forth hereunder, or actuarially equivalent, shall not exceed:

1. For decreasing term credit life insurance, a single premium of sixty cents (60) per annum per one hundred dollars ($100) of scheduled indebtedness, or sixty-five cents (65) per annum per one hundred dollars ($100) of scheduled indebtedness if dismemberment benefits are included in the policy.

2. Single premium rates for indebtedness repayable in monthly instalments other than twelve (12) in number shall not exceed one-twelfth (1/12) of the above premium rate multiplied by the number of full months in the scheduled period.

3. A premium payable monthly at the rate of ninety-two cents (92) per one thousand dollars ($1,000) of outstanding unpaid insured indebtedness or one dollar ($1.00) per one thousand dollars ($1,000) of outstanding unpaid insured indebtedness if dismemberment benefits are included in the policy, will be deemed the actuarial equivalent of the foregoing rates.

4. For level term credit life insurance, a single premium of one dollar and twenty cents ($1.20) per annum per one hundred dollars ($100) of indebtedness or one dollar and thirty cents ($1.30) per one hundred dollars ($100) of indebtedness if dismemberment benefits are included in the policy.

(b) 1. The standards set forth above are applicable to a plan of death benefits with or without requirements for evidence of insurability which contain no exclusions except for suicide; other exclusions must receive the approval of the commissioner, and

2. Coverage shall be offered to all debtors regardless of age; or to all debtors not older than the applicable age limit which shall be not less than sixty-five (65) at the inception of the indebtedness or sixty-six (66) at the scheduled maturity date of the transaction, provided that each company's right to underwrite risks on an individual basis shall not be restricted by this subparagraph. Appropriate adjustments may be made with the approval of the commissioner if premium rates are determined according to the age of the insured debtor or by age brackets.

3. Rates for use with forms which are more restrictive in any material respect shall reflect such variations in lower rates. Similarly, forms providing more extensive benefits than set forth above may carry appropriately higher charges.

4. The standards set forth above shall be applicable to contracts which may contain a provision excluding or denying a claim for death, resulting from pre-existing illness, disease or physical condition for which the debtor received medical advice, consultation or treatment during the twelve (12) month period immediately preceding the effective date of the debtor's coverage and which would ordinarily be expected to affect materially the debtor's health during the period of coverage; provided, however, that after such coverage has been in force for six (6) months (twelve (12) months for contracts of more than three (3) years), this pre-existing exclusion clause shall not operate to deny coverage for any death thereafter. The contract shall contain no other provision which excludes or restricts liability in the event of death caused in a certain specified manner, except provisions excluding or restricting coverage in the event of intentionally self-inflicted injuries, foreign travel or residence, flight in nonscheduled aircraft, war or military service.

49-60 months	5.68	4.58	7.58	6.11

(b) 1. The standards set forth above shall be applicable to contracts which may contain a provision excluding or denying a claim for disability, resulting from pre-existing illness, disease or physical condition for which the debtor received medical advice, consultation or treatment during the twelve (12) month period immediately preceding the effective date of the debtor's coverage and which would ordinarily be expected to affect materially the debtor's health during the period of coverage; provided, however, that after such coverage has been in force for six (6) months (twelve (12) months for contracts of more than three (3) years), this pre-existing exclusion clause shall not operate to deny coverage for any disability commencing thereafter. The contract shall contain no other provision which excludes or restricts liability in the event of disability caused in a certain specified manner, except provisions excluding or restricting coverage in the event of pregnancy, intentionally self-inflicted injuries, foreign travel or residence, flight in nonscheduled aircraft, war or military service.

2. Coverage shall be offered to all debtors regardless of age, or to all debtors not older than the applicable age limit which shall be not less than sixty-five (65) at the inception of the indebtedness or sixty-six (66) at the scheduled maturity date of the transaction, provided that each company's right to underwrite risks on an individual basis shall not be restricted by this subparagraph. Appropriate adjustments may be made with the approval of the commissioner if premium rates are determined according to the age of the insured debtor or by age brackets.

3. Rates for use with forms which are more restrictive in any material respect shall reflect such variations in lower rates. Similarly, forms providing more extensive benefits than set forth above may carry appropriately higher charges.

(5) Statistical reporting. Each insurer writing credit life or credit health insurance within this state shall keep and maintain statistical data of its experience on these kinds of insurance. The insurer shall, on or before May 1 of each year, file with the commissioner its statistical experience data for the year ending December 31 immediately preceding. Such experience shall be reported on forms conforming to those now or hereafter from time to time adopted by the national association of insurance commissioners.

(6) If a group policy has been delivered in this state before June 18, 1980, or has been or is delivered in another state before or on or after June 18, 1980, the insurer shall be required to file only the group certificate and notice of proposed insurance delivered or issued for delivery in this state as specified in subsections (2) and (4) of KRS 304.19-070, and such forms shall be approved by the commissioner if they conform with the requirements specified in such subsections and if the schedules of premium rates applicable to the insurance evidenced by such certificate or notice are not in excess of the insurer's schedules of premium rates filed with the commissioner. The premium rate in effect on existing group policies may be continued until the first policy anniversary date following June 18, 1980. After June 18, 1980, no borrower shall be added to an existing group policy at rates higher than those set forth in subsections (3) and (4) of this section.

(7) The foregoing rates and procedures are deemed to be legislative prerogatives and shall not be subject to administrative or executive change or modification.

SB 2, AN ACT relating to insurance.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 304.16-050 is amended to read as follows:

The lives of a group of individuals may be insured under a policy issued to a labor union, which shall be deemed the policyholder, to insure members of such union for the benefit of persons other than the union or any of its officials, representatives or agents, subject to the following requirements:

(1) The members eligible for insurance under the policy shall be all of the members of the union, or all of any class or classes thereof determined by conditions pertaining to their employment, or to membership in the union, or both. The policy may provide that the term "member" shall include retired members;

(2) The premium for the policy shall be paid by the policyholder[~~, either wholly~~] from the union's funds, [~~or partly from such funds and partly~~] from funds contributed by the insured members specifically for their insurance, *or from both. A* [~~No~~] policy may be issued on which the entire premium is to be derived from funds contributed by the insured members specifically for their insurance. A policy on which part *or all* of the premium is to be derived from funds contributed by the insured members specifically for their insurance may be placed in force only if at least 75 per cent of the then eligible members, excluding any as to whom evidence of individual insurability is not satisfactory to the insurer, elect to make the required contributions. A policy on which no part of the premium is to be derived from funds contributed by the insured members specifically for their insurance must insure all eligible members, or all except any as to whom evidence of individual insurability is not satisfactory to the insurer;

(3) The policy must cover at least twenty-five (25) members at date of issue;

(4) The amounts of insurance under the policy must be based upon some plan precluding individual selection either by the members or by the union*;*

(5) Nothing contained in this section shall require the termination of insurance for, or prohibit the contribution of all required premium by, an otherwise insured member who involuntarily becomes temporarily unemployed.

SB 65, AN ACT relating to insurance.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF SUBTITLE 13 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

There shall, however, be no

reduction in premiums for a self-instructed course or for a course which does not provide for classroom or field driving instruction for a minimum number of hours, to be determined by the transportation cabinet.

A written report from a licensed physician confirming this may be required periodically. The company shall not be responsible for the cost of such reports, except where required by law or other requirements.

SB 102, AN ACT relating to the municipal premium tax.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 91A.080 is amended to read as follows:

(1) The legislative body of each city or urban-county government which elects to impose and collect license fees or taxes upon insurance companies for the privilege of engaging in the business of insurance shall file with the commissioner of insurance a copy of all ordinances and amendments thereto which impose any such license fee or tax.

(2) Any license fee or tax imposed by such a city or urban-county government upon any fire insurance company shall be based upon a percentage of the premiums received by the company within the preceding calendar year, for insurance on property located within the corporate limits of the city or urban-county government, less all premiums returned to policyholders. A fire insurance company entering a city or urban-county government during a license year shall, at the end thereof, promptly pay to such city or urban-county government the full additional tax due on such percentage basis.

(3) Any license fee or tax imposed by such a city or urban-county government upon a life insurance

company may be based upon premiums received, and if so based, shall be applied to premiums from new policies written within the preceding calendar year upon the lives of persons residing within the corporate limits of such city or urban-county government.

(4) Any license fee or tax imposed by such a city or urban-county government upon any insurance company other than those specified in subsections (2) and (3) of the section shall be based upon a percentage of the premiums received by such company within the preceding calendar year on risks located within the corporate limits of the city or urban-county government on those classes of business which such company is authorized to transact, less all premiums returned to policyholders; provided, however, that any license fee or tax imposed upon premium receipts on a percentage basis shall not include premiums received for insuring employers against liability for personal injuries to their employes, or death caused thereby, under the provisions of the worker's compensation act.

(5) The department of insurance shall, by regulation, provide for a reasonable collection fee to be retained by the insurance company or its agent as compensation for collecting such tax; provided, however, that the collection fee shall not be more than thirty percent (30%) of the fee or tax collected and remitted to the city or urban-county government or two percent (2%) of the premiums subject to the tax, whichever is less. To facilitate computation, collection and remittance of the fee or tax and collection fee provided herein, the fees or taxes set out in subsection (1), (2), (3) or (4) of this section, together with the collection fee herein may be rounded off to the nearest dollar amount.

(6) Accounting and reporting procedures for collection and reporting of the fees or taxes and the collection fee herein provided shall be determined by regulations promulgated by the department of insurance.

(7) Upon written request of the legislative body of any city or urban-county government, at the expense of the requesting city or urban-county government, which shall be paid in advance by such city or urban-county government to the department of insurance, the department of insurance shall examine or cause to be examined by contract with qualified auditors the books or records of the insurance companies or agents subject to such fee or tax to determine whether the fee or tax is being properly collected and remitted, and the findings of such examination shall be reported to such city or urban-county government. Willful failure to properly collect and remit the fee or tax imposed by a city or urban-county government pursuant to the authority granted by this section shall constitute grounds for the revocation of the license issued to an insurance company or agent under the provisions of KRS Chapter 304.

(8) The license fees or taxes provided for by subsections (2), (3) and (4) of this section shall be due at the beginning of the tax year. The city or urban-county government may collect a fee of five dollars ($5) from any company whose fee or tax on the percentage of premium basis is less than five dollars ($5.00).

(9) No license fee or tax imposed under this section shall apply to premiums received on policies of group health insurance provided for state employes under KRS 18A.225(2).
